

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

*GENEVA, September 20, 1859.

MY DEAR FRIEND: I address you at the request of the Committee on the subject of our Diocesan Training School.

Our Diocese is greatly suffering for the want of Clergymen. Although we have a larger body of Clergy in the Diocese than we ever had before, yet several of our Parishes and Missionary posts are unsupplied.

In many villages our Church might be started with prospects of entire success had we Clergymen to send. This want is felt throughout the Church. Now there is a class of young men who would most profitably serve in the ministry, for whom no provision is made as to education and support; who are stirred in their hearts to serve the Lord in this way, but who are restrained and repelled by the fact that no institution exists in the Diocese adapted to their instruction, to which they might go to test their attainments and aptitude, and to be moulded and trained for the great work. They would come from the professions of law and medicine, from mercantile life, from farms and trades, and from the dissentient bodies and ministries around us.

For these let us establish at once the Senior Department of our Training School for Candidates. I believe that twenty at least would soon be enrolled on its lists. They would come to test their fitness, to prepare to become Candidates for Orders, and to be taught and trained if found adapted to the work. What they need is an institution appropriate to their peculiar state of preparation, composed of persons similar in age, attainments and objects, where, under the guidance of competent instructors, they may be moulded, taught and trained for the ministry. Almost every large Parish in the Diocese might furnish one such student, and be interested in efforts to sustain him. Such Candidates cannot advantageously mingle with the more youthful students of our existing seminaries. They need an older association and a different training, to regain what has been lost in early education, and to remould, concentrate and supply their minds. One-third of our present Candidates are of this very class, struggling to triumph over the disadvantages which retard and sadden their progress. I am compelled to discountenance and repel applications of this kind, because means are wanting, and no sufficient provision is made, to meet them. It is an appalling step to repel a laborer when the "ripened grain" is dying in the field before our eyes. My friend, is there not wealth, and liberality, and zeal enough in our Diocese to meet the demand? Shall we withhold assistance any longer? Will *you* not aid us in the effort?

October 2d, I administered the holy communion at Trinity Church, Geneva.

October 3d, I left Geneva *via* Elmira and Baltimore, for Richmond, (Va.) to attend the General Convention, but did not arrive until 2 P. M., and was not in time to be present at the opening session, on the 5th, at 10 A. M. From the 6th to the evening of the 22d, when the General Convention adjourned, I attended the sittings of the Convention in my place, and was also present at many of the meetings of the General Church Societies, which held their sessions at Richmond.

On the 13th, I united with Bishop Kemper, consecrator, and Bishops Burgess, Whitehouse, Scott, H. W. Lee, Clark and Bowman, assistants, in the consecration of the Rev. Henry Benjamin Whipple, D. D., Presbyter, to the office of a Bishop in the Church of God, in St. James' Church, Richmond, to be Bishop of the Diocese of Minnesota.

On the 18th, having received the canonical resignation of the ministry by Samuel L. Southard, a Presbyter of the Diocese, he was by me duly and canonically displaced from the ministry.

I present to you no new and untried scheme. Such a school exists in England; has furnished, since it began, fifty efficient ministers to the Church, and has fifty students now within its walls, subjected to this training.

For us a Senior Department our plan is simple. To begin it, we need the means to employ a Presbyter under the Bishop, to take charge of the Institution, and a hired residence for himself, his family, and the students whom he is to train. I cheerfully appropriate St. Peter's Chapel, Geneva, to this object. It is proposed, at present, to raise thirty thousand dollars. I appeal most earnestly to you in its behalf. For a Southern Church University, half a million of dollars have been raised by our Southern brethren. Several gentlemen of the Diocese have subscribed each $1000 to our object. The immediate payment of the principal is not needed. Such payments may be made when convenient to the donor. What is needed at once is the interest of the sum subscribed, payable semi-annually, on the 1st of January and 1st of July in each year, to Lay Trustees, who will have the care and management of the funds, and will pay over the interest on the order of the Board, the principal to be safely invested, as soon as may be, in bond and mortgage.

My friend, your liberal subscription to the paper hereto attached, and the immediate transmission of it to me, in a signed, are earnestly besought.

That God, our Saviour may open your heart, and guide your judgment in this duty; and in all things bless and prosper you, is the fervent prayer of your friend and Bishop. WILLIAM H. DELANCEY.

For value received, I hereby promise to pay to the Trustees of the Diocesan Training School, of Western New York, the sum of ——— dollars, on or before January 1st, 1861, with interest from January 1, 1860, payable semi-annually, on the 1st of July and January, until the principal sum shall be paid.

———, September 20, 1859.

To this sad report I have to add the record of his sudden death, soon after at St. Louis, Mo. The funeral services were attended by the Bishop, and the other clergy of that city.

On Sunday, the 23d, I preached, on invitation of the Rev. Mr. Peterkin, the Rector, in St. James' Church, Richmond.

We left Richmond for home on the 25th, penetrated by the hospitality, cordiality and affectionate kindness with which we had been entertained.

The meeting of the Convention was a signal triumph for the Church.

Six new Bishops were added to the House of Bishops.

The whole number present was 35.

The number of Dioceses represented was 33.

The whole number of Clerical representatives was 131.

The whole number of Lay representatives was 105.

Of the character of its proceedings, legislation and measures, the Church will now judge through the publication of its Journal.

On our way back to Geneva, I spent some days in Philadelphia, where, in St. Peter's Church, the venerable and beloved Parish of my early labors, I administered the holy communion on the 25th, and preached in the afternoon of the 30th.

In the morning of the 30th, I preached in Christ Church, Philadelphia.

And in the evening of the same day, at the Holy Trinity Church, Philadelphia, I, with others, made an address at the meeting of the Bishop White Prayer Book Society, of which I had been one of the Founders.

On November 6th, in the morning, I preached in Trinity Chapel, New York.

And in the afternoon I preached in St. John the Baptist's Church, in the same city.

On the 13th, I preached, both morning and evening, in St. Peter's Chapel, Geneva.

On Sunday, the 20th, I commenced a visitation of the Churches

in Chautauqua county, by preaching and confirming *thirteen* persons in St. John's Church, Dunkirk, in the morning.

And by preaching and confirming *thirty-eight* persons in Trinity Church, Fredonia, in the afternoon.

On the 21st, in the afternoon, I preached in St. Peter's Church, Westfield, and confirmed *ten* persons.

In the afternoon of the 22d, I preached in St. Paul's Church, Mayville, and confirmed *six* persons.

In the evening of the 23d, I preached in St. Luke's Church, Jamestown.

And on the morning of the 24th, Thanksgiving Day, I preached in the same Church, and confirmed *thirty-one* persons.

On the 25th, at night, in an upper room, at Forestville, I preached and confirmed *four* persons.

On the 26th, I transferred the Rev. David E. Barr to the Diocese of Louisiana.

On the 27th, I held a special ordination at St. James' Church, Batavia, where I admitted Robert Dobyns to the Diaconate, and administered the holy communion. The sermon was preached by the Rev. Mr. Radley.

In the same Church, in the afternoon, I preached and confirmed *eighteen* persons.

I visited De Veaux College on the 28th.

On the 29th, I gave my consent to the organization of St. Ann's Church, at South Bainbridge, called Afton.

On the same day, I transferred the Rev. E. H. Cressy, D. D., to New York; and on the 30th, I transferred the Rev. W. A. Fiske to Ohio.

I administered the holy communion in Trinity Church, Geneva, on December 4th, and read prayers, both afternoon and evening, in St. Peter's Chapel, Geneva.

On the 7th, I pronounced, declared and recorded the deposition of Thomas Dunn Sleeper, Deacon, from the ministry, under the canons.

On the 8th, in St. Paul's Church, Syracuse, I preached a *Concio*

ad Clerum, and administered the holy communion at a meeting of the Clergy.

On the 11th, in St. Peter's Church, Auburn, I read prayers and preached both morning and afternoon.

On the 13th, I received into this Diocese the Rev. Robert Bethell Claxton, D. D., who had been elected Rector of St. Luke's Church, Rochester.

On Christmas Day, the 25th, I administered the holy communion in St. Peter's Chapel, Geneva.

I read prayers in Trinity Church, Geneva, on the 28th.

On Sunday, January 1, 1860, I administered the holy communion in Trinity Church, Geneva.

On the 4th, I attended a meeting of the Trustees of the Episcopate Fund, at Utica.

A domestic affliction called me to New York on the 7th.*

On the [illegible] of May, I issued a letter on the Diocesan Training School, on its Senior Department, of which a copy is appended.*

---

*LETTER ON THE TRAINING SCHOOL OF WESTERN NEW YORK.

My Brethren [illegible] I [illegible] the plan of the Senior Department of the Training School [illegible].

[illegible]

[illegible]

[illegible]

[illegible] and invest the same, who shall pay over the interest [illegible] of such endowments to the support of the institution, and the principal shall be kept invested.

On the 18th of May, I admitted as Candidates for Deacon's Orders, Mr. William M. Beauchamp, and Mr. Duncan E. Mann.

On the 20th, I held a confirmation in Trinity Church, Geneva, when I confirmed *forty* persons, including two from St. John's Church, Canandaigua, and ten who were connected with Hobart College. The whole number for the Parish being thirty.

In this Department the plan is simple. To begin it we need the means to employ a Presbyter as Theological Professor, under the Bishop and Board, to take charge of the Candidates, with a hired residence for himself and his family. The students he is to train will support themselves, or be aided by their friends, or by funds of the benevolent if needed. I cheerfully appropriate St. Peter's Chapel, Geneva, as a free Chapel for the institution, which the Offertory at the services will aid in sustaining.

It is proposed at present to raise *thirty thousand dollars*. Several gentlemen have promised (myself among them) each *one thousand dollars* to this object. One has engaged to it the interest of *two thousand dollars*. A donor of five hundred dollars has been seconded by the Rector and congregation who have raised the sum to one thousand dollars.

Is this sum of THIRTY THOUSAND DOLLARS too large a sum to be raised by Churchmen in the Diocese of Western New York for such an object? Let the following facts present the answer.

There can be named to you at least ten Churchmen in the Diocese, each of whom could give the whole thirty thousand dollars. Including these, I could name more than thirty Churchmen, each of whom could give five thousand dollars for such an object. Including these, I can name more than one hundred Churchmen who could give each one thousand dollars to the object. Including these, I could name more than three hundred Churchmen, each of whom could give one hundred dollars to the object. I can truly say there are thirty Churches in the Diocese, each of which could easily raise one thousand dollars for such an object. We have over ten thousand communicants in the Diocese; an average gift of three dollars for each would raise the whole amount.

Now, with these facts staring me in the face, ought I to refrain a moment from appealing to you for aid to this object, under circumstances of such pressing necessity as the following facts disclose:

We have but *twenty* Candidates for Orders in the Diocese; we ought to have *fifty*. We have but a little over 130 Clergymen in the Diocese; we need 200. I have transferred twelve Clergymen to other Dioceses since the last Convention, in 1859, and have received but four in return. We have at present fifteen Missionary Parishes and Stations unsupplied. I am almost daily in receipt of letters asking for the services of a Clergyman. The growth of the Church in the Diocese is arrested for want of laborers.

There is no provision in the Diocese for the class of Candidates in whose behalf I now urge this appeal. Half of our present twenty Candidates are of this very class. The BUSINESS WORLD has furnished in this Diocese the largest proportion of Candidates. At least ten of the present Bishops of the Church, came to the ministry originally from the "BUSINESS WORLD."

The age from twenty-five to forty will long furnish the largest and earliest supply of Ministers to the Church. To this source must we mainly look. For the best and most thorough education of this class of Candidates, I am seeking to provide and soliciting your aid. I have brought the subject before the Diocese at successive Conventions.

The JUNIOR DEPARTMENT of the Training School I do not now urge. It would demand an endowment of $100,000, and the application of more youthful energy than more than three-score years can supply to your Bishop. For young Candi-

On the 21st, at Trinity Church, Geneva, I attended service, and heard the address of the venerable Bishop of Wisconsin, the Rt. Rev. Jackson Kemper, D. D., in behalf of Nashotah College, for which important institution a collection was made.

On the 22d, I transferred the Rev. Robert J. Parvin to the Diocese of Iowa.

On the same day, in the evening, I officiated in Trinity Church, Warsaw, where I confirmed *twenty-three* persons, with an address, but did not preach.

---

dates, we must look to Hobart College and De Veaux College. But the SENIOR DEPARTMENT needs, in order to begin it, but the endowment I have named of *thirty thousand dollars*—is practical and practicable—is of immediate availability—is an urgent necessity now pressing the Diocese, and appeals to you at once for aid. It asks your good wishes, your prayers, and your money.

I request the Minister and Wardens of each Parish, or the Wardens if there be no Minister, *to act as a committee to apply to the Parishioners to raise in the Parish* $1,000, or $500, or $300, or $200, or $100, or $50, or any such sum as the means of the Parish in the sight of God shall warrant; and to transmit the same, in cash or notes duly signed, to me at Geneva, Ontario county, N. Y., at any time before the first day of July next. I request that this letter be read to each congregation by its Minister, and may God our Saviour, by His Holy Spirit, open all hearts to heed and to help.

Since the first of February, I have addressed every congregation I have visited on this topic. I shall continue to do so as God shall give me strength. One object of this letter is to ascertain *the full result* of my appeals, through the committee thus appointed, in each congregation.

The following has been the result thus far known from the beginning. There have been given or promised—

On the 23d, I preached in St. Clement's Church, Weathersfield, and confirmed *five* persons. A valuable School has been opened by the Rector, the Rev. Henry V. Gardner, in the "Doolittle Institute," established as a Church School by Ormus Doolittle, Esq., who has erected ample and commodious buildings for the same, at an expense of eleven thousand dollars, and generously applied them without rent to the use of the Rector, as a contribution for his support. May it be eminently successful.

On the morning of the 24th, in Grace Church, Nunda, I preached and confirmed *four* persons.

And in the afternoon, in St. Mark's Church, Hunt's Hollow, I preached and confirmed *four* persons.

On the 25th, in the morning, in the School Room at Canaseraga, I preached for Trinity Church, and confirmed *seven* persons. They contemplate the erection of a small Church at this place.

In the afternoon, in the School Room at Hornellsville, I preached and confirmed *thirty-nine* persons. Here a handsome Church edifice is in process of erection.

On the 26th, in the Baptist House of Worship, at Wellsville, I preached and confirmed *three* persons for St. John's Church.

In the afternoon, the same day, in the Methodist Chapel at Philipsville, Belmont, I preached and confirmed *thirteen* persons for St. Philip's Church.

The balance, nearly twenty thousand dollars, is still to be secured. That the Diocese is able to supply it, we all know. The intelligence and piety of the people can understand and appreciate the object. I should disdain to look beyond the limits of the Diocese for aid. I request the committee in each congregation, "*the Minister and Wardens*," or "*the Wardens*," if there be no Minister, to *meet, confer* and *act* at once. Let an early, prompt and direct appeal to the congregation be made. Make personal application to the pious, intelligent and wealthy in the flock. Let the result be made known to me on the 1st of July.

Let the notes—if the amount be given in notes—be signed and transmitted to me by mail. If the gift be in cash, let the amount be sent to me by mail. Any person can forward a donation to me by mail for this object.

Brethren, I thus present this important subject to your judgments and your consciences, as matter alike of interest, necessity and duty. In the name of God our Saviour and of His Church, I implore your aid. I commend you to the grace and guidance of the Holy Ghost.

I am your Bishop and Servant in the Church,

On the 28th, assisted by the Bishops of New Hampshire, of North Carolina, who preached the sermon, and of New Jersey, I administered the holy communion. Fourteen Alumni received the Testimonials of the Seminary.

The General Theological Seminary has long been compelled to look on its unproductive capital, which has, with the expense of improvements in its own estate, and an injudicious investment of a portion of its funds, has so much reduced its unproductive means of support, as to constrain it to resort to the sale of its landed estate, now grown to the value of half a million of dollars.

Measures were authorized to relieve the landed estate of an incumbrance put upon it, by the agent of the Trustees, with the consent of the Board, since the origina gift. And the Board having provided for such sale for the continuance of the institution, and meeting its current engagements, adjourned to meet on the 23d of October next, when other important questions touching the Professorships, new Professorships, a Pastoral Head, and the change from a Seminary to a Diocesan Institution, are to be considered. On Tuesday morning, the 14th, I held an ordination at Grace Church, Utica, and admitted Mr. Chester Smith Percival to the Diaconate, and administered the holy communion. The sermon was preached by the Rev. Theodore Babcock, of Watertown.

I have this morning, in opening the Convention, united with you in the celebration of the Lord's Supper.

Since the last Convention, I have officiated in the Diocese in 132 organized Parishes, and in 12 places where the Church is not organized.

I have held confirmations in 122 Churches in the Diocese, and in two Churches thrice.

I have preached out of the Diocese 6 times.

I have officiated at 2 marriages.

I have baptised 7 adults, 4 infants; total 11.

I have officiated at 4 funerals.

I have administered the holy communion 21 times.

I have admitted 8 new Candidates for Holy Orders.

I have ordained 7 Deacons and 6 Priests.

I have instituted 2 Rectors.

I have consecrated 7 Churches.

I have received into the Diocese 10 Clergymen.

I have transferred to other Dioceses 16 Clergymen.

I have displaced 2 Clergymen.

I record the death of 1 Clergyman.

I have given my consent to the organization of 2 new congregations.

I have read prayers 15 times.

Preached 172 times.

Made addresses to candidates as often as I held confirmations.

And made appeals in almost every Parish in behalf of the enterprise to increase the Candidates for Orders, and to provide for the adequate training of those who come from the business world into the ministry.

I have confirmed 1812 persons in 122 congregations in this Diocese, and 23 persons in the Diocese of New York, in all 1835.

In 13 other places visited, no confirmations were held.

In 19 other Churches not visited, no applications were made for holding a confirmation, the candidates, if any, having been brought to other points for confirmation, or the stations being vacant, or for special reasons, the confirmation being deferred.

The average number confirmed for each Parish, in which confirmations were held, is 14.

The average annual confirmations, since I became Bishop, from 1839 to 1859, inclusive, is six hundred persons.

I have traveled in discharge of my various duties, since the last Convention, 7995 miles; and, I record it with a thankful heart to the Great Over-Ruler of all things, without an accident and almost without interruption.

I place on record the following clerical changes, not yet stated in this Address:

Aid has, during the past year, been extended to 7 Beneficiaries by the Education and Missionary Board, and 5 are now upon the list.

Six Deacons, viz: Revs. John Henry Rowling, Charles E. Cheney, Lorenzo D. Ferguson, William Roberts, Addis E. Bishop, and Joseph Kidder, have been admitted to the Priesthood.

One Clergyman has died; one has resigned the ministry, and one has been deposed. Sixteen Clergymen have been transferred to other Dioceses, and ten received into this Diocese.

The whole number of Clergymen connected with the Diocese is 136, viz: 1 Bishop, 122 Presbyters, and 13 Deacons, and 19 Candidates for Orders.

Of the Clergy, 3 are exclusively engaged as teachers; 5 are on the list of Disabled Clergymen, aided by the Christmas Fund; 8 are prevented by age or sickness from full duty, and sustain themselves. The rest are engaged, or seeking to be engaged, in clerical duty in the Diocese. Some few resort to public or private teaching to aid in their support.

I have given my Canonical consent to the organization of a new congregation at South Bainbridge.

I suggest that the Secretary of the Convention be directed to

insert in the Journal, immediately after the List of the Clergy of the Diocese, a correct List of all the Churches in the Diocese, and that the Secretary with the Bishop, be a Committee to prepare it. In this way, the Journal of 1860 will present a correct list of the Churches.

The seven following new Churches, certified to be free from debt incurred in the erection, have been consecrated:

Grace Church,.....	Black Rock, Buffalo,	Feb. 9, 1860
Church of the Redeemer,....	Addison, Steuben county,	April 5, 1860
St. Peter's Church,.....	Forestville, Chautauqua county,	May 30, 1860

Christ Church,.....	Forestport, Oneida county,	July 24, 1860
Grace Church,.....	Waverly, Tioga county,	July 28, 1860

St. Peter's Chapel, Geneva, free from debt, but not yet consecrated, has been opened every Sunday morning and evening, and is tendered as a Chapel to the Senior Department of the Training School for Candidates.

The following Church edifices are regularly used, though not consecrated on account of impending debt:

Church of the Evangelists,.....	Oswego.
Christ Church, ...	Binghamton.
Christ Church,.....	Rochester.
St. John's Church,.....	Williamson.
Christ Church,.....	Oswego.

New Churches are in progress of erection

At Belvidere,.....	Allegany county.
At Hornellsville,.....	Steuben county.
At Mayville,.....	Chautauqua county.
At Ithaca,.....	Tompkins county.

And in other places the enlargement of the old, or the substitution of new Church edifices is contemplated, as at Albion, Waterloo, Rochester.

Fifty-seven Missionaries have labored in the Diocese during the

past year—33 of them for the whole year, and the rest for longer or shorter periods. The present number is 48.

Four of our Missionaries have been called to other Dioceses, and *four* from other Dioceses have entered our field.

The Christmas Fund for Disabled Clergymen has had, during the past year, through collections and donations,.....$1,637 39
And in interest,..... 360 00
Now invested in bonds and mortgages,..... 6,000 00

Five of our aged brethren have been aided by this Fund, to the amount of $200 each, $1,000.

The Permanent Missionary Fund amounts, as reported by the Trustee, William Young, Esq., of Bath, to $11,356.

We are apprised that a bequest has been made to this Fund, by the late Mrs. Silas D. Mumford, to the amount of $5,000, which will be paid over in the Spring, and invested in bond and mortgage by the Trustee.

The interest of the Fund now in hand, amounting to $743 09, has been paid to the Diocesan Treasurer, and applied to the payment of our Missionaries.

The Van Wagenen Missionary Fund, for Chenango county, is reported by the Trustee, Joseph Juliand, Esq., at $2,000, yielding an interest of $140, which has been paid to six Rectors in the county, for Missionary services therein.

In the Report of the Education and Missionary Board, will be presented the usual details on these funds.

The De Veaux College for orphans and destitute children, is in vigorous and successful action.

The Annual Report for 1859, has been laid before me as Bishop of the Diocese. The inalienable domain of 330 acres, on which the buildings stand, remains as heretofore.

The amount of principal invested is.....$162,892 98
Estimated value of lands for sale,..... 23,500 00

Making in all,.....$186,392 98

The domain farm rents for $400.

The entire income for 1859, is.....$11,932 43

The whole expenditure, aside from repairs, alterations and additions, ($1,302 06,) is.....$10,827 76

Thirty-two pupils have received the benefits of the Institution.

The amount given in the Diocese, during the year, for recognized Church objects, aside from those that are Parochial, is $11,466 37.

This is exclusive of interest on permanent funds and loans, and of gifts from sources exterior to the Diocese. It comprises what has been received by the Treasurer of the Convention, and the Treasurer of the Christmas Fund;

Moneys collected in the Diocese, but which have not passed through the hands of the Diocesan Treasurer;

And contributions to the Church Book Society.

The whole amount raised in the Diocese, during the year, for other than Parochial objects, and aside from gifts and promises for the Training School in its Senior Department, may be stated as follows:

Christmas Fund collections,.....	$1,637 39
Monthly collections and donations,.....	9,828 98
For the Church Book Society,.....	692 12
For objects whose sums did not go through the Treas.	1,500 00
	$13,658 49

Besides this sum, there has been contributed in bonds, notes, cash and reliable promises of funds, of a Church edifice and lot, for the establishment of the Senior Department of the Training School for candidates, to the value of $20,200.

There are some points referred by the General Convention to the Diocesan Conventions, to be settled by the latter, as coming more fittingly and legitimately under their action and decision.

1. The settlement of the boundaries of Parishes.

2. The formation of new congregations out of previously existing congregations.

3. And some other points.

I would suggest that a Committee be appointed to examine, and report to this Convention, what these points are.

And then that the preparation of any Canons required, be referred to a Committee to report such Canons to the next Convention. This will give time for mature consideration. In the mean time, temporary provision is already made by the General Canons to meet such cases.

My attendance at the General Theological Seminary Commencement, on the 28th of June, precluded my being present at the Commencement of Hobart College, which occurred on the same day, at Geneva.

The College continues to command the patronage and regard of the public. Its Catalogue presents a list of over one hundred Undergraduates. Nineteen young men were graduated at the Commencement. And though none of them became Candidates for Holy Orders in this Diocese, two, I think, did so in other Dioceses, to which they respectively belong.

An effort has been commenced to increase the endowment and accommodations of the College. Already I think, some thirty-five thousand dollars have been given, or conditionally pledged to the Institution.

The enterprise ought to succeed. There is wealth and zeal enough in the Diocese to secure the full amount solicited. The College is an important agency to promote the growth of the Church in the Diocese; and though it has no official connection with the Convention, yet it should be regarded and cherished as one of the chief instruments of good to the Church.

My convictions of the value of a Training School, in the Junior Department, for the young, not only remain unchanged, but have grown in strength by reflection, and by the fact, that such an institution has been established, and is in successful prosecution in the neighboring Diocese, through the liberality of a wealthy Layman of the same. With us both moral and spiritual strength would have been added to Hobart College, by the annual infusion of well trained and well principled and tested youth among its influential classes. Such an institution, twenty years ago, would have prevented to a great extent the present complaint in our Diocese for want of Clergy and Candidates, enlarged and blessed the College, and gladdened the hearts of all of us.

But the project is in advance of the liberality and estimation of the Diocese, and of the age, and energies of the Diocesan. I lay the Junior Department of the Training School on the shelf, until God, by his Holy Spirit, shall wake up some of the existing or rising wealthy men of the Diocese, to contemplate and commence an institution fraught with blessings to the young, blessings to the State, and blessings to the Church. Until then, in the education of youthful Candidates for Orders, we must look, in this Diocese, to Hobart College and to De Veaux College. The former needs the encouragement and patronage of the Diocese at large, and the interest of the Clergy and Laity in it.

Colleges in our State consist of the *teachers* and the *taught*. The defect in all of them is, that the teachers are under no practical *State* supervision and examination—and the taught are under no *State* incitements to study. The Legislature, or the Board of Regents, gives the charter, but neither the one nor the other ever adequately inquire or examine whether the teachers teach well, or the students are well taught. Had the Military Academy, at West Point, or the Naval Academy, at Annapolis, been conducted on the same irresponsible principles as our Colleges are, they would have long since been repudiated, denounced, abandoned.

There the work of the teachers is publicly tested by examination. There the youth are prompted to study by the distinctions held out to them.

This is just what the State ought to do with its Colleges. The studies in College are religious and secular. With the religious studies the State has nothing to do. But with the secular education it has to do, and is bound to adopt such measures as are competent to make it efficient and complete.

A public examination of students, sent from each class of each College, at Albany, during the session of the Legislature, before the Governor, the Legislature, and the public authorities, and the conferring of suitable merited rewards, would secure the object, and at a very small expense to the State, and to the incalculable benefit of the Colleges, and the cause of education in the country.

The details of such an arrangement could be easily arranged. To carry the palm at such an examination—to be declared the best scholar of all the Colleges in the State, is a distinction that

would stir Colleges, students, teachers and trustees, to the highest pitch of zeal, study and interest. In fact, it would touch every youth and every parent in the State.

By such a measure, the Legislature could test the fidelity of the Colleges, which should, and doubtless would, rejoice in an opportunity of showing their value and faithfulness as secular educators of the people.

But the religious part of education, is the part in which the Diocese is most deeply concerned. It is that from which the State is excluded. Education needed by boys in College, is, *Physical, Intellectual, Moral* and *Spiritual*.

The first is very slightly attended to in any of our Colleges. The second commands the utmost zeal of the teachers. The third shares a portion of their anxiety and efforts.

But the fourth, alike difficult and delicate, demands, what it seldom receives, the care, exercise, vigilance, guidance and instruction of a PASTOR IN THE CHURCH, disconnected with its police, and independent of the collisions between the Faculty and Students, a spiritual guide and counselor, to whom the students might go as to a parent.

Such an officer, it is hoped, may soon be connected with Hobart College, who shall, under the title of Chaplain, have charge of the religious services of the Chapel and the spiritual interests of the students. I pray God all their efforts to advance the value and influence of the College may succeed, and that it may become each year, more and more abundantly a fountain of strength and growth, in well educated Clergy and Laity, to the State and the Church.

The Senior Department of the Training School, has engaged my attention to a great extent during the past year.

It is designed for Candidates for Holy Orders that come from the Business World.

During my Episcopacy in this Diocese, there have been one hundred and sixty persons admitted as Candidates for Holy Orders. Of them, 22 have come as Licentiates, or Ministers from other Christian bodies around us; 64 from Colleges directly, and 64 from the BUSINESS WORLD. Of those that have come directly

from Colleges, 41 have come from Geneva, or Hobart College, about two a year. For the theological education of those that come directly from Colleges, provision is made in our existing Theological Seminaries. But for those who come from the Business World, no institution exists—no adequate provision is made for their instruction and preparation.

For the thorough, necessary and efficient *testing*, *training* and preparing of such Candidates, I am seeking to provide, and am calling upon the pious, intelligent and wealthy Laity, for the means. I have addressed two letters to the Diocese, which I place in note. I have been so far successful, as to authorize the commencement of this Senior Department of the Training School on the 1st of October next.

In cash, bonds, notes, and reliable promises of money, a Chapel and lot, I have secured about twenty thousand dollars, freely given to the object, with the understanding that the appointment of the teachers and officers is to be in the Standing Committee, or Board of Education, on the nomination of the Bishop of the Diocese; the Standing Committee representing the Convention. I have arranged the amounts CONTRIBUTED AND PROMISED under the names of the several Parishes in the Diocese, to which the contributors belonged.*

To avoid the expense of agencies, and the withdrawal of Clergymen as agents from their duties, I have made the object a matter of appeal from myself to the congregations at my visitations. I have explained and urged the subject in almost all parts of the Diocese at my public ministrations, but have as yet not entered fully on the work of personal application to individuals. This I purpose, God willing, to do, with a view to fill up the amount ($30,000) proposed to be raised. Many, I understand, are awaiting this personal application, and I feel convinced that, when there are in the Diocese many more than ten individuals, each of whom could give a thousand dollars; and more than ten Churches, each of which could raise a thousand dollars by ten men, each giving one hundred dollars, I shall not be disappointed in my appeal for the balance.

*See Appendix.

The Board of Education have organized; and have resolved that the Senior Department shall, D. V., be opened on the 1st of October next. They have appointed, on my nomination, the Rev. David H. Macurdy, of this Diocese, as, under the Bishop, Professor of Theology and Rector of the Department. This Reverend brother, of whose adaptedness to the position, none who know him will doubt, is now in Europe, but is expected to return about the 1st of October, WHEN, by divine permission, his able services, should he accept the post, will be given to such applicants for Candidateship, and such Candidates from the Business World, as present themselves; and he will take charge of the Chapel at Geneva. The Diocese will then have made suitable provision for the faithful preparation of both classes of Candidates who seek Ordination, to serve at the altars of the Church.

My labors, during the past year, and the interruptions of sundry kinds, have prevented the completion of a charge, which, if spared, I trust to present at the next Convention.

In the duties of the Convention, on which you now enter, I commend you all to the grace and guidance of the Holy Ghost. May God our Saviour bless, guide and sanctify all our deliberations, proceedings and measures to His honor and glory, to our good, and to the stability and extension of His Holy Church.

WILLIAM HEATHCOTE DELANCEY,

UTICA, August 15, 1860. *Bishop.*

Mr. Philo White gave notice of a proposed amendment to the Rules of Order for consideration to-morrow.

The hour designated by the XXIst Rule of Order having arrived, the House adjourned to 9 o'clock, on Thursday morning.

THURSDAY MORNING, August 16th, 1860.

The Convention met. Morning Prayer was read by the Rev. Walter Ayrault, assisted by the Rev. Maunsell Van Rensselaer, D. D., who read the Lessons, and the Rev. R. B. Claxton, D. D., who read the Creed and Collects; after which the Rt. Rev. the President took the Chair.

The minutes of yesterday's session were read, and, on motion, approved.

On calling the absent members, the following Clergy, not present yesterday, appeared and took their seats:

" Thomas L. Franklin,	

Also, the following Lay Deputies:

The Rt. Rev. the President presented invitations to the Convention from the Superintendent of the State Lunatic Asylum, also from Mr. and Mrs. J. Watson Williams.

On motion of the Rev. Dr. Beach,

Resolved, That so much of the Bishop's Address as relates to certain matters referred by the late General Convention to the Dioceses, be referred to a committee of three, to report on the same—and what action if any is required—to the next Convention.

The Chair appointed the Rev. Drs. Beach and Shelton, and Mr. Washington Hunt, to constitute that Committee.

On motion of Mr. Philo White,

Resolved, That a Select Committee of three be appointed, to inquire into the expediency of so revising the Vth and XVIIIth Rules of Order of this Convention, as to adapt them more nearly to the provisions of the new Canon, adopted at the last year's session of this Body, for the more efficient management of the "Christmas Fund for Disabled Clergymen."

Reports from Standing Committees were then called for in the order named in the VIth Rule of Order.

The Rev. Dr. Shelton, in behalf of the Standing Committee on the Admission of Churches into Union with this Convention, reported that no applications had been referred to them.

Mr. Alfred Ely, in behalf of the Standing Committee on the Accounts of the Treasurer of the Christmas Fund for Disabled Clergymen, presented the following

REPORT:

The Standing Committee on the Accounts of the Treasurer of the Christmas Fund for Disabled Clergymen, beg leave to report: That they have examined the Accounts of the Treasurer for the year ending August 10, 1860, together with the vouchers produced, and find them correct.

The receipts of the Treasurer have been as follows:

Balance on hand, August 1, 1859,	$5,242 30
Interest on loans to date,	380 00
Contributions from 95 Parishes and other sources,	1,637 39
Total,	$7,259 69

Disbursements.

Amount paid five Clergymen, $200 each,	$1,000 00	
Paid for Book of Record, and postages to date,	1 31	
		1,001 31
Leaving a balance in the hands of the Treasurer, on Aug. 10, 1860, of		$6,258 38

The Committee submit herewith the report of Edgar H. Hurd, Esq., who, by a resolution of a previous Convention of the Diocese, was appointed by the Rt. Rev. the Bishop, a Committee "to examine into the accounts of the Treasurer of the said Christmas Fund, and the character of the securities upon which it was loaned." By it, and likewise by the Report of the Trustees, having the charge of investing this Fund, herewith also submitted, it appears, to the gratification of your Committee, that these moneys are now properly secured by bonds and mortgages on unincumbered real property, and made in strict conformity to section 4 of a Canon, adopted by this body at its last annual Convention.

The Committee take pleasure in stating to the Convention, that this Fund is steadily upon the increase—that its income from the different Churches in the Diocese, including interest upon the moneys invested, since our last annual report, exceeds the sum donated to Disabled Clergymen by $1,017 39; and they look forward to no distant period, when its revenue will be sufficient to justify an increased liberality to those for whose benefit it was established, and who so much deserve our sympathy and support in their declining years.

Respectfully submitted,

ALFRED ELY,
W. T. ROGERS,
W. H. WALKER.

GENEVA, Aug. 10, 1860.

Rt. Rev, W. H. DELANCEY, *Bishop, &c.:*

DEAR SIR—I have examined the accounts of S. H. Ver Planck, Esq., Treasurer of the Christmas Fund for Disabled Clergymen, in pursuance of your appointment, and find that the whole amount of said Fund in his hands, is now $6,258 38, invested as follows:

1.	Cash in Bank of Geneva,.....	$ 258	38
2.	George W. Van Anken's Bond, with mortgage on 182 acres of land, bearing interest July 1, 1860,.....	3,500	00
3.	W. T. & E. Smith, Bond, with mortgage on 33¼ acres. Int. paid to July 1, 1860,.....	1,500	00
4.	Horace Gerould, Bond, secured by mortgage on 105 acres of land in Ontario county, the first lien,.....	1,000	00
			$6,258 38

From the certificates of title and appraisals accompanying these Mortgages, it appears that they are the first liens on the lands described in them, respectively, and that the amounts are safely invested.

All of which is respectfully submitted,

Mr. A. P. Grant, in behalf of the Standing Committee on the Report of the Trustees of the Fund for the Support of the Episcopate, made the following

REPORT:

The Committee on the Report of the Trustees of the Fund for the Support of the Episcopate, respectfully report:

The Fund amounts nominally to the sum of $50.158 08, being an increase of $149,17 over the amount of the Fund at the date of the last year's report. It is made up of the following items:

Bonds and Mortgages,	$45,685 00	
Rail Road Bonds	2,400 00	
Pledges of Vestries,	1,000 00	
Notes unpaid,	1,035 00	
Cash not invested,	38 08	
		$50,158 08

The amount of cash on hand, at the date of the last report, (August 10, 1859,) was $4,732 13, all of which has been invested on bonds and mortgages, excepting $38,08, which is in the hands of the Trustees.

The Trustees have collected of principal on mortgages which they have satisfied, and on notes discharged, since the last annual report, the sum of $10,758 95, and have invested the same in bonds and mortgages. The amount now invested in this kind of security, is an excess over the sum stated in the last report of $5,550.

We possess no knowledge of the validity of these securities, except what is derived from the reports submitted to our examination, from which it appears that

[illegible] bonds and mortgages amounting to $45,655, and paying interest semi-annually are good, safe and reliable investments.

The balance of the securities constituting the Fund, and amounting to $4,435, are of a more doubtful and uncertain nature, some of which have already failed to furnish any income.

The revenue from the entire Fund, during the past year, amounts to $3,633 69, which amount has been paid to the Treasurer, as appears by his receipt annexed to the Treasurer's report. This sum exceeds the amount of the interest upon the entire Fund, but a claim of arrearages has due.

The Committee take pleasure in expressing their opinion that the Fund is well managed, and the accounts are kept simple and satisfactory.

All of which is respectfully submitted.

To the Convention of the Diocese of the Diocese of W. N. Y.:

The Trustees for the care and management of the Fund for the Support of the Episcopate of the Diocese of Western New York, respectfully report:

That during the past year they have received for payments on account of the principal of the Fund, mortgages satisfied, and notes discharged, the sum of $10,106 78
Contributions to increase the Fund 49 17
Cash on hand, as per last report 4,132 13

Making the sum of receipts, to $15,488 08

amounting to Schedule A* hereto annexed.

Israel T. Hatch's note for $1,000 has also been received, for the increase of the Fund.

The sum of $11,450 has been invested on bonds and mortgages during the year, leaving cash on hand $38 08, as stated in Schedule A.

The statement A appended to this Report, is an account of the Receipts and Disbursements of the income of the Fund during the year.

The net income of the Fund, including arrearages, amounting to $3,633 69, has been paid to the Treasurer, as appears by his receipt hereto annexed.

The principal of the Fund consists of the following items:

Bonds and Mortgages	$45,655 00
Real Estate Bonds &c.	2,400 00
Pledges of Trustees	1,000 00
Notes unpaid, to increase the Fund	1,035 00
Cash on hand	38 08
	$50,158 08

As appears in detail in Schedule A.

Respectfully submitted.

* The Schedules referred to in this Report, are on file with the Report, among the papers of the Standing Committee of this Diocese.

To the Convention of the Diocese of Western New York:

The undersigned, appointed by the Bishop a Committee to examine the books and securities of the Trustees of the Fund for the Support of the Episcopate, respectfully reports:

That he has examined, with considerable care, the books and securities in the hands of Thomas Hopper, Esq., one of the Trustees, and finds that this Fund, at the present time, consists of $50,158 08, of which the sum of $45,685 is invested in 39 parcels, in bonds and mortgages on real estate. All these securities, except two, I have seen, and examined as far as the circumstances of the case would admit. I feel satisfied that they are all good and valid. The two securities which I have not seen, are as follows: The mortgage of William Guile, dated May 19, 1858, for the sum of $1,000, is not with the Trustees, but they have a certificate of the Clerk of Fulton county, that such a mortgage is in his office for record. Also, the mortgage of George J. Smith, for the sum of $500, I did not see. I am informed that it is in the hands of a Mr. Yost, and that it will soon be paid in full.

These securities, consisting of $45,685, all bear interest of seven per cent. per annum, payable on the first days of May and November of each year.

The other securities of this Fund, $4,435, consisting of Rail Road Bonds, Pledges, sundry Notes, &c., are of a more doubtful nature: some of which fail to produce any income. This is, however, no fault of the Trustees, but is owing to the nature of the securities themselves, as at first donated to this Fund.

The increase, during the past year, of this Fund, it will be seen by reference to the report of the Trustees, was $3,633 69, including some arrearages of former years.

It is due to the Trustees to say, that the various accounts, as kept by Mr. Hopper, in connection with this Fund, are very satisfactory. They are simple, and at the same time systematic and reliable.

All of which is respectfully submitted,

Utica, August 15, 1860. GEO. R. PERKINS.

Mr. Ward Hunt having declined to serve as Trustee, (see Journal of 1859, page 68,) Mr. George R. Perkins was, on motion, appointed in his place.

Rev. Ferdinand Rogers, in behalf of the Standing Committee on Unfinished Business, presented the following

REPORT:

The Standing Committee on Unfinished Business respectfully report: That they find that the Special Committee on the Manuscript Sermons of deceased Clergymen was continued, as will be seen by reference to page 68 of the Journal. And on the 69th page, the Committee on the Training School was continued.

Respectfully submitted,

FERDINAND ROGERS,
D. C. CALVIN,
J. OSBORN,
Committee.

The Committee on Manuscript Sermons was, on motion, continued.

On motion of the Rev. Charles W. Hayes, it was referred to the Committee on Unfinished Business to inquire if the Canon, reported on page 67 of the last Journal, is still before the House.

The Rev. Ferdinand Rogers, in behalf of said Committee, reported that there was no record of the passage of such Canon.

After discussion, the subject was, on motion, laid upon the table.

The Rev. W. T. Gibson, on behalf of a Committee of the Alumni of Hobart College, Geneva, presented the following Memorial:

To the Convention of the Diocese of Western New York:

The undersigned, a Committee of the Alumni of Hobart College, appointed at their annual meeting in June last, to memorialize the Convention in behalf of the College, *beg leave to represent*, that there is an effort now being made for its further endowment.

And they respectfully ask, through the Convention, the aid and co-operation of the Church in this Diocese to secure the success of that effort.

The circumstances under which the interposition of the Convention, and the aid of the Church, are invited, are briefly these:

1. Hobart College is the only Church College in the Diocese and in the State.

2. Its permanency as such, and its efficiency up to a certain point, are no longer problematic. And therefore every dollar given, and every influence exerted, in behalf of the Institution, will tell upon its extending and expanding usefulness to the Church.

3. The great want of the Church among us is for Clergy. As a source for the supply of such men as the Church demands, the College stands first and foremost.

4. The proposed endowment has in it the new, and in this connection, the needed feature of a Chaplaincy—a Professorship whose duties lie outside the sphere of other Professorships, and which concern the development and culture of the religious character strictly.

Its incumbent will be the College Preacher and the College Pastor. With an officer whose duties confine him to the religious interests of the Students, it is a most reasonable expectation, that the supply of Candidates for Orders from the graduating classes, will be steady and increasing. We may add, respecting this part of the proposed endowment, that it is not merely proposed. It is promised and pledged so that if *any thing* is done this will be done, and the building will also be erected, which the duties of this Professorship require. It can easily be seen, however, that its success will depend upon the expansion of the College through all its departments. And, therefore, is the aid of the Church invoked.

It would not become your memorialists to suggest what the Convention should recommend. We know that whatever is recommended by the Convention, will have to be *done* by the Clergy and Laity of the Diocese, in their parochial or individual capacity. We content ourselves with this brief statement of the condition of the College, and its relations to the Church, in the exigency which, by a common consent, is the *greatest* that now besets her.

A. SCHUYLER,
W. T. GIBSON,
H. A. NEELY,
CHARLES W. HAYES,
W. A. MATSON,
C. HUSON, JR.

Whereupon, on motion of Mr. J. H. Martindale, the following preamble and resolutions were adopted:

Whereas, The Bishop in his Address, has called the attention of the Convention to the great value of Hobart College, as an institution of the Church, and urged the completion of the proposed endowment; and whereas, the Convention has been memorialized on behalf of the aforesaid Institution, by a Committee of its *Alumni;* therefore,

1. *Resolved*, That this Convention recognizes the great importance of Hobart College to the best interests of the Church, and that it earnestly commends the present effort to increase its endowment, to the hearty coöperation of the Clergy and Laity of the Diocese.

2. *Resolved*, That the Churchmen of the Diocese be requested to give to Hobart College, their influence and their patronage, in the education of their sons; and in every practicable way, to aid in enlarging and building it up.

Pending the discussion of the resolutions, the hour having arrived for the order of the day, (see Rules of Order, § XVIII,) the order was, on motion, temporarily suspended.

The House then proceeded to the election of the Standing Committee of the Diocese, and the Deputies to the General Convention, by one ballot, as directed by Section 2 of Canon XII, the Rev. G. M. Hills and W. B. Douglas being appointed by the Rt. Rev. the President, to receive, as tellers, the votes of the Clergy, and the Rev. W. Ayrault and Benjamin Pringle, to receive the votes of the Laity.

The House then proceeded to the election of a Treasurer of the Christmas Fund for Disabled Clergymen, and a Treasurer of the Convention. A vote by ballot being, in both cases, dispensed with,

S. H. Ver Planck, Esq.,

was unanimously elected Treasurer of the Christmas Fund for Disabled Clergymen; and

Fletcher Williams, Esq.,

was unanimously elected Treasurer of the Convention.

The Bishop, in behalf of the Committee on the subject of a Diocesan Training School, made the following

REPORT:

The Committee on collections for the Training School, report: That the Bishop, as Chairman of the Committee, has addressed the following Letter to the Clergy and Laity on the subject of endowment of the Senior Department of the Training School, which letter accompanies the Report,* and that he has made appeals in its behalf in the Churches, in the course of his visitations. The cash, bonds, notes, promises and pledges, with the Chapel and lot at Geneva, amounting to about $20,200 have been secured.

The Trustees for the management of the fund, it is expedient and proper, should reside where the interest of the fund is to be disbursed, and the gentlemen named as Trustees in 1857, having on application and consultation, declined to act, new Trustees must be appointed. The Committee suggest the names of William B. Douglas, Edgar H. Hurd, and Samuel H. Ver Planck, of Geneva, as suitable Trustees, to whom the cash, bonds, notes and pledges may be at once transferred.

As the endowment is not complete, the Committee ask to be continued. The Rev. Dr. Ashley having removed from the Diocese, they also ask that his place be supplied.

Respectfully submitted,

August 16, 1860. WILLIAM H. DeLANCEY, *Chairman.*

Whereupon, on motion,

Resolved, That the Committee on the Training School be continued, and that they report at the next Convention.

Resolved, That William B. Douglas, Edgar H. Hurd, and Samuel H. Ver Planck, of Geneva, be appointed Lay Trustees of the Training School.

Resolved, That the Rev. George Morgan Hills be one of the Committee, in place of the Rev. Dr. Ashley.

The resolutions were, on motion, adopted.

The Bishop, on behalf of the Education and Missionary Board, made the following

REPORT:

The Education and Missionary Board present their Annual Report:

The Board has had 57 Missionaries in its employ during the year. 33 for the whole year, and the rest for less than a year.

The Annual Reports present the result of their labors.

The present number is 48.

Four Beneficiaries have received aid from the Education Fund.

The Permanent Missionary Fund has yielded in interest $743 09.

It amounts to $11,356.

The Kentucky Bonds have been paid off to the amount of $5,000. Of this sum there has been invested in bond and mortgage $3,000, and $2,000, in a note of Joseph Fellows, is awaiting reinvestment in bond and mortgage.

The Board has received notice of bequest of the late Mrs. Silas D. Mumford, of Grace Church, Rochester, to this Fund of the sum of $5,000, which will be paid on the 23d of April next. A proposition to pay it in part, with a deduction of

---

* See Bishop's Address, page 36.

interest to that date, the Board did not accede to, as they had no immediate opportunity of investment, and a loss of interest would have accrued.

The Report of the Committee to examine the accounts and securities, as presented by the Trustee of the Fund, is herewith presented.

The Trustee of the Van Wagenen Missionary Fund, for Chenango county, Joseph Juliand, Esq., reports that Fund to amount to $2,000, and that the interest has been paid to the Rectors of the Churches in that county for Missionary labors.

The whole sum appropriated to our Diocesan Missions, is $5,575 52, and actually paid $5,401 45.

To Educational purposes, in aid of Candidates for Holy Orders, $375, and actually paid is $268 05.

Four of our Missionaries have been called to other Dioceses; and *five* new laborers have been received into the Missionary Stations.

Fifteen of our Missionary Stations are unsupplied, or held under temporary arrangements for services.

All our engagements to the Missionaries have been punctually fulfilled at the end of each quarter.

If all the Parishes, small and great, shall make the monthly collections faithfully, the uniform and steady flow of liberal collections will secure the unfailing support of our Missionary establishment, and the Board most earnestly urge attention to this point on the Clergy and flocks throughout the Diocese.

Respectfully submitted, by order of the Board,

WILLIAM H. DELANCEY, *Chairman.*

I hereby certify, that by the request of the Rt. Rev. William H. DeLancey, I have compared the foregoing statement with the Securities in the hands of the Trustee, Wm. Young, Esq., and find them all to correspond with the said statement, except that the bond of Joseph Fellows Esq., for $655 is paid off, and the amount thereof, being $659 84, is deposited in the Rochester City Bank to the credit of said Trustee, and the Bank Certificate thereof is exhibited to me.

HENRY BROTHER.

Dated BATH, Steuben co., Aug. 10, 1860.

To the Rt. Rev. WILLIAM H. DELANCEY, *Chairman of the Education and Missionary Board of the Diocese of W. N. Y.:*

The undersigned, Trustee of the Van Wagenen Missionary Fund, for the county of Chenango, would respectfully report: That the amount of said Fund, at the date of the last Annual Report, as will appear on page 72 of the Journal of the

Convention for 1859, was $2,000. The interest for the current Conventional year, amounting to $140, has been paid over to six Rectors of Churches in said county, for Missionary services, agreeable to the resolution of the Board. Present amount of said Fund $2,000.

All of which is respectfully submitted,

GREENE, August 1, 1860.

The Bishop having presented to the Convention the resignation of William Young, as Trustee of the Permanent Missionary Fund,

On motion,

The resignation was accepted, and Mr. Edgar H. Hurd, of Geneva, was appointed the Trustee of the said Fund.

Mr. Philo White, on behalf of the Committee appointed in reference to the amendments to the Rules of Order, made the following

REPORT:

The Committee to whom was referred the resolution for inquiring into the expediency of revising the Vth and XVIIIth Rules of Order of this Convention, beg leave to report:

That, by the action of the Convention, from time to time, subsequent to the adoption of the Rules of Order, the Vth Rule seems to have been rendered inappropriate and superfluous; and the Committee would recommend that this Rule be rescinded. They would further recommend, that Rule XVIIIth be ameded by adding the following, to come in immediately after the words "Disabled Clergymen," viz: "*as, also, for the election of a Treasurer of the Convention, and a Treasurer of the Christmas Fund for Disabled Clergymen,*"—in case of a vacancy—so that this Rule may read thus:

XVIII. The election of the Standing Committee, and of Deputies to the General Convention, and the election of any person to supply a vacancy in the Board of Trustees of the Fund for the support of the Episcopate, or in the Board of Trustees of the Christmas Fund for Disabled Clergymen,—as, also, for the election of a Treasurer of the Convention, and a Treasurer of the Christmas Fund for Disabled Clergymen,—shall be the order of the day for 12 o'clock, on the second day of every annual meeting of the Convention.

PHILO WHITE,
M. VAN RENSSELAER,
J. H. MARTINDALE,

The Bishop, in behalf of the Trustees of De Veaux College, made the following

REPORT:

To the Convention of the Protestant Episcopal Church of the Diocese of Western New York:

The Trustees of the De Veaux College for orphan and destitute children, in pursuance of the terms of their Act of Incorporation, respectfully submit their Annual Report:

The College has continued in successful operation during the past year. The

course of training and instruction is the same as presented in former reports, varied only by the advancement of the pupils.

Thirty-two orphan and destitute boys were trained, instructed and supported by it during the year. In December last, one of the boys, by improper conduct caused a report to the benefit of the Institution, and his connection with it was judicially determined. His place was immediately supplied.

The Funds of the Institution amount to $142,382 98 of principal, yielding income, and real estate estimated at $22,500, exclusive of the domain.

The Domain consists of three hundred and thirty acres, on which the College buildings have been erected.

The income received during the year was $11,883 42, and the expenditures during the same time, were $11,177 42, in supporting the Institution, improving the condition of the buildings, and in repairs and improvements to the College grounds, being $10,327 79 for its support, $1,303 06 for repairs.

The Rev William C. Jarvis, Alexander Miller, Esq., and James M. Smith, Esq., have been appointed Trustees, in the manner provided by the Charter, to supply the places of Josiah A. Bartlett, deceased, and Horatio Seymour and Rev. Joseph H. Clarke, resigned.

The Rev. L. S. Stevens has resigned as Professor. His place has not been supplied but by temporary services of a teacher.

All which is respectfully submitted.

W. H. DeLANCEY, Chairman.

Rufus Pond, Secretary.

Niagara, August 2, 1860.

Resolved, That 2,000 copies of the Journal of the Convention be printed and distributed, as usual, under the direction of the Secretary.

Resolved, That the Secretary be authorized to prepay the postage on those copies of the Journal directed by Canon to be transmitted by mail.

Resolved, That the thanks of this Convention be presented to the congregations of Grace, Trinity and Calvary Churches, and the citizens of Utica, for the hospitality so generously extended to its members during the present session, and that the Rev. the Rectors of said Churches, be requested to give publicity to this resolution in such a way as they may deem expedient.

Resolved, That the thanks of this House be presented to the Rev. William A. Matson, the Secretary, and his Assistant, the Rev. Charles W. Hayes, for their services at this session of the Convention.

On motion,

Resolved, That the Secretary of the Convention be directed to insert in the Journal, immediately after the List of the Clergy of the Diocese, (distinguishing those which have Church Edifices,) a correct list of all the organized Parishes in the Diocese, and that the Secretary with the Bishop, be a Committee to prepare said list.

The Clergy having been called upon for their Parochial Reports, as required by Canon XII. of the General Convention of 1853, the reading of the same was, on motion, dispensed with.

The Tellers being called upon for their report, on counting the ballots, after the votings, it appeared that the following persons had received a majority of all the votes given, and were therefore declared duly elected:

STANDING COMMITTEE.

Rev. Wm. H. A. Bissell, D. D.,	Mr. David S. Hall,
" Kendrick Metcalf, D. D.,	" William C. Pierrepont,

The extra Parochial collections are less than usual, because of the payment of some Parish debts contracted several years ago. The $300 for Domestic and Foreign Missions, were presented by a Communicant of the Parish, in compliance with the wish of a deceased mother.

The above list of communicants is accurate. The number returned in 1857, should have been 48. During the year, four have been transferred to the neighboring Parish of Philipsville. The signs of prosperity in the Parish are encouraging. The Lenten Services were attended by 1100 persons, against 700 last year. At a convocation of the Clergy, held in November, many were confirmed in the Catholic principles of the Prayer Book, and awakened to increased earnestness.

During the year, a beautiful Gothic Church has been erected in the Parish. It is nearly ready for consecration. The Holy Communion has not been administered, as we expect so soon to occupy the new Church. The services in the School House have been well attended, and much interest has been manifested by the village in general in the establishment of the Church.

This is an important Parish, only a little over one year in existence, and needs attention. My health being unequal to the care of both Wellsville and Cuba Parishes, in connection with the regular services at Scio, I resigned my charge July 1st. There are now regular Lay services on alternate Sundays, by Mr. David S. L. Johnson, a Candidate for Holy Orders.

Some of those baptized, confirmed and admitted to Communion, were members of the Seminary, and not residents in the Parish. This accounts for the small offerings to objects both at home and abroad. We hope, with the Divine blessing, the little Church may one day prove to be as valuable an auxiliary to the Seminary, as that has been to the Parish.

During the past year, I have held Divine service and preached at Bethany, once every Lord's Day. The services have been well sustained at all times. Our

Scriptural Liturgy is, day by day, taking a firmer hold on the affections of those who, for long, long years, have been wandering in strange pastures. It is confidently hoped, that before the close of another year, a Church Edifice will be erected in this place.

This report is not accurate, the present Rector having entered on his charge in November—and all former records having been lost by fire. I have been able simply to give a third service on Sunday, after full duty elsewhere; and to visit only as imperatively necessary. Could the Parish secure the full services of a Clergyman, I doubt not it would grow rapidly.

I resigned recently in June, after a Rectorship lasting from one to two years. During this time, a lot has been given for a Parsonage, and the Church Edifice has been much improved. Nearly $70 were raised in 5 months, by weekly dime collections, obtained by private application, without neglecting other objects. Some Churchmen in Watertown, also, aided us. This Parish has now a good Church building, with Organ and Bell, and a Parsonage lot, and is out of debt.

St. Peter's Church, Dansville; the Rev. V. SPALDING, Rector.

Having been in charge of this Parish only two weeks, and not having as yet administered the Holy Communion in it, I have very little to report. The state of the Parish will be best known from the report of my predecessor, as no important changes have taken place since he left it—so I am informed.

I have preached 6 times, baptized 1 infant, and buried 1 child.

The Church appears to be *stable* and *vigorous*, and shows indications of having been carefully and skilfully instructed.

The Rev. Mr. Gardner left us the Sunday before Easter. I have conlinued my services as usual for the year past; that is, half the time at this place, and half at Mills' Mills, in Hume, Allegany county. The congregation has not varied materially at this latter station from the former year. But there has evidently been a growing attachment in the minds of several, before unacquainted with the Church, to her service. A fire occurred there a few weeks since, destroying the Factory and its contents, owned by the principal supporters of the services there, leaving them so impoverished that they will not be able to contribute much, if anything, for services for some time to come.

A Bible Class met weekly from Advent to Trinity Sunday. At the meetings of the Sunday School, the Rector examines or addresses the children. The Parish School has increased in numbers, and, in the summer, united with the Sunday School in a short excursion. The number of our Church members and parishioners is kept low, by their frequent removal, chiefly to places further West; yet we hope, that on the whole, the state of the Parish is improving.

The above report extends to July 1st. 1860, at which time, on account of serious and long protracted illness in my family, I resigned the Rectorship of the Parish, and removed to the Diocese of Massachusetts. I am thankful to be able to report the Parish as prosperous, and increasing both in numbers and spirituality.

A large number was added to the communion of the Church from the Sunday School. Eleven of the class of fourteen, confirmed in February last, and six of the class of seven, prepared since then for that apostolic rite, and now awaiting the Episcopal visit for its reception, were members of the Sunday School.

Proceeds of collections have hitherto, from necessity, been devoted to Parochial and Sunday School purposes. We have had to pay a large rent for the room in which the services have been held.

Since my last report, a substantial and handsome brick Church has been built at a cost of $4,800. Of this amount, about $1,000 has yet to be raised. The Parish is in a healthy and flourishing condition, and with God's blessing upon efforts constantly making, will soon be out of debt. Great credit is due to the Ladies' Society, and to the Building Committee, for the energy and perseverance they have manifested.

Since my last report, a neat and substantial Church has been built of wood, at a cost of about $2,000. The Church is free from debt, and has been consecrated. A good bell has been recently presented by a friend of the Parish in New York.

The proceeds of collections have hitherto, from necessity, been devoted to Parochial and Sunday School purposes.

The Offerings for Foreign Missions, $3, and for the Diocesan Training School, $71,50, not having been forwarded during the Conventional year, will be included in next year's report. The ladies of the Parish have completed a box of clothing for Nashotah.

Of the 53 Families reported, 18, mostly residing at a distance, but rarely attend Church; 23 do not contribute to the support of the Parish: and in 25, neither of the Heads are communicants. The real strength of the Parish is, therefore, much less than would appear from the above aggregate of those who look to the Rector for pastoral care.

Of the 62 Communicants, 57 have received the Holy Communion from the present Rector, and 51 during the past year. Six of the eight confirmed, are admitted to Communion in the present month, and are not, therefore, included in the above number.

While there is much that is encouraging in the present condition of the Parish, it has suffered greatly during the past year, from removals and deaths. The Sunday School has lost nearly one-half from the former cause. The two communicants deceased were the oldest on the list; very different in station, but alike in the bright example of a holy life. One, Moses T. Eggleston, for many years Senior Warden of the Parish, was also its most devoted and most useful member. The other, Stephen Brewster, though long disabled by age and sickness even from attendance at Church, remained to the last a faithful and consistent Christian, in the congregation with which he had been identified from its first beginning in 1824.

Services were intermitted from April 15th to May 20th, during the preparations for occupying the new Church. The Sunday School was suspended some two months, for the same reason. The subscription for the completion of the new Church, last Fall, amounted to upwards of $12,000; most of which has been paid in, and all of which will be due by the 1st of November next. A loan of $10,000 was also obtained toward the same purpose, which remains as a debt on the Parish.

The better part of the Parish work, represented by the above statistics, has been performed, during the illness and absence of the Rector, by the Rev. Mr. Gibson, who has devoted himself to his labors with zeal and success. The chief event of the year has been the completion of the new Church Edifice, so far as to admit of its occupancy for public worship, which was first celebrated therein on the Sunday after Ascension Day. This noble structure, reflecting equal credit upon the skill of the architect, Mr. Upjohn, and upon the liberality of the congregation has thus far, including its site, cost in the neighborhood of $70,000, ten thousand dollars of which, increased by a further contribution of $5,000 from his family, was the gift of the late Alfred Munson, Esq. The only drawback to our entire satisfaction is, a debt of $10,000, preventing the Church from consecration, which it is devoutly to be hoped may at no distant day be altogether removed. An appropriate Chapel, just ready for use, has also been erected at a cost of about $4,500. With the possession of the new Church, the congregation has very considerably enlarged, and the prospects for growth and stability of the Parish, were never more flattering than at present. May God, who has guided us safely through many perplexities and discouragements, add his blessing to our manifold privileges, and inspire us with appropriate feelings of responsibility and zeal in his service. The Rector would here desire to express his grateful acknowledgments to his beloved people, for many proofs of consideration and sympathy throughout his personal trials.

The system of combined services, observed by the Churches of Utica, during Lent, involved each in double the number of services "*on other days*" here indicated. The collection for Nashotah, though made in Trinity Church, and forwarded by its Rector, was the result of an appeal by Bishop Kemper to the Churches of Utica. I am happy to report that the collection for *Diocesan Missions* this year, is nearly double that of the last. The amount reported for Mr. Breck's Mission, was contributed by the Sunday School, and is more than a third larger than it was last year. During the year, the Vestry have erected a mural tablet in the Church, in memory of their late Rector, the Rev. Dr. Proal. I have also to report, that a commodious Rectory is now in progress of construction, at an expense of about $3,000.

I also gave a third service each Sunday, until Easter, in the vacant Parish at Jamesville.

I took charge of this Parish, March 11, 1860, having previously, for several months, officiated as Lay-Reader. The deficiency in collections and services is owing to the vacancy of the Rectorship. The sum of $2,000 has been subscribed for the alteration of the Church Edifice. Of this amount, $1,200 were contributed by the Vestry. Workmen have been engaged for several weeks in the improvement, which includes a porch; buttresses; twelve stained glass windows, with symbols: recess chancel, with stained glass window of three lights; alteration of spire, roof, pews, &c., &c. An earnest and hopeful spirit animates the congregation. A small class awaits confirmation. We anticipate with eagerness the consecration of our Church building, and hope, God willing, another year to report an improved account of spiritual progress.

It will be perceived from this exhibit of the contributions of the Parish during the past year, that they have been applied for the most part to the debt of the Church. Less than $200 has been given to exterior objects—a sum smaller than for many years before. Taking into consideration, however, the pressure of the last three years, upon this city, and especially this Parish, it is a matter of congratulation that we have raised during the past conventional year such a sum as $2,000 for any purpose. It is hoped that the coming year will witness such an improvement in our pecuniary condition as to allow of something like regard, if not liberality, towards the Missionary and other enterprises of the Church at large.

In spiritual things, during these three years of temporal adversity, the Parish may be said to have prospered, if increased congregations and an increasing communion be tests of spiritual growth. The number of pews rented and occupied was never so great as now. The number of communicants in 1857 was 155; in 1858, 189; in 1859, 200, and now 212.

A social Prayer Meeting is held every Saturday evening in the Chapel. A Singing School of the Sunday School children is held every Sunday afternoon, which is largely attended. There have been collections made for other objects, but as no record was made in consequence of the vacancy in the Rectorship, I am unable to state them. The other statistics as to the families in the Parish, &c., &c., are about as in the last report.

St. Luke's Church, West Granby; the Rev. L. D. FERGUSON, Missionary.

Congregation...Families 25, (adults 50, children 20,) total number of individuals 70; baptisms...infant 1; communicants...admitted 1, present number 10; public services...on Sundays 20; the Holy Communion administered once.

After a year and a half spent in almost fruitless efforts in behalf of this Parish, I am convinced that it cannot be resuscitated by occasional, or even weekly services. It needs, and I think should have, the entire service of a clergyman, living and moving among the people. They will make an effort to support an unmarried Minister, if such can be sent them. My services will not be continued after September.

SCHUYLER COUNTY.

St. John's Church, Catharine; the Rev. EDWARD KENNEDY, Rector.

Congregation...Families 44, (adults 103, children 46,) total number of individuals 149; baptisms...adults 2, infants 2, total 4; confirmed 5; communicants...present number about 50; burials 4; Sunday school 1, teachers, (male 2, female 3,) total 5; pupils, (male 15, female 23,) total 38.

This is the imperfect report of Rev. L. Gregory, late Rector. The present Rector took charge in June of this year. He finds himself unable, from statistics at hand, to make any report of the finances of the Parish. St. John's Church, Catharine, is in good condition. Founded in the year 1810, its first house of worship (now disused) was consecrated by Bishop Hobart. Unlike so many small, rural Parishes of the Diocese, it has held its own, increasing slowly. The tide of emigration has not depopulated it. Its people are of the old Connecticut stock of Churchmen, and they have adhered to the faith of their fathers. Of the families above reported, all are farmers. Every member of the Vestry is a communicant.

The Church Edifice has been materially enlarged and embellished during the past year, by the addition of more than half the number of the original pews, and a Recess Chancel, with a stained-glass window, appropriate to the character of the building. In order to accomplish this, the Church Services were suspended for three months. With this and a trifling other exception, they have been held twice on each Sunday, and once on each of the other Festivals and Fasts.

The Parish is gradually progressing, and would, doubtless, do so more rapidly, were the health of the Rector commensurate with the zeal and liberality of his Parishioners. A stated Service has been held for some time at East Cayuga, under most encouraging prospects. Much interest was there manifested in its continuance, and should it please God "that I may recover my strength before I go hence and be no more seen," I hope to resume the labor there, which I doubt not will be amply rewarded.

The Rev. Mr. Van Antwerp, our late Rector, resigned and left our Parish on 1st of June last, therefore our report is rather imperfect in the financial matters; otherwise correct. Since the last report, our Congregation, with some aid from a few of our Church friends abroad, have completed, finished and furnished a nice Church. A pair of chandeliers has been presented to us by the Vestry of Trinity Church, Geneva, through the Bishop. We have also a Rectory, a very convenient and respectable dwelling house, nearly adjoining the Church Edifice, which was a donation with the lot upon which the Church stands. The Church has cost about $4,000, and is 30 by 58 feet square, with Chancel 11 by 16 feet; Vestry Room and Tower on either side of the Chancel; under the Tower a Parish and Sunday

Fifteen hundred dollars have been expended this year for Church repairs and improvements. Eighty sittings have been added below, and fifty in the gallery. As the lot will not admit of enlargement, and we have to reject many applications for sittings, we greatly need a new Church; and towards this object a subscription was commenced, and about $6,000 pledged, of which $2,500 was by one subscriber.

The Rector has held five services at Pultneyville, administering the Holy Communion once; one service at Clifton, Farmington, Sodus Village, and Sodus Point —in all, nine services.

Missionary Station, Pultneyville and Williamson, (St. John's Chapel.) Reported by the Rev. G. D. Gillespie.

The Rector of Zion Church, Paimyra, has held five services at Pultneyville, and administered the Holy Communion once. The Bishop has also held one service. Collected for Traveling Expenses, $11 90. There are a few families in this village who have more or less interest in the Church, and five communicants. Services are held in a Union House of Worship.

At Williamson, only one service has been held, (the Episcopal Visitation.) Communicants, 5. A few years since the Ridge Chapel, two miles east of the village, was purchased by an individual for the services of the Church. No organization exists here or at Pultneyville.

At present, there is no prospect of gathering Congregations at either of these places. A Missionary at Sodus could easily extend his care over both villages. The undersigned proposes to continue to render such services at Pultneyville as his duties will allow.

I took charge of this Parish, in connection with the Doolittle Institute, in April last. The number of families, and of individuals, I am not able to give with accuracy at this time. It is proper here to mention that the Church, and especially this Parish, is under great obligations to Ormus Doolittle, Esq., who, at an expense of $12,000, has erected for educational purposes three spacious edifices. He has also placed them under the control of the Parish Rector, hoping thereby to further the interests, not only of education, but of religion. May he who has so generously labored for society and the Church, not lose his reward.

Although restricted to one service on Sunday, the Parish exhibits in every outward respect, signs of growth. In its Sunday School; in its list of Communicants; in the increasing number of its Congregation on the Lord's day. So fair is the beauty, and so strong is the vigor of its growth, that even the prejudice of years—blind and bigoted—has been overcome. For the past, we have reason to "thank God"—for the future, to "take courage."

The burning of my house in October last, made it necessary for me to resign the Parish at Adams, and in December I took the temporary charge of this Parish, and the Missionary Station at Branchport, which had become vacant by the resignation and removal of the Rev. John Long. Enfeebled by the frequent removal of its Rectors, as well as of the members of its Communion and Congregation—with a debt of $900 on its Rectory—professing to be scarcely able to raise $200 to pay that indebtedness—as a matter of necessity, the Minister in charge was compelled to solicit the aid of Christian brethren, beyond the bounds of his Parish. Having thus obtained $300, the Parish giving $200 in addition, the remaining $400 were given by two gentlemen formerly connected with this Parish, but now belonging to St. Luke's Church, Branchport. Thus, with a large debt paid, and, as

we think, providentially, with our Congregation increasing, and with, as we trust some signs of better things in the Parish, we persuade ourselves, that though a "little flock," we need "not fear." I have held one service at West Dresden, when I baptised four adults, three of whom were connected with the Sunday School and Bible class at Hopeton. The Congregation was very large and attentive.

OTHER CLERICAL REPORTS.

From Clergymen not holding Parochial Cures, the Bishop has received the following Reports, viz:

The Rev. WILLIAM BAKER, residing in Utica, reports: That he has officiated in Trinity Church, Camden, every alternate Sunday, since the 4th Sunday after Easter, being *seven Sundays*—administered the Holy Communion twice, and twice in private. Presented a class of *seven* persons for confirmation, baptized six adults, six children, and two infants; also attended two funerals. He has further publicly catechised the children once—he has also officiated one Sunday in Grace Church, and preached once in Trinity Church, and once in Calvary Church, Utica. One Sunday in St. Stephen's Church, New Hartford, and one Sunday in St. Peter's Church, Oriskany.

Once in every two weeks, he has officiated at Norway and Middleville, in the Diocese of New York.

During the past year, he has interested himself among the poor of the city, relieving their temporal wants, and attending to their spiritual necessities. He has relieved several hundred families, and expended on them about twelve hundred dollars.

The Rev. JAMES W. CAPEN, residing at Richfield Springs, reports: That in September last, he had been compelled, by ill health, to resign the charge of Emmanuel Church, Norwich; that in November he ventured to resume the Parish, but that in February he found it necessary again to resign the Parish, and that his health is now slowly improving. During the year, he has officiated in the services and preaching thirty times, administered the Holy Communion six times, and officiated at one funeral and one marriage.

The Rev. JOHN F. ERNST, residing in Buffalo, reports: That since the date of his canonical report in 1859, he has preached fifteen times, read morning or evening service on Sundays eighteen times, assisted in the same services thirteen times, celebrated the Lord's Supper three times, assisted in the same services six times, married one couple and baptized one infant.

PEYTON GALLAGHER, residing in Virginia, reports: That he has read Service thirty times; assisted in Divine Services five times; preached eighteen times; assisted in administration of Holy Communion four times; lectured four times; baptized one infant; married one couple; buried one adult and one child.

The Rev. HENRY GREGORY, D. D., residing at Syracuse, (the Church Book Store, 86 East Genesee street,) reports: That although disabled by infirm health from assuming the charge of a Parish, he has during the Conventional year, assisted in the services *once* in St. Andrew's Church, Providence, R. I., *once* in

Trinity Church, *once* in St. Paul's Church, and *twice* in St. James' Church, Syracuse. For the Rev. Mr. Ferguson, at Fulton, preached *twice*, and administered the Holy Communion; assisted in the service and preached *once* in Trinity Church, Fayetteville, and the same in Christ Church, Jordan. He has officiated and preached *twice* in St. Peter's Church, Auburn; *twice* in Christ Church, Manlius; *twice* in St. Paul's Church, *three* times in St. James' Church, and *nine* times in Trinity Church, Syracuse; *ten* times in St. John's Church, Oneida; *fourteen* times in Grace Church, Cortlandville, and *twenty-five* times in St. James Church, Skaneateles.

Baptized *five* children; solemnized *two* marriages, and officiated at *three* funerals.

The Rev. ABNER JACKSON, D. D., President of Hobart College, Geneva, reports: That he has been engaged during the past year, in the discharge of his duties as President of Hobart College. The daily service of the Chapel has been divided between Dr. Metcalf and himself, and has generally preached in his turn on Sundays. He has also preached and made addresses in several of the Churches of the Diocese, on behalf of the College. The state of the College, during the past year, has been very satisfactory. Order and quiet, and studious habits have prevailed, with rare exceptions.

Plans for more fully endowing the College and developing its powers to accomplish its beneficent mission, have lately been laid before the Church. There is every reason for believing that these plans will be carried out, with entire success, at an early day.

The Rev. KENDRICK METCALF, D. D., Hobart Professor of Greek and Latin Languages in Hobart College, residing at Geneva, reports: That in addition to the duties of his professorship, he has celebrated Divine Service regularly in the Chapel of the Water Cure, at Clifton Springs, on the first Sunday in every month, unless necessarily hindered, administered the Holy Communion four times there, and twice in St. John's Church, Phelps; baptized two adults and one infant at Clifton, one adult and one infant at Phelps. Preached thirty-eight times, buried three persons, and married one couple. He has also read Prayers a part of the time in the College Chapel, and preached there in his turn with the President and Trinity Professor.

The Rev. THOMAS MORRIS, residing at Ellicottville, Cattaraugus county, reports: That he has officiated occasionally at funeral, and in aiding in the administration of the Holy Communion—that he has married one couple, his own daughter—that his general health is not worse, and that he designs to test the effects of a milder climate in the vicinity of the sea.

The Rev. WILLIAM B. MUSGRAVE, residing in Morristown, N. J., reports: That since his resignation of St. Mark's Church, Candor, in August last, he has been a resident of Morristown, N. J., and has officiated frequently in Divine Service, preaching, and the administration of the Holy Communion in that vicinity and elsewhere, and that he is desirous of a Parochial charge.

The Rev. B. NORTHROP, residing at New Hartford, reports: That since our last annual Convention, he has officiated in New Hartford, Utica, Rome, Moravia, and other places, some eighteen Sundays, usually reading Prayers and preaching twice on a Sunday, has at other times occasionally assisted in the service of the Church; has baptized four adults and one infant; has administered the Holy Communion four times; has performed the marriage service twice, and officiated at two funerals.

The Rev. WILLIAM B. OTIS, residing at Geneva, reports: That during the past Conventional year, he has been uninterruptedly engaged, on Sundays, in preaching, either for clerical brethren or vacant Parishes; that he is at this time officiating in St. Luke's Church, Brockport, at present without a Rector.

The Rev. MARCUS A. PERRY, residing at Utica, reports: That the Diocesan year which has now closed, has been to him a year of sadness and sorrow, not only from continued sickness in his family, but also from the death of a beloved son.

During the year, he has read prayers and preached one Sunday at the Surf Hotel, on Fire Island, in the Diocese of New York, where he had gone with his son, indulging the fond hope that the sea air would be beneficial to his health. He spent a Sunday there—the visitors at the house invited him to officiate, and he accordingly complied with their wishes, and preached to a large, intelligent and attentive audience.

One Sunday he officiated at Oriskany, and two Sundays at Whitesboro, and in addition he has assisted at various times in reading Prayers, at the Communion, at baptisms and funerals, and complied with request of assistance in clerical duty, whenever request was made or assistance required.

The Rev. E. PUNDERSON, residing at Cleveland, Ohio, reports: That during the past year, he has baptized one child, preached twice, and assisted in the Prayers and at the Holy Communion on a few occasions.

D., President of De Veaux College, Suspension Bridge, Niagara county, reports: That during the past year, Morning and Evening Prayer have been performed daily in the Chapel of the College, at which he has regularly officiated, with very few exceptions, when the duty has been performed by the Rev. Mr. Winne. He has preached at the Sunday morning service, and catechised the children after Evening Prayer every Sunday, when in attendance.

The Rev. F. P. WINNE, Deacon, Teacher in De Veaux College, Suspension Bridge, reports: That during the past Conventional year of this Diocese, he has been engaged at De Veaux College, in teaching; beside which, he has assisted in the public services of the College Chapel, performing the duties incident to the Deacon's office.

The Rev. J. WINSLOW, Deacon, residing at Watertown, reports: That from the time of the last Convention, he has continued his services as Assistant Minister of Trinity Church, Watertown, and also as Missionary at Sterlingville, Carthage,

and Champion; that at Carthage and Champion he has officiated once each Sunday, with an occasional exception; and at Sterlingville once in two weeks, with an occasional service in other places—making *two*, and one-half of the time, *three* services on Sunday. That since last report he has baptized seventeen adults and eight infants; has attended at four funerals, and officiated at four weddings; has assisted the Rector of Trinity Church, Watertown, in the week-day services, and a part of the time in giving instruction in the Parish School.

pardon of them through the merits of Thy blessed Son. We adore Thee for the mercies and blessings hitherto vouchsafed to the people of this land. We humble ourselves before Thy divine majesty under the merited infliction of Thy wrath in the distractions, animosities and conflicts now prevailing in the minds of the people, and in the councils of the nation. Guide Thou our Rulers, Legislators and Judges in this emergency. Inspire them with wisdom fully to understand, and with grace faithfully to perform their duties. Shield us from the dangers which threaten our peace and our prosperity, and even our existence as a Nation. Deal not with us according to our sins, neither reward us according to our iniquities. Let mercy triumph over judgment. Stay the progress of discord, disunion and conflict. Avert the horrors of civil war and insurrection. Restore mutual confidence and love to all sections of our land. O lift Thou us out of this mire and clay, and set our feet upon a rock, and order our goings, that all portions of our country, restored to peace, union and love, and bound together in affection and interest, may henceforth, in their respective spheres, seek evermore faithfully to discharge their obligations, individually and nationally, to Thee and to each other in humble dependence on Thy grace and blessing here, and in the blessed hope of everlasting life hereafter, through Jesus Christ our Lord. *Amen.*

The Standing Committee met at my house on the 16th inst., and certain proposed changes in the Law for the Incorporation of Churches were submitted to them, coming from a Committee of Convention of the Diocese of New York, to be submitted to the Legislature, and a Sub-Committee was appointed, with the Bishop, on the same, with power to concur; which they did.

On the morning of the 26th, I attended the services at St. Paul's Church, New York, with the Alumni of the General Seminary, and administered the Holy Communion.

I was present also at the repast, at which, in the exegencies of their Alma Mater, they resolved to aid in her sustentation, by a prompt and liberal subscription of one thousand dollars at once, and by decided measures, to increase the amount.

In the evening of the same day, the Trustees of the Seminary met in the Hall of the Institution. Five Bishops and sixty-two representatives, Clerical and Lay, from ten Dioceses, were present. A full report was read from the Treasurer and Committee, as to the condition of the Seminary, showing that the Board was destitute of adequate income to proceed, without extensive aid, and recommending an appeal to the Church, to raise the necessary amount to carry on the Institution, till present political troubles should terminate, and a return of business enable them to dispose advantageously of their landed property. It was unanimously resolved that it is inexpedient, under God, to close the General Theological Seminary, in its present circumstances.

The following extract from the published proceedings of the Board, will show its action in the case:

"On motion of the Rev. Dr. Shelton—

"*Resolved*, That this Board do request every Clergyman of the Church, to lay this subject before his congregation, and make a

collection in aid of the Seminary, on the third Sunday of September next, or earlier in his discretion."

On motion of the Rt. Rev. the Bishop of Western New York, the following Resolution was agreed to, to stand as introductory to the above resolution:

"*Resolved*, That the Board of Trustees have so managed the funds entrusted to them, that nearly five hundred Clergymen have been educated in the Seminary; that the property worth, when entrusted to the Board two hundred and thirty-six thousand dollars, is now worth over four hundred and twenty-five thousand dollars, that the valuable landed changes in the property have been made under a necessity which the Board could not control; that the said property, not now yielding an adequate income, on account of the political troubles of the country, the Board are constrained to appeal to the Church to give temporarily an offering it its behalf, as expressed in the above resolution."

An appeal to the Church was presented, by Bishop Potter, of New York, adopted, and has been sent to all the Clergy.

An appeal has thus been made—

1. To the Alumni.
2. To the Trustees.
3. To the Clergy and Congregations throughout the Church.
4. To the liberal sons of wealth in our Communion.
5. And to Trinity Church, New York.

And these, with the liberal and unsolicited offer of a thousand dollars, from the Society for Religion and Learning in the city, will prove, we trust, by God's blessing, sources of an ample supply of income, to carry on the Institution till returning prosperity to our country shall reinstate the Board, in the receipt of sufficient means of support.

I earnestly urge all the Clergy and Congregations to make on that occasion, the third Sunday in September, a liberal collection, and send it at once to our Diocesan Treasurer, who will remit it to the Treasurer of the Seminary, in New York.

On the 27th, I presided, as the eldest Bishop present, at the Commencement of the Seminary, in St. Peter's Church, and in conjunction with my Rt. Rev. Brethren, the Bishops of Maine, Indiana, Iowa, New York, and New Jersey, administered the Holy Communion.

Thirteen pupils of the Institution received its honors, and with the Faculty and a large body of the Clergy and Laity, partook of the Holy Supper. The Sermon was preached by the Bishop of New Jersey. Two of the Alumni, with a Deacon of the Diocese, were to have been ordained by me, the next Sunday, in New York, but Providence forbade; and that duty was performed for me by the Bishop of New York, who, on Sunday the 30th, admitted the Rev. James C. L. Jones, Deacon, to the Priesthood, and Mr. William A. Van Antwerp, and Mr. William H. Moffet, to the Diaconate.

In crossing John St. to Broadway, on the 28th, I was knocked down by the pole of an omnibus striking me in the breast, and though partly stunned, was enabled under God's gracious Providence, by the aid of the Rev. Dr. Bolles, who came to me as I rose, to walk to a house on the corner, where I soon recovered sufficiently from the blow and bruise, to enable me to proceed to my son's residence, and submit to medical examination, which reported a severe contusion, but no fracture of bones. After ten days detention in New York, I returned home, not entirely relieved from pain, but with design of resuming my visitations. My physician however prohibited the step, until the pain should wholly leave me. I yielded to his counsel, and with the exception of an extra confirmation of *two* persons, at St. Peter's Chapel, Geneva, on Sunday morning the 28th of June, and the ordination held yesterday, I omitted all duty of the desk and pulpit.

On the 8th of July, I received the Rev. Milton C. Lightner into the Diocese from Pennsylvania. He has been called to the Rectorship of Christ Church, Binghamton, and entered on his duties.

I have transferred to other Dioceses 8 Clergymen.

I have given my consent to the organization of one new congregation.

I have read Prayers 16 times and the Ante-Communion service 46 times.

I have preached 94 times.

And I have made addresses to the candidates when confirmed, on most of the occasions.

I have traveled, in the discharge of my duties, about 5,600 miles, and have been subjected to danger on two occasions, by being thrown from a carriage, and by the hazardous occurrence in New York, to which allusion has been made. With a thankful heart, I acknowledge the gracious Providence, which has hitherto preserved my life.

My illness in the winter, and the recent accident in the summer, have diminished the extent of my visitations, and the number confirmed. The average number confirmed for each Parish, in which confirmation was held, is fourteen.

Nine Clergymen have been received into this Diocese.

The whole number of Clergymen, canonically connected with this Diocese is 141, viz.: 1 Bishop, 121 Presbyters, 19 Deacons, with 22 Candidates for Holy Orders.

Several Clergymen are residing and officiating in this Diocese, but not yet transferred to it.

The following Church Edifices certified to me to be free from debt, incurred in the erection of them, have been consecrated:

Christ Church,.....Belvidere, Allegany County,.....Sept. 29, 1860
Grace Church,.....Baldwinsville,.....Nov. 13, 1860

St. Peter's Chapel, Geneva, continues to be used as a Chapel to the Senior Department of the Training School, under the Pastoral charge of the Rector of the School.

Of these Clergy, 5 are exclusively engaged as teachers; 5 on the list of Disabled Clergy, aided by the Christmas Fund; 5 are prevented by age or illness from full duty, and sustain themselves. The rest are actually engaged, or seeking to be engaged in clerical duty. Some few resort to public or private teaching, in addition to Parochial duties, to sustain themselves.

The following fourteen Church Edifices encumbered with debt, are yet unconsecrated, though regularly used:

Church of the Evangelists,.....Oswego.
Christ Church,.....Binghamton.
Christ Church,.....Rochester.
St. John's Church,.....Williamson.
Christ Church,.....Oswego.
Christ Church,.....Albion.
Grace Church,.....Utica.
Trinity Church,.....Elmira.
St. Luke's Church,.....Buffalo.
Trinity Church,.....Boonville.
St. John's Church,.....Ithaca.
Church of the Ascension,.....Buffalo.
St. Paul's Church,.....Mayville.
Christ Church,.....Hornellsville.

Of these, St. Luke's Church and the Church of the Ascension' Buffalo, and Christ Church, Rochester, are temporary buildings, to be followed in due time, by more permanent edifices.

By Christ Church Rochester, a neat and handsome Edifice has been erected to serve for a Sunday School and as a Chapel, for occasions when the large Edifice is not needed.

St. Paul's Church, Havana, erected by individual munificence, is not yet placed in the hands of the Vestry, (who have the gratuitous use of it,) to ask for its consecration.

I have given my canonical consent to the organization of a new congregation at Carthage, Lewis county.

New Church Edifices are in process of erection at Windsor, Broome county, and are contemplated at sundry other places.

During the past Conventional year, 55 Missionaries have labored in the Diocese; 39 for the whole year, and 16 for longer or shorter periods.

The present number is 53.

I refer you to the Parochial Reports, for the result of their labors.

Three of our Missionaries have been called to other Dioceses, and *four* have been received from abroad, into this field.

Our Christmas Fund, for Disabled Clergymen, during the past year, has received through collections and donations,...$1,414 98
Bequest of E. C. De Lancey,..... 100 00
From interest and investments,..... 450 00

Making a total of receipts,.....$1,964 98

There is now invested in bond and morgages, $7,000 00.

From this Fund, *five* of our aged brethren have derived relief, to the amount of $200 each.

The Permanent Missionary Fund has been increased by the payment of three thousand dollars, of the Mrs. S. D. Mumford bequest, the balance of which, $2000, being on interest, is in hands of the executor, not yet returned from Europe, and is promised to be paid in October.

The whole Permanent Missionary Fund now amounts to $14,531 95. It has yielded an interest of $780 65, which has been received by our Diocesan Treasurer, and applied to our Diocesan Missionaries. Next year its annual interest will be $1017.

The Van Waganen Missionary Fund amounts to $2040.

The interest, to the 1st of July, has been paid to the Rectors of the Churches in the county of Chenango, except Messrs. Macurdy

and Lewis, who have surrendered their portion to the increase of the Fund.

The application of the interest of the Fund to the Chenango county Clergy for extra labor, as Missionaries, does not give satisfaction to the Parishes or Clergy, nor promise any permanent and effective advantage to the Church in the county. The Board therefore have terminated the experiment, and propose to employ some Clergyman whose services may be exclusively devoted to the Missionary work, or some other kind of Missionary agency.

The details, on these points, will be found in the report of the Education and Missionary Boards.

The DeVeaux College for orphans and destitute children, continues in vigorous and successful operation. The annual report to the 1st of January, 1861, has been laid before me, as Bishop. The property is thus reported:

Amount of principal invested in bonds, mortgages, contracts, notes and stocks, yielding income, is	$162.851 25
Estimated value of real estate liable to sale,.....	23.500 00
	186.351 25

The inalienable domain farm, 330 acres, yields a rent of $630. The entire income, for the past year, is reported $11.992 86.

And the whole expenditure, including the repairs, attendance and additions, is $11.965 15.

Thirty-two pupils have enjoyed its benefits.

Under the operation of its discipline, two of its pupils have forfeited its advantages, and been refused readmission, after voluntary secession, twice repeated.

Their places have been supplied.

In stating, as usual, the contributions of the Diocese for the year, for the recognized objects of the Church, aside from Parochial objects, the Training School, Hobart College, and bequests to the Permanent Missionary Fund, the following will present the facts:

For Christmas Fund for Disabled Clergymen, collections and donations,	$ 1.414 98
Legacy for the same fund,	100 00
For Monthly Collections and donations,	11.528 10
For Church Book Society,	253 66
For sums passing directly to the objects,	1.500 00
Total,	$14.796 74

The report of the Training School will show the state of its funds, securities and promises, and that its means are such as to enable it to fulfill its pecuniary engagements.

As soon as the times shall allow, a renewed application, it is hoped, will bring its funds to the amount ($30.000) originally named for its permanent establishment. In the mean time, it is in successful operation. Three of its students have been admitted to the Ministry. An accession of four students is expected in September. I refer you to the report of the Education Board, and of the Lay Trustees, and of the Rector of the School for the details on this topic.

During the year, bequests have been paid of $3.100 to the Permanent Missionary Fund, of $100 to the Christmas Fund for Disabled Clergymen. To the former, $2000 additional will be paid in October.

The munificent conditional bequest of the late Allen Ayrault to Hobart College, amounting, by estimate, in a subscription, professorship and a residuary legacy, to about seventy thousand dollars, is not yet paid, but is in process of arrangement, the condition, as understood, having been most liberally met by the friends of the College within the Diocese and without.

During the current year of 1861, three of the Bishops of our Church have been summoned from earthly scenes and trials.

Bishop Nicholas Hamner Cobbs, of Alabama, Bishop Benjamin T. Onderdonk, of New York, Assistant Bishop Samuel Bowman, of Pennsylvania, all prominent for labor, counsel and usefulness in the Church, and one for his patient submission to its discipline, felt by himself and others, to be applied with undue severity and defective justice, but borne with exemplary and dutiful obedience to the law and action of the Church.

The President of the United States,* at the desire of Congress, has called the Nation to humiliation, fasting and prayer, on the 26th of September next, under the sad and distressing events which have befallen our country, in this visitation of wrath, by which Divine Providence has so suddenly changed a condition of national prosperity and peace, to one of suffering and civil war. God is our refuge in such distress, and to Him let us, as enjoined by the civil authority, resort, in penitence for our national and individual sins, acknowledging the justice of His fearful judgments, imploring pardon for the past, the early restoration of peace and

* DAY OF FASTING, HUMILIATION AND PRAYER—PROCLAMATION OF THE PRESIDENT.

In accordance with the request of Congress, the President has issued the following proclamation, appointing Thursday, September 26th, as a day of fasting, humiliation and prayer:

A PROCLAMATION BY THE PRESIDENT OF THE UNITED STATES OF AMERICA.

Whereas, A joint committee of both Houses of Congress has waited on the President of the United States, and requested him to recommend a day of public humiliation, prayer and fasting, to be observed by the people of the United States with religious solemnities, and the offering of fervent supplications to Almighty God for the safety and welfare of these States, His blessings on their arms, and a speedy restoration of peace:

And whereas, It is fit and becoming in all people at all times to acknowledge and revere the supreme government of God, to bow in humble submission to His chastisements, to confess and deplore their sins and transgressions in the full conviction that the fear of the Lord is the beginning of wisdom, and to pray with all fervency and contrition for the pardon of their past offences, and for a blessing upon their present and prospective action:

And whereas, When our beloved country, once, by the blessing of God, united, prosperous and happy, is now afflicted with a faction and civil war, it is peculiarly fit for us to recognise the hand of God in this visitation, and in sorrowful remembrance of our own faults and crimes as a nation and as individuals, to humble ourselves before Him, and to pray for His mercy—to pray that we may be spared further punishment, tho' justly deserved; that our arms may be blessed and made effectual for the re-establishment of law, order and peace throughout our country, and that the inestimable boon of civil and religious liberty, earned under His guidance and blessing by the labors and sufferings of our fathers, may be restored to all its original excellence: Therefore, I, Abraham Lincoln, President of the United States, do appoint the last Thursday in September next, as a day of humiliation, prayer and fasting for all the people of the Nation, and I do earnestly recommend to all the people, and especially to all ministers and teachers of religion of all denominations, and to all heads of families, to observe and keep that day according to their several creeds and modes of worship in all humility and with all religious solemnity, to the end that the united prayer of the Nation may ascend to the Throne of Grace, and bring down plentiful blessings upon our own country.

In testimony whereof, I have hereunto set my hand and caused the great seal of the United States to be affixed, this the 12th day of August, A. D. 1861, and of the Independence of the United States of America, the eighty-sixth.

By the President: ABRAHAM LINCOLN.

WM. H. SEWARD, Secretary of State.

union, the suppression of angry and hostile feeling, and that, with forgiveness and grace throughout, He would impart to us all, rulers and people, that wisdom, humility, reverence, and holiness—that obedience to God and true love of man, which should be characteristics of a Government so highly blessed, and so amply provided with the sources of wealth, enjoyment, security, and happiness; and needing only "the righteousness which exalteth a nation," to secure its permanence, safety and glory, and to keep it in the favor and protection of that awful Being, at whose will, nations stand or fall.

Let us now, in humble dependence upon a gracious Saviour, betake ourselves to the duties which lie before us, as members of this Convention, seeking ever to think and speak and act, in whatever comes before us for consideration, or action, under the influence of His grace. And may His holy Spirit guide and bless us all, in the discharge of our respective duties, in this important body.

REPORT:

The Standing Committee on the Report of the Trustees of the Christmas Fund for Disabled Clergymen, beg leave to report: That they have examined the statement of receipts and payments, together with the vouchers for the latter, for the year ending August 10, 1861, and find them correct.

The principal of the Fund now amounts to $7.223 93—seven thousand dollars of which is reported as loaned on bond and mortgage, on farming lands, and the balance, $223 93, is on deposit in the Bank of Geneva. A report on the character of the securities held by the Trustees, by Edgar H. Hurd, Esq., is herewith submitted.

The Committee congratulate the Convention and the Church on the flourishing condition of this Fund, which is now approaching a sum which will soon enable us to exercise a larger degree of liberality towards those for whose benefit it was instituted.

Mr. A. P. Grant, in behalf of the Standing Committee on the Report of the Trustees of the Fund for the Support of the Episcopate, made the following

REPORT:

The Committee on the Report of the Trustees of the Fund for the Support of the Episcopate, respectfully report: The Trustees of this Fund, in their Report, dated August 20, 1861, correct an error in their Report of last year, showing the amount thereof at that time to have been $50.033 08. Its amount at the date of the present Report is $50.046 44, being an increase of $13 36 over the amount stated last year. This sum is made up of the following items:

Bonds and Mortgages, stated in Schedule D,.....$45.745	00
Rail Road bonds,..... 2.300	00
Pledges of 2 Churches in Rochester,..... 1.000	00
One share Watertown Woolen Co. Stock,..... 100	00
Sundry Notes given to increase the Fund,..... 880	00
Cash in hand,..... 27	44
$50.046	44

We claim no personal knowledge of the validity of these securities, but from the Report submitted to our examination, we believe the sums specified in the Bonds and Mortgages and in the Rail Road Bonds, to be well secured, and that they will be paid. The Stock of the Watertown Woolen Company is reported valueless, and it is quite probable that a portion of the Notes may never be collected, which were given and accepted as contributions to increase the Fund.

The Trustees, during the past year, have received on the principal of this Fund, $543 36, which, added to $38 08 on hand at the date of the last year's Report, make the sum of $581 44. Of this amount, they have reinvested on bond and mortgage $560, leaving in their hands $21 24.

They have collected from the income of this Fund, during the past year, the sum of $3.122 19, and represent the further amount of $438 28, as due and unpaid for interest on the 1st day of May last. The Trustees express the opinion that these arrearages will soon be paid, which, when paid will increase the entire income of this Fund to $3.560 47.

The amount already collected, being $3122 19, has been paid to the Diocesan, as appears by his receipt annexed to the Trustees' Report.

The Committee take pleasure in expressing their approval of the care and accuracy with which the Fund is managed, and the accounts are kept.

A. P. GRANT,
J. JULIAND,
Syracuse, August 22, 1861. A. Z. McCARTY.

To the President of the Convention of the Diocese of W. N. Y.:

The Trustees for the care and management of the Fund for the Support of the Episcopate of the Diocese of Western New York, respectfully report: That during the last year they have received from payments on account of principal of the Fund, mortgage satisfied and notes discharged, the sum of.....$530 00
Contributions to increase the Fund,..... 13 36
Cash on hand, as per last report,..... 38 08

Making a total of receipts, &c.,.....$581 44
according to Schedule B,* hereto annexed.

The sum of $560 has been invested on Bond and Mortgage during the year, leaving cash on hand $20 44, as stated in Schedule C.

The statement A, appended to this Report, is an account of the receipts and disbursements of the income of the Fund during the year, amounting to $3,122 19, which has been paid to the Diocesan, as appears by his receipt, hereto annexed.

The principal of the Fund consists of the following items:

Bonds and Mortgages.....$45.745 00
Rail Road Bonds, &c..... 2.400 00
Pledges of Vestries..... 1.000 00
Notes unpaid, (to increase the Fund,)..... 880 00
Cash not invested,..... 21 44

$50.046 44

As appears in detail in Schedule D.

Respectfully submitted,

THOS. HOPPER,
J. WATSON WILLIAMS,
August 20, 1861. GEO. R. PERKINS.

NOTE.—We erred in our last Report, in stating the principal of the Fund to be $50.158 08. It should have been $50.033 08. Two Notes were paid a few days prior to the date of the Report, amounting to $125. These should have been deducted from "notes unpaid,".....$1.035 00
Notes paid prior to the Report,..... 125 00

Balance unpaid..... $910 00

*The Schedules referred to in this Report, are on file with the Report, among the papers of the Standing Committee of this Diocese.

as will be perceived by reference to Schedule B of that Report. The $125 was enumerated in the investments on Bond and Mortgage.

To the Convention of the Diocese of Western New York:

Having been appointed by the Bishop to examine the securities held by the Trustees of the Fund for the support of the Episcopate of the Diocese of Western New York, I beg leave to report to the Convention: That, with Thos. Hopper, the Trustee who holds them, I have examined said securities, and find that at this time the Fund amounts to $50.046 44, as follows:—

Bonds and Mortgages, particularly stated in Schedule D of the foregoing Report of the Trustees,	$45.745 00
Rail Road Bonds, also therein specified,	2.300 00
Pledges of two Churches in Rochester,	1.000 00
1 Share of Woolen Co. Stock, (worthless,)	100 00
Sundry Notes given to increase the Fund,	880 00
Cash in hand,	20 44
	$50.046 44

From an examination of the mortgages, and from certificates of appraisal accompanying them, I believe the amounts are well secured, and that the Potsdam and Watertown, and the Michigan S. and N. Ind. R.R. bonds, are good. Of the $880 in notes, I know some of the makers, but am not able to form an opinion of the value of most of the notes. I also examined the endorsements made on the bonds, and find that the interest has been paid as due thereon, with the following exceptions, viz.: J. Hewitt, J. Matteson, H. A. Foster, Wm. Roberts, and G. W. Bacon, amounting to $438 28, which probably will be paid soon. The income from the Fund for the past year has been $3.122 19, as will appear in detail in the Schedule A of the report of the Trustees. I saw and examined all the mortgages except that of Mr. Guile, as to which Mr. Hopper holds the certificate of the Clerk of Fulton county of the record.

I have been very much aided in this examination, by the simple and exact method of Mr. Hopper, in keeping the papers and accounts.

Respectfully submitted,

Utica, Aug. 20, 1861. EDMUND A. GRAHAM.

Rev. Ferdinand Rogers, in behalf of the Standing Committee on Unfinished Business, presented the following

REPORT:

The Standing Committee on Unfinished Business begs leave to report: That upon an examination of the last Journal, it will be found that the Committee on Manuscript Sermons was continued, as will be seen by reference to page 67 of said Journal; and on page 70 of same Journal, the Committee on the Training School was continued with instructions to report at this Convention.

Your Committee would also call attention to the proposed Canon, upon the subject of the Care and Management of the Christmas Fund, reported upon by a Committee, and amended by the Convention at its Session in 1859, as will be seen by reference to pages 67 and 68 of that year; but no record of final action thereon will be found in said Journal. The subject was before the last Convention, and after discussion, laid on the table, as will appear by reference to page 68 of the last Journal. Also on page 59 of last Journal, the Committee to which was referred so much of the Bishop's Address, as related to certain matters referred by the

late General Convention to the Dioceses, was required to report thereon at this Convention.

Respectfully submitted,

FERDINAND ROGERS,
D. C. CALVIN,
WM. R. OSBORN,
Committee.

The Bishop, in behalf of the Committee on the subject of the Diocesan Training School, made the following

REPORT:

The Board, consisting of the Bishop and Standing Committee, respectfully report: That the Rev. David H. Macurdy having declined the appointment of Professor and Rector of the Training School, as anounced at the last Convention, the Rev. James Rankine, A. M., was, on nomination of the Bishop, appointed to the station.

He entered on his duties on the 1st of February, 1861, taking charge of the Candidates and of the Chapel. Six students, candidates and applicants for Orders, have been placed under his charge. Of these, three have been ordained, one withdrew, and two remain in prosecution of their studies, and four are expected to join the School in September.

The Salary appropriated, $1.200 per annum, has been paid quarterly, as it became due.

From the Report of the Lay Trustees and Treasurer, which is appended, it appears that the funds in their hands have yielded an adequate income to meet the engagements of the Board.

These funds consist of cash on deposit,		$1.857 39
Bonds and Mortgages,		6.300 00
Rail Road Bonds,		4.100 00
Notes payable, yielding interest,		1.025 00
Making in all		$13.282 39
Notes yielding interest only, the principal not being payable,		$2.858 00
A conditional note was surrendered, payable according to its terms,		2.000 00
Verbal promises* of interest of		2.240 00
Verbal promises* of principal,		1.200 00
Chapel and Lot, estimated at		2.800 00
		$24.380 39
From which the note surrendered is to be deducted		2.000 00
Leaves the amount,		$22.380 39

*The following are the Verbal Promises:

By Charles Cook, Esq., Havana, for principal		$1.000 00
" D. C. Weed, Esq., Buffalo, "		100 00
" J. Snook, Esq., from St. James, Skaneateles		100 00
" W. G. Fargo, Esq., of Buffalo, for the interest of	$1.000 00*	
" J. Movius, Esq., " " "	300 00	
" Pupils of DeVeaux College	100 00*	
" B. Jackson, of Geneva,	840 00*	
		$2 240 00
		$3.440 00

* Interest paid to 1st July, 1861, to Treasurer.

To the last Convention, the Bishop reported: That in bonds, cash, notes, and reliable promises of money, and a chapel and lot, about $20.000 had been secured: and in the appendix to the Journal, the contributions and promises are enumerated as amounting, on the 30th of September, to $22.304 58. Additional notes and cash, with written and verbal promises, have been obtained to the amount above named, $22.380 39, more than covering the note surrendered. The appeal of Hobart College for aid to secure a conditional bequest of a large sum to that important Institution, and the condition of the country interrupted further application to increase our funds: such application will be renewed when circumstances shall allow. It is a matter of congratulation and thankfulness, that enough has been secured to begin the Institution. Besides the Candidates for Orders, who attend the Chapel and aid in the Sunday School, a congregation has been gathered, of 41 families and 65 communicants, who regularly attend the Chapel services, which thus supply in concert with the Rector of Trinity Parish, important and needed spiritual blessings to that portion of the village, which will be reported by the Rector of the School. The collections at the Chapel, for Church objects, have been, for Diocesan Missions $74 15, for Foreign Missions $40 40, for the Christmas Fund for Disabled Clergy $15; in all $129 55. For income of the Training School, $75 over and above the current expenses, but not of the repairs. The Chapel and Lots, it is designed by the donor, to secure to the Training School through a Trustee, a declaration of trust, or an incorporation at an early day.

All of which is respectfully submitted,

By order of the Board,

August 19, 1861. W. H. DeLANCEY, *Chairman.*

S. H. VER PLANCK,

Geneva, August 16, 1861. *Treasurer Training School.*

The Bishop announced the resignation of S. H. Ver Planck, Esq. as Treasurer and Trustee of the Training School, and as Treasurer and Trustee of the Christmas Fund, which was, on motion, accepted.

The Bishop, on behalf of the Education and Missionary Board, made the following

REPORT:

The Education and Missionary Board respectfully report for the past year as follows:

The Board has had 55 Missionaries in the field; 40 for nearly the whole year, and the rest for a shorter period. The number at present fifty-three.

They present the result of their labors in the parochial reports. They have served 78 congregations.

Seven Beneficiaries have received aid in prosecuting their studies.

The Permanent Missionary Fund, now amounting to $14.531 95, has received, during the year, the sum of $3000 from the legacy of Mrs. Silas D. Mumford, and is promised the balance, $2.000, now drawing interest, in October, on the return of the Executor from Europe, and also a bequest of $100 from the estate of Miss Elizabeth C. DeLancey.

The plan of employing the Rectors of the Churches in Chenango county to do Missionary work in that county, under the Van Wagenen Missionary Fund, has not resulted favorably, or acceptably, as it takes takes the Clergy from their parishes, and is not effective. The plan was ended on the 1st of July. The Board contemplate the employment of a Missionary as soon as practicable, the difficulty being in the limited income of the fund, now $2.040 and yielding only about $142 per year.

Three of our Missionaries have been called to other Dioceses, and *four* have been received in their stead.

All the Missionaries have been punctually and fully paid on presenting their bills at the end of each quarter. With the gloomy financial prospect now before us, the Board most earnestly and affectionately urge the Clergy and Laity to diminished interest and liberality in the Missions of the Diocese.

Eleven Stations, some very feeble, are yet unsupplied.

Respectfully submitted, by order of the Board,

August 19, 1861. W. H. DE LANCEY, *Chairman.*

Rt. Rev. W. H. DeLancey, D. D., President of the Convention of Diocese of W. N. Y.:

DEAR SIR: In pursuance with your appointment, I have examined the accounts and securities of the Trustee of the Permanent Missionary Fund, and find them to correspond with the accompanying statements.

Geneva, Aug. 15, 1861. W. B. DOUGLAS.

To the Rt. Rev. William H. De Lancey, Chairman of the Education and Missionary Board of the Diocese of W. N. Y.:

The undersigned, Trustee of the Van Wagenen Missionary Fund for the county of Chenango, would respectfully report: That the amount of the capital of said Fund, at the date of my last annual report, as will appear on page 72 of the Journal of the Convention for the year 1860, was $2.000. The interest for the current conventional year, amounting to $140, was directed by order of the Board, to be paid in equal portions to the seven Clergymen, officiating as Rectors of Churches within said county, as a compensation for Missionary services. I have paid $100 of said interest to five Clergymen, and two (the Rev. D. H. Macurdy and the Rev. E. Z. Lewis,) have directed me to add the portion assigned to them to the principal. The present amount of said Fund is $2.040.

All of which is respectfully submitted,

Greene, August 1, 1861. JOSEPH JULIAND, *Trustee.*

The Bishop, in behalf of the Trustees of De Veaux College, made the following

REPORT:

To the Convention of the Protestant Episcopal Church of the Diocese of W. N. Y.:

The Trustees of the DeVeaux College for Orphan and Destitute Children, in pursuance of the terms of their Act of Incorporation, respectfully submit their annual report:

During the past year thirty-two Orphan and Destitute Boys, were trained and instructed in the Institution, and wholly supported by it.

Two boys left the Institution, and three were admitted.

The course of training and instruction presented in former reports is still pursued, modified only by the advanced condition of the boys, many of whom have

made good progress in the Latin Language, and in the higher branches of Mathematics.

The funds of the Institution consist of $162.851 25 of principal, yielding income, and Real Estate estimated at $23.500, exclusive of the Domain, which consists of 330 acres.

The income received during the year was $11.992 96, and the expenditures were $11.965 15, in supporting the institution, and in repairs and improvements to the buildings and grounds.

All which is respectfully submitted,

W. H. DELANCEY, *Chairman.*

ELIJAH FORD, *Secretary.*

The Rev. Theodore Babcock, on behalf of the Committee appointed at the last Convention, (see Journal, p. 59,) to report upon certain matters referred by the late General Convention to the Dioceses, stated that the Committee were not yet prepared to report; and upon his motion the same Committee was continued, the Bishop being added as Chairman.

That portion of the Report of the Standing Committee on Unfinished Business, referring to the Canon of the "Christmas Fund for Disabled Clergymen," (see Appendix V., Journal of 1859,) having come up for consideration, the order of the day was suspended, and on motion of the Rev. Mr. Whittingham, the following was unanimously adopted:—

Whereas, It appears to the Convention that the Canon of the "Christmas Fund for Disabled Clergymen" of 1859, as amended, in these words—

"CANON OF THE CHRISTMAS FUND FOR DISABLED CLERGYMEN."

"SEC. 1. There shall be three Trustees appointed by the Convention, to whom the management and care of the Fund for the Relief of Disabled Clergy shall be intrusted, one of whom shall be appointed by the Convention as the Treasurer thereof. And no act of said Trustees shall be valid, unless authorized by a resolution adopted at a regular meeting of said Trustees, by a majority of the same, and recorded in a book to be kept as the record of their proceedings, and to be open to the inspection of the Convention. The said Trustees shall hold their offices during the pleasure of the Convention; and all vacancies occurring in said Board of Trustees shall, from time to time, be filled by the Convention.

"SEC. 2. In every Parish in this Diocese there shall be made, annually, on Christmas day, a collection for the relief of Disabled Clergy of the Diocese. It shall be the duty of every Clergyman to give due notice of this collection to the congregation; and of the Wardens of every Parish to forward the same to the Treasurer of the Christmas Fund.

"SEC. 3. All appropriations for the relief of Disabled Clergy, shall be made by the Trustees, on the certificate of the Bishop, that the individual has labored within the limits of the Diocese for a period of not less than three years, (except in the case of Clergymen ordained in the Diocese, and having never removed therefrom,) and is disabled by age or physical infirmity from having a Parochial charge; but no appropriation shall be made for a larger sum than $250 per annum, and shall be paid semi-annually, on the 1st of January and July.

"SEC. 4. All moneys belonging to the Fund for Disabled Clergy, and not needed for their present relief, shall be loaned by the said Trustees upon security on real estate, appraised at double the amount loaned thereon, exclusive of buildings; the appraisal to be made by three appraisers, appointed by the Trustees for that purpose; and all securities and investments shall be taken or made in the names of the said Trustees and their successors in office, as Trustees of the said Fund; and they shall have power from time to time to change such securities or investments.

"SEC. 5. A statement of the proceedings of said Trustees, exhibiting the condition of the Fund hereby entrusted to their charge, together with the items of receipts and disbursements, with the vouchers therefor, shall be reported to each Annual Convention, signed by said Trustees, or a majority of them:"

was duly passed, the Convention do allow the Secretary to record the same on the minutes.

The House then proceeded to the election of the Standing Committee of the Diocese, and the Deputies of the General Convention, by one ballot, as directed by Section 2 of Canon XII, the Rev. Dr. Bissell and Mr. Benjamin Pringle being appointed by the Rt. Rev. the President, to receive, as tellers, the votes of the Clergy, and the Rev. T. Babcock and Mr. W. B. Douglas to receive the votes of the Laity.

The Bishop, on behalf of the Committee on Sermons of the Deceased Clergy of the Diocese, read the following

REPORT:

The Committee to whom was assigned the duty of collecting the Manuscript Sermons of the Deceased Clergy of the Diocese, respectfully report: That they have in hand and at their disposal, quite a large number of such Sermons, including those of the late Rev. J. C. Rudd, D. D.: Rev. Orrin Clark, D. D.; Rev. Joseph T. Clarke; Rev. Erastus B. Foote; Rev. Lucius Smith; Rev. Parker Adams.

From these Sermons might be made up one or more volumes of Sermons, peculiarly suitable for Parochial use. The Committee however hesitate to recommend an attempt to publish such a volume at the present time, on account of the position of financial affairs, but trust that their labors may finally have such a result. The Committee respectfully ask to be continued.

W. H. DELANCEY,
H. A. NEELY,
W. A. MATSON,
T. P. TYLER,
G. D. GILLESPIE.

The Committee was, on motion, continued.

The House then proceeded to the election of a Treasurer of the Christmas Fund for Disabled Clergymen, and a Treasurer of the Convention. A vote by ballot being, in both cases, dispensed with,

EDGAR H. HURD, Esq.,

was unanimously elected Treasurer and also Trustee of the Christmas Fund for Disabled Clergymen; and

FLETCHER WILLIAMS, Esq.,

was unanimously elected Treasurer of the Convention. On motion

ALEXANDER L. CHEW, Esq.,

was unanimously elected Treasurer and also Trustee of the Diocesan Training School.

On motion of Rev. W. Paret,

Resolved, That a Committee of three Clergymen be appointed, who, with the Secretaries, shall revise and amend the form for making Parochial Reports—the Committee to report at the next Convention.

Whereupon the chair appointed the Rev. Wm. Paret, the Rev. H. G. Wood, and the Rev. G. D. Gillespie, to constitute that Committee.

On motion of the Rev. G. D. Gillespie,

Resolved, That the Wardens of such Parishes in the Diocese as have Permanent Endowment Funds, are requested to report to the next Convention, the amount of such Funds, the terms on which they have been given and are now held, the management of the Funds, and their investments, with a view to the security of Endowments.

On motion of the Rev. W. W. Montgomery,

Resolved, That this Convention desire hereby cordially and earnestly to unite with our beloved Bishop, in the expression of his devout gratitude to Almighty God, (as contained in his address to this body,) for the merciful preservation of his life, in the great peril to which he was lately exposed in New York City.

Resolved, That 2,000 copies of the Journal of the Convention be printed and distributed, as usual, under the direction of the Secretary.

Resolved, That the Secretary be authorized to prepay the postage on those copies of the Journal directed by Canon to be transmitted by mail.

Resolved, That the Convention has heard with much pleasure the very able, earnest and timely charge of the Bishop, and that

2,500 copies be printed and distributed at the expense of the Convention.

Resolved, That the thanks of this Convention be presented to the congregations of St. Paul's, St. James', and Trinity Churches, and the citizens of Syracuse, for the hospitality so generously extended to its members during the present session, and that the Rev. the Rectors of said Churches, be requested to give publicity to this resolution in such a way as they may deem expedient.

Resolved, That the thanks of this House be presented to the Rev. William A. Matson, the Secretary, and his Asssistant, the Rev. Charles W. Hayes, for their services at this session of the Convention.

The Clergy having been called upon for their Parochial Reports, as required by Canon XII. of the General Convention of 1853, the reading of the same was, on motion, dispensed with.

The Tellers being called upon for their report, on counting the ballots, after the votings, it appeared that the following persons had received a majority of all the votes given, and were therefore declared duly elected:

The Church was consecrated on the Festival of St. Michael and All Angels. Its cost was about $1.600. The contributions of the Parishioners, above mentioned, were liberally and freely offered. The balance, $1.100, was collected and subscribed by two communicants, without whose efforts the Church could not have been built. The Font and Communion Service were presented. All the seats are *Free*, and the Parish is supported by offerings presented to God in each service.

With scarcely a Prayer Book in the village, with but few baptized, without a communicant, and with scarcely anything, humanly speaking, to encourage, this little Church has been established upon the Scriptural and Catholic principles of the Prayer Book; and by the Divine blessing upon faithful and self-denying effort, it has already been made a priceless blessing to many.

During the year, I have been able to hold services at Five Corners, where a large and earnest congregation has been gathered in, who are learning to love the Church. Our room does not contain all who desire to join us, but we hope ere long to have it enlarged, so that those who come may gain admittance. The hearty responses and singing of both old and young, who, till lately, had never seen a Prayer Book, might put to shame many of our older congregations. They purpose organizing a congregation as soon as possible.

I have several times performed Divine Service in the School Houses of adjacent Districts. A large Bible Class was steadily sustained through the winter and spring months. The children of the Parish have been drilled in the rudiments of Vocal Music. A large body of adults have pursued a more advanced exercise weekly. The ladies of the Parish have conducted a Mite Society, very earnestly and successfully, giving material aid in several Departments of the Parochial economy. The Rectory has been thoroughly renovated and refitted also. There is here a body of earnest and zealous Churchmen, who are willing "to do good and to distribute," and they do not "forget" to do it.

A thorough revision of the list of Communicants in this Parish has le the number materially. But the above will be found as nearly correct as i sible. And for the same reason, although the Parish has had a net gain o teen families during the year, this report gives a less number than last year my Rectorship having but just begun, I could give only uncertain statistics

During the last conventional year the services of the Church have been regularly kept up at Bethany once every Lord's Day; and ere this a Church edifice would have been erected had it not been for the unhappy times upon which we have fallen. I assumed charge immediately after Convention last year. The Parish had been vacant four years. The Communicants having been somewhat scattered, they have not as yet been properly gathered together, or a corrected list of them made out. The figures given in the report must approximate closely to the true number. From the mixed nature of our Congregation, the number of families in regular attendance cannot be accurately determined. A steadily growing interest, however, is shown in our services, and frequently the capacity of our Church is tested to the full by the congregations we gather. Death and sickness, which have necessarily occasioned temporary absences from my Parish during the past year, have considerably lessened the number of Services held. To those in the report must be added 14 held at Lyonsdale. Until Spring Services were held once a fortnight, when they were discontinued for want of a place to meet in. The Congregation averaged about 50. A room having been procured, I have lately received an invitation to renew my visits.

It affords me pleasure to be able to say that the Congregation continues large, and the Church is gaining an influence for good over the minds and hearts of the people. By perseverance in the Scriptural teaching and holy ways of the Church we hope great good will be done, and many be led to know and love the truth. It is a subject of regret that we cannot do more for missions and other objects of Christian effort in the Church. Should we ever possess the ability, I trust we would do all in our power to extend to others the privileges we enjoy. We would mention with gratitude the aid so generously continued to us from friends beyond the limits of the Parish.

Financially, the Parish is in good condition. It "owes no man anything." It does but little; for it is small: but what it does, it does promptly and regularly. It will be seen that there has been a great falling off in the number of services on Sundays and other days during the last year. There were no services in the Parish from Christmas Day, up to the first of June, with only one or two exceptions, by reason of the Rector's sickness. Since then, June 1st, there have been regular services held by the Rector and the Rev. Mr. Southwell, who is in Deacon's Orders.

I say the Parish is, financially, in good condition; yet there is a vast lack of energy and zeal manifested in its prosperity and increase.

I have officiated, as usual, for the last few years, at Canastota, where the zeal continues warm and unabated. They have begun a Sunday School, which promises well. I have baptised one infant there, and two have been confirmed.

It will be seen by the above report that this Parish remains about where it was last year; "it holds its own." Its Sunday School is conducted with efficiency and order; it is flourishing. The amount expended for Parochial objects, is exclusive of what is paid to the Missionary of the station. Among the objects of expense, is a very chaste and beautiful Communion Sett, consisting of three pieces—a Flagon, Chalice and Paten—silver; cost $100. Also, a Surplice, cost $20. Also, Sunday School Books to the amount of $30. Also, a present to their Pastor, on his wedding day, of $20. All this, though done in the Parish, was done by the Sunday School.

Thr Parish of St. Stephen's Church, Perryville, is greatly reduced by reason of deaths and removals, so that it can hardly be said to exist, yet our organization stands good, and we feel unwilling to have it struck from the record. The Parish has been Providentially deprived of the personal services of the Rector, during nearly two-thirds of the past year. On this account the report is, perhaps, more meagre in respect to services and contributions, than it might otherwise have been. But the Rector cheerfully bears testimony to the faithfulness and acceptableness with which the Parish was served during his absence by the Rev. Henry Lockwood, and also to the zealous and successful efforts of his people to maintain it in a prosperous condition.

A building for Chapel and Sunday School purposes, has been erected during the the year, at a cost of nearly $1.500, the greater part of which was contributed by the Ladies' Sewing and Benevolent Society, and the Children of the Sunday School. A portion of it was included in last year's report. The Rector performed full duty as Missionary at St. Anthony's Falls, Minnesota, from December to May.

Three hundred and five dollars, of the above amount, were contributed by the Sunday School, at the Anniversary, in May. The Young Ladies Missionary Society at the same time, contributed $250 towards the proposed Mission Chapel. The funds thus far provided are on deposit, to be used as soon as a sufficient amount shall be secured. But for the general disturbance of all financial interests in the country, the Chapel would certainly have been erected this summer. In the purchase of the Rectory for the Parish, a cash payment of $4.000 was made, as above stated.

The system of pew rents was changed on the 6th of June last, for a monthly subscription given at the offertory. The seats are not free, but assigned by the Wardens without reference to the amount subscribed. Under this system, the number of contributors to the support of the Parish has thus far increased about seventy per cent., and the aggregate amount pledged, about sixty per cent., as compared with the pew rents of last year, being thirty per cent. more than has ever before been pledged in any manner for this object. The attendance at church has considerably increased.

All but nine of the Communicants reported have received the Holy Communion during the year.

The contribution to the "Widows and Orphans' Society of the Diocese of Ohio" is on account of the Rector's membership in the same, and indirectly for his benefit.

An effort is now making to increase the Sunday School Library.

The Parish, in outward things, is enjoying a quiet, but healthy prosperity. Its numbers have very considerably increased since the erection of the new Church Edifice, which proves, upon use, all that could have been desired. A floating debt of $2.600, which has hitherto embarrassed us, is now almost extinguished. Services are held upon all the Festivals and Fasts, and upon Wednesday and Friday of each week. With manifold external privileges, we have only to desire and pray for a corresponding spiritual life and growth.

This present missionary took charge of this Church the latter part of Augu the past year. At that time, and for several months after, the prospects of Parish were not at all encouraging. The congregations were quite small, with a few exceptions, but little interest was manifested. Since Easter a ma change has, however, taken place. The attendance upon the services has st ly increased, and now there are evidences of growing attachment to the wo and principles of the Church. We have reason to thank God and to hope fo future.

An imperative call of duty requiring me to go to Europe, I left my charge, Oct. 3, 1860, with the assent of our Diocesan and the Vestry, and did not return until July 28, 1861. This disconcerted all my Parish plans for the year, and will account for the deficiencies and inaccuracy of the above report. For several Sundays before leaving I held service in the Academy, in the village. About the 1st November the Church was re-opened, after the completion of important alterations and repairs. And here I cannot forbear to allude to the excellent workmanship of Mr. Myers of Buffalo, a Vestryman of St. Luke's Church in that city, as shown in our new recess chancel-window of stained glass with three lights, and

in twelve other stained glass windows with symbols. During my absence reg lar and well attended Lay Services has been maintained. Of the $3.000 debt i curred last year for the Church alteration, the sum of $300.25 remains unpaid. A our last Vestry meeting the payment of this balance was provided for, and with a few weeks the Church will be ready for Consecration. The Parsonage has bee sold, being greatly out of repair. We have adopted the Free Seat system, ar hereafter will depend upon weekly subscriptions and offerings for the payment all ordinary expenses. The basement of the building has been fitted up and fu nished for a Parish School, which we expect soon to establish.

Since entering upon the incumbency, there seems to be con able life and activity; and by the blessing of God upon our labors, we lo abundant fruits. We hope to contribute to all canonical purposes of the Di and otherwise lend our aid to the advancement of the Gospel. The services of the Missionary have been occasionally extended to the adjacent villages of Wayne and Monterey. In each of these places there are several Church families, and not a few others who are earnestly in favor of our operations. There is here such an increasing tendency towards Episcopal Services, that in both of these places it will probably result in Church organizations. This future extension of Church influence will depend, under the Divine blessing, very much upon the Parochial doings at Bradford, and that too in respect to the erection of a Church Edifice. The supply of such an indispensable requisite in that Parish would greatly increase the Church influence not only in Bradford, but also in the adjacent villages. This urgent improvement is now in progression. Much of the requisite funds are subscribed, so that whenever the present money pressure subsides, the Church building will, we trust, be carried on to completion.

D., Syracuse, who reports: That he resigned the Rectorship of Christ Church, Binghamton, on the first of May, 1861, and since that time has been in charge of St. Paul's Church, in the city of Syracuse, supplying the place of Rev. Geo. M. Hills, Rector, who is absent from the country. In addition to the reports from the respective Parishes, he has preached twice at Salina, twice in Trinity Church, Syracuse, once at St. James, Syracuse, and administered Holy Communion in the absence of the Rector, and twice in St. Peter's Church, New York City.

From the Rev. JOHN F. ERNST, Buffalo, who says: Since presenting my report in 1860, I have performed Ecclesiastical duties, as follows: Public Services, in full 15, in part 10; Holy Communion, administered in public 11, in private 1, in part 2; Burials 3; Marriages 1; Sermons preached 14.

In addition to the above mentioned services, I took part in the examination of one Candidate for the Order of Priesthood, and afterwards presented the same person for the receiving of that Sacred Order.

From the Rev. R. I. GERMAIN, Buffalo, who says: I have nothing special to report. I have rendered occasional assistance to other Clergymen in discharge of Ministerial duty. I returned yesterday from Dunkirk, where I had been to administer, the day previous, the Communion in the morning at Dunkirk, and in the afternoon at Forestville. But of these and similar acts, I keep no record, as they are done for others, and are registered in their Parochial records.

From the Rev. A. JACKSON, D. D., President of Hobart College, Geneva, who reports: That he has been, during the past year, constantly occupied with his duties, as President of Hobart College. In addition to the ordinary duties of his position, he has bestowed much attention and labor on an effort to increase the endowment of the College, which has resulted in adding $60,000 to its permanent resources. This will enable the authorities to provide increased facilities for instruction in certain departments, and also to secure to the students a more efficient religious training and culture.

Seven Scholarships in aid of young men studying for the holy Ministry, each yielding $100 per annum, are now available and partly occupied. From twenty-one to twenty-eight additional Scholarships are provided for by a legacy, and will come into operation at a future day, the greater part of them in about a year from this time. The College is indebted to the pious liberality of the late Allen Ayrault, of Genesco, for these Scholarships, as also for a legacy of $20,000 to found a Chair of Agricultural Chemistry. This legacy is subject to certain conditions, which it is believed the College will be able to comply with.

The past year has been a prosperous one in all respects. At the recent Commencement twenty-one students were graduated, of whom one-third will probably study for Holy Orders. As the Scholarships, named above, come into full opera-

tion, the number of Candidates for the Ministry, which it will be able to supply, will be greatly increased. With increased endowments and enlarged facilities for imparting a liberal education of the highest character, the College will be enabled more effectually to promote the best interests of both the Church and the country.

From the Rev. K. METCALF, D. D., Hobart Professor of Latin in Hobart College, Geneva, who reports: Besides my customary duties in the College, I have celebrated Divine Service, and preached at Clifton Springs 13 times, and administered the Holy Communion 4 times; in St. John's Church, Phelps, preached 16 times, administered Holy Communion 4 times; in St. Peter's Chapel, Geneva, preached 10 times, and elsewhere 11 times; Baptized in St. John's, Phelps, 2 adults, 2 infants; in Trinity, Geneva, 1 infant: Buried 2 persons in Geneva and 1 in Phelps, and presented 3 persons for Confirmation in St. John's, Phelps. I have also read Service a considerable part of the year in the College Chapel.

From the Rev. MARTIN MOODY, New Berlin, who reports: That during the last Conventional year he continued his services at Christ Church, Lockport, performing the various Parish duties, until the first Sunday in November, when he left for his present position at New Berlin. At this place, as Assistant Rector and Principal of the Parish School, he has passed the remaining portion of the year. He has performed Clerical Services here and in the neighborhood, under the direction of his Rev. Principal every Sunday; preaching as often as once on each Lord's Day. Deeming this general report all that is necessary, he respectfully submits it.

From the Rev. B. NORTHROP, New Hartford, who says: I would report to you that during the last Conventional year I have officiated eleven Sundays in the vacant Parish of St. Matthew's, Moravia; have also read prayers and preached on Christmas eve and on Christmas day, and held week-day services during the season of Lent, and administered the Holy Communion in the Parish four times, and buried one child. I have officiated one Sunday, and administered the Holy Communion in Grace Church, Waterville; have read prayers and preached 1 Sunday in Trinity Church Utica; 1 Sunday in Calvary Church, Utica; 1 Sunday in Zion Church, Rome, and 3 Sundays in St. Stephen's Church, New Hartford, besides occasionally assisting in the services at other times.

From the Rev. A. C. PATTERSON, Skaneateles, who says: My services, since the last Diocesan Convention, have been given to the Church of the Ascension, Buffalo, up to the third Sunday in April last; then to Christ Church, Lockport, for six Sundays; since then, my affairs requiring me to be here, I have assisted the Rector of St. James' Church, on three Sundays and at two funerals.

From the Rev. M. A. PERRY, Utica, who says: In addition to attending Divine Service at Grace Church, on the Sundays in which I was not engaged in Clerical duty, and also the stated weekly prayers and lectures, I have performed the following duties during the current year. On Sunday, the 16th day of September, I attended a funeral in the city, preached a funeral sermon, and buried the dead at Forest Hill Cemetery. On the 5th day of October I assisted in Evening Prayer at Grace Church. On Saturday evening, November 3d, I attended at the residence of the Rev. Mr. Brandegee, and took part in the examination of Mr. Russel Todd. On Sunday the 4th, I attended Divine Service at Calvary Church, in the morning, presented Mr. Todd to the Rt. Rev. Bishop DeLancey, for Ordination to Deacon's Orders, and assisted the Rev. Mr. Goodrich in the distribution of the Communion. On Sunday, November 25th, I attended the funeral of Mr. Gaylord G. Brooks, at Christ Church, Herkimer, preached a funeral sermon, and performed the burial service at the grave: and on the evening of the same day, I baptized his infant child. Sunday December 2d, I assisted the Rev. Mr. Gibson, he being unwell, all day in reading prayers: and also, in Evening Prayer, I read the Baptismal Service, he baptizing an infant.

On Tuesday, December 25th, being Christmas day, I attended Divine Service, at Trinity Church, Boonville, took a part in Morning Prayer, read the Ante-Communion Service, and administered the Communion; and in the evening I attended the Sunday School Anniversary Celebration, when, by request of the Rev. Mr. Costell, I examined the children in the Catechism, and addressed them.

At Boonville and Forest Port, during the incumbency of the Rev. Mr. Costell, and since he has resigned those stations, I have assisted in the services, read prayers and preached six Sundays, and administered the Communion in each Church four times. At Boonville I have attended the Bible Class on several occasions, read prayers with the class, heard their recitations, and addressed them. And I cannot but express the pleasing satisfaction it gave me to witness the progress of both the children of the Sunday School, and the young people of the Bible Class. From their recitations they manifested careful training in their Christian attainments, reflecting great credit on their faithful and affectionate instructors. In Grace Church and Chapel I have assisted in reading prayers seven times, and preached one Sunday both morning and evening, and assisted in the Communion Service once. And I have read Evening Prayer, and preached on four Sundays for the coloured people of the city. Communion administered 8 times; Baptisms (inf.) 1; Burials 2.

From the Rev. JAMES RANKINE, Geneva, Professor and Rector of the Training School for Candidates for Orders, who says: I would respectfully report, that on the 1st of January, I resigned the Rectorship of St. Paul's Church, Owego, Tioga Co., and that the account of my labors since the last Convention, until that time will be embodied in the Parochial Report of that Parish. During the Sundays in January, I officiated by your direction in St Peter's Chapel Geneva. Feb. 1st, by appointment of the Board of Education, I entend upon the duties of Professor and Rector of the Senior Department of the Training School and Officiating Minister of St. Peter's Chapel, Geneva. Since that time I have had under my charge four Candidates for Orders, and two applicants. One Candidate, George Webb Southwell, was ordained Deacon, June 2d, at Auburn, and two others, Alex. H. Rogers, M. A., and Duncan C. Mann, are waiting to be admitted to the same Order at the meeting of Convention. There are at present two Candidates for Orders, members of the school, Robert C. Wall, and Lewis G. Weaver, late of the Methodist denomination. Several others are expected to be admitted soon. I am sorry to have to say, that several persons who would be glad to avail themselves of the advantages of the Training School, are prevented from doing so by a want of means to support them while attending it.

In connection with St. Peter's Chapel, I would report the following statistics, for the same period: 41 families have been received to pastoral care, embracing 152 individuals; Baptisms, (adults 3, children 9,) total 12; Confirmed 13; 66 Communicants have been entered on my list, 42 from Trinity Parish, 10 from abroad, 14 admitted anew, lost by death 1, removal 1, present number 64; Marriage 1; Burials 5; Services 50; I have administered the Communion in public 5 times, and 5 times in private. A Sunday School, including a Bible Class, reciting to me, has been organized, and Sunday School and Parish Libraries begun; children 52, teachers, 10. Communion Offerings for May, June and July, $20 52.

From the Rev. GEORGE W. SOUTHWELL, Deacon, who reports as follows: Immediately after my ordination, on June 2d, I came to Cazenovia, at your request, to take temporary charge of St. Peter's Parish in this village, and of St. Paul's, Chittenango, until the Rector, Rev. A. P. Smith, should recover from his illness. I have read service and preached sixteen times, and read prayers on Saints' days five times.

From the Rev. WM. D. WILSON, D. D., Trinity Professor of Christian Ethics in Hobart College, Geneva, who reports: That during the last Conventional year,

besides performing his duties as Professor in the College, he has married 1 couple, officiated at 1 Burial, administered the Holy Communion 4 times in public, and taken part either by preaching or otherwise in the Public Services of the Church on nearly every Sunday and other Holy Day during the year.

From the Rev. J. WINSLOW, Deacon, residing in Watertown, who reports: That from the time of last Convention he has continued his services as Assistant Minister of Trinity Church, Watertown, and also as Missionary at Sterlingville, Carthage, and Champion; that at Carthage and Champion he has officiated once each Sunday, with an occasional exception, and at Sterlingville once in two weeks, with an occasional service in other places, making two, and one-half of the time, three Services on Sunday.

That since last report he has Baptized 3 adults and 15 infants, has attended 4 Burials, and officiated at two Marriages; and has assisted the Rector of Trinity Church Watertown, in the week-day services a part of the time.

From the Rev. M. VAN RENSSELAER, D. D., President of De Veaux College, Suspension Bridge, who says: I beg leave, very respectfully to report that during the past year Morning and Evening Prayer have been performed daily in the Chapel of the College, at which I have regularly officiated, with very few exceptions, when the duty has been discharged by the Rev. Mr. Winne. I have preached at the Sunday Morning Service, and catechised the children after Evening Prayer every Sunday, when in attendance. In addition to the above services, I have administered the Holy Communion once, and preached occasionally for the Church of the Ephiphany, Niagara City.

Baptisms 6 children; Confirmed 13, (2 for the Church of the Epiphany not included;) Marriage 1; Burial 1; Holy Communion, publicly administered 13 times, and in private 4 times.

APPENDIX.

No. V.

To the Clergy and Congregations of Western New York:

BRETHREN: I set forth the following Prayer, to be used at the discretion of the Clergy, in the appropriate place, in the morning and evening service, as a substitute for the form of prayer lately presented.

Fervently commending our country to the blessing of Almighty God,

I remain affectionately, your friend and Bishop,

WILLIAM HEATHCOTE DELANCEY,

Bishop of Western New York.

GENEVA, May 1, 1861.

PRAYER.

Almighty and Eternal God, King of kings and Lord of lords, by whose will nations are cast down, or stand, we humble ourselves before Thy Divine Majesty, in this our national distress and trouble. We confess our unworthiness and guilt in Thy sight, and the justice of this visitation of Thy wrath. Fervently we implore Thy forgiveness, defence, and succor. Uphold, we beseech Thee, the Government of this land, by Thy merciful and mighty power. Restrain the enemies of peace and union. Give grace, wisdom, and strength to all in authority over us, that by their counsel, control, and efforts, upheld and guided by Thy power and blessing, THIS REPUBLIC MAY EVER BE PRESERVED. Grant that truth, duty, union, and patriotism may triumph. Stay the progress of intestine war and insurrection. Restore to our country union, prosperity, and peace; and grant that all of us, humbled and improved by Thine afflicting hand, may henceforth strive more faithfully to serve Thee here on earth, and may finally attain to everlasting life hereafter, through Jesus Christ our Lord. *Amen.*

ADDRESS.

My Brethren—The Clergy and Laity of the Convention:

My annual duties commenced on the 22d August, 1861, about six hours after the Convention adjourned, when I held, in the evening of that day, a confirmation in St. James' Church, Syracuse, and confirmed *eight* persons.

I put on record here, what I unintentionally omitted in my last Address, that the day before the last Convention, viz: August 20th, 1861, in St. Paul's Church, Syracuse, I ordained two Candidates, Mr. Alexander Hamilton Rogers, and Mr. Duncan Cameron Mann, of the Diocesan Training School, Geneva, to the Diaconate, and two Deacons, the Rev. Ammi M. Lewis, of Cape Vincent, and the Rev. William Meredith Ogden, of Constableville, to the Priesthood.

On Sunday, the 25th of August, in the morning, I read prayers and preached in Trinity Church, Seneca Falls. The confirmation was deferred on account of a recent domestic affliction of the Rector, which had interrupted for some time his Parochial labors.

In the afternoon of the same day, I preached in the Methodist Chapel at Cayuga Bridge, to a crowded congregation, and baptized two children.

On Sunday, Sept. 1st, I attended service in Zion Church, in the city of New York, both in the morning and at night. At the former service, I administered the holy communion with the Rector, the Rt. Rev. Dr. Southgate.

On Wednesday, September 4th, I preached the Sermon on the Centennial Anniversary of the opening of St. Peter's Church,

Philadelphia, my former Parish, to which I had been invited by the Rector, Wardens and Vestrymen of that Church. The church edifice was opened for public service September 4th, 1761. It had survived the change of the civil and ecclesiastical governments. It was identified with the early organization of the Protestant Episcopal Church, both in the Diocese of Pennsylvania and in the United States. Some of its Vestrymen had represented Pennsylvania in the General Convention from 1785 to 1847. Some had been on the Standing Committee of the Diocese from the first establishment of such Committee, in 1790, for more than sixty years And some were concerned in all the Institutions of the Diocese, and of the Church at large, from the very beginning, as the formation of the Constitution, the adoption of the Prayer Book, the establishment of the General Seminary, and of the Board of Missions and the Sunday School Society. The Rectors had always been unanimously elected. Of the seven Rectors, three had been chosen Bishops, and three were then present.

Both in its Clergy and its Lay-members, St. Peter's Church had been, under God, a prominent and efficient agent in moulding, sustaining, and advancing the sound conservatism, and healthful interests of the Protestant Episcopal Church in the Diocese of Pennsylvania, and in these United States.

I may venture to append to the Journal, some further facts which it may be interesting to us, in this remote day, and these uncertain times to contemplate.

It has an ample property, but can neither rent nor sell, and in this emergency it must appeal again to the Church for aid, for the two objects, to preserve the property and to provide support for the Professors.

Our Diocese has before it now the heavy pressure of a provision for its Missionaries, $1,600, for the printing of its Journal, $400, for the expenses of its Clerical Deputies, $250, for the expenses of the General Convention, $300. Douglas, Esq., of Geneva. The address on the occasion was delivered by the Rev. Doctor William T. Gibson, a graduate of the College, to which I added a few remarks on Christ as the true foundation to all sinners, of existence, redemption, instruction, grace, and glory, "other than which can no man lay," together with my congratulations on the success of the College, my benediction on its work, and my prayers for its prosperity and usefulness throughout all time. By God's blessing on the efficient labors of its President in securing funds, the liberality of its friends, and the plans of its Trustees, Hobart College is now, not only free from debt, but possessed of an endowment, which, under God, secures its perpetuity and usefulness, for years to come, as an agency for sound education in the Church, and a fountain of supply for a learned and well trained ministry. It may claim the patronage, love and liberality of the Diocese and of the Church at large, and we trust, that in numbers, gifts and bequests, its future history will be as distinguished as its pupils may be in attainments, distinction and usefulness.

For St. Paul's Church, Havana, erected by individual munificence, and not placed in the hands of the Vestry, who have the use of it, consecration has not been asked.

The the new Church edifice at Windsor, is not finished.

I have given my canonical consent to the organization of new Congregations at Clinton, at Utica, at Big Flatts, and at Horseheads, at Northville, and at Five Corners. At Utica and Northville Church edifices are in progress.

Twelve Church edifices, incumbered with debt, are not yet consecrated, though regularly used.

During the past Conventional year, 64 Missionaries have labored in the Diocese; 43 for the whole year, and 21 for longer or shorter periods, the majority of them for more than six months. The present number is 55.

For the results of their labors I refer you to their Parochial and Missionary Reports.

Three of our Missionaries have been called to other Dioceses, and four have been received from abroad.

The beneficiaries, aided by our Education funds, is 5; and the Benevolent Society of New York, for the Promotion of Religion and Learning, which covers the whole State, both Dioceses, in her expansive beneficence, has aided *four* Candidates for Orders, and *three* Students in Hobart College.

The Permanent Missionary Fund has been increased by the full payment of the balance, $2,000, of the bequest of the late Mrs. J. D. Mumford, amounting in all to $5,000.

And by the additional bequest of Mr. L. B. Wright, amounting, in principal and interest, to $852, paid to the Treasurer in June, of this year. The whole Fund now amounts to $17,472. It has yielded, during the past year, in interest, $1,009 28, which has been paid to our Diocesan Treasurer, and applied to the support of our Missionaries.

The Van Wagenen Missionary Fund for Chenango county, amounts to $2,182. During this year the interest has been added to the principal.

For details, I refer to the Report of the Education and Missionary Board.

The demands upon the Christmas Fund for Disabled Clergymen, have increased. Two, from ill health, and one, from age, have been added to the list, making the annual expenditure hereafter to amount to $1,600.

The receipts during the past year have amounted to: From the Christmas Collection, $1,402 15; from interest on investments, $490. The amount paid to our 8 brethren, from this Fund, is $1,500, so that, without this interest, the demand could not have been met. The invested funds amount to $7,000.

The De Veaux College, for destitute and orphan children, maintains its useful and successful career.

The Annual Report was laid before me, as usual, on the 1st of January, 1862.

From this, I learn that the property stands thus, viz:

Amount of principal invested in bonds, mortgages, notes and stocks, yielding income, is	$162,334 49
Estimated value of real estate liable to sale, is	23,500 00
The cost of buildings and improvements,	21,332 59
For furniture, house and farm,	5,743 13
	$212,910 21

The inalienable farm, 330 acres, yields a rent of $450.

The entire income for the preceding year is reported at	$10,857 20
The total expenditure, including attendance, repairs and additions, is	$11,533 28

Several of the pupils, having received the benefits of the College for over four years, have been returned to their friends, or put out to occupy positions for self-support and usefulness.

The number in the College was then 32. It is 28 at this time.

The Report of the College will be laid before the Convention.

The Report of the Training School will show the state of its funds, securities and promises. It has been enabled to meet its engagements punctually, to provide the salary and house rent of the Rector.

Of the Candidates taught in it, five are now laboring usefully in the Diocese, and three, during the fall, it is expected, will be Ordained.

I have made no further applications for pecuniary means to make up the $30,000 in its behalf, deterred by the distracted condition of our beloved country in its resources, and by the more imperative claims of other objects. The sum of $275 has been sent in to me, $100 in fulfillment of a verbal promise. For details I refer to the Reports of the Board, of the Lay Trustees, and of the Rector.

The collections in St. Peter's Chapel, over and above its expenses, paid towards the income of the Training School, have amounted to $140, or five per cent. on the $2800 at which it was estimated.

There has been sent in to meet the boarding expenses of the students, at Geneva, as voluntary gifts, $106,* which has been applied, as needed, to the object, leaving a balance of $65 now in my hands.

Funds are needed also to supply the Students with text books for study in the several departments, to be used by them, but to belong to the Training School, for successive classes. Any books given for the purpose, or money sent to the Bishop or Rector, to purchase them, will be most usefully applied. The Report of the Rector will present the Parochial Statistics of the Chapel.

I state the following as the contributions of the Diocese for the past year, to the recognized objects of the Church, aside from Parochial Objects, Hobart College, and the Permanent Missionary Fund:

For Christmas Fund for Disabled Clergymen, collections and donations,	$1,402 15
Monthly Collections and donations,	9,459 83
Sums passing directly to the objects, without going through Diocesan Treasury	2,580 00
The Training School,	500 00
General Seminary,	360 00
	$14,301 98

I have now presented to you the customary details in the affairs of our Diocese. Several of the Parishes remain still encumbered with debt. In some of them, as Trinity Church, Elmira, Christ Church, Oswego, a portion of their indebtedness has been removed, but the burden still hangs upon 12 of them so as to prevent their Consecration. I invoke them to renewed efforts to escape from this bondage.

In other respects, I rejoice to be able to state the Diocese, as such, is free from debt. Our Missionaries have been faithfully and fully paid to 1st of July. To the Bible, Prayer Book and Tract Society, we owe nothing. The same record is to be made as to the Church Book Society. Increased and increasing zeal and liberality constitute, with earnest gratitude, the only demand upon us.

Let me express my warm thanks to the Diocese, for their liberality and consideration in this matter. In most of the Parishes the collections have been duly made and forwarded. In some few able ones, I regret to state, there is sad deficiency. No less than 40 are reported last year (1861) as failing to forward funds to the Diocesan Treasurer. By far the majority of these, however, are feeble Missionary Parishes, from which but little is expected—but *that little should come.* It is the aggregation of small sums, frequently and statedly collected—collected every month—that constitutes the vitality of our system of Church collections. All *can* give and *should* give something. This year's Report also enumerates 40 Churches as having sent nothing to

the Treasury. In them not even a widow's mite has been cast into this treasury of God!

That the bearing of this neglect of duty by the clergy and people concerned may be fully seen, let me state that $1 per month at the collections, from these forty congregations, would yield $480, and thus provide full stipends for 3 more Missionaries; $2 per month, $1,062, stipends for 8 Missionaries; $3 per month, $1,440, stipends for 11 Missionaries; $4 per month, $1,920, stipends for 15 Missionaries; and $5 per month, $2,400, stipends for 19 additional Missionaries to our present list.

Let me invoke your attention, my brethren, most earnestly, to this duty. We have before us, this Autumn, beside our Diocesan Missionary claims, the expenses of the General Convention, and of Clerical Deputies to the same, in addition to the printing of the Journal, involving an expense, altogether, of *one thousand* dollars. The Missionary payment will require about $1,600. So that between this time and the 1st of October, $2,600 must be raised to meet the demands upon the Diocese. Let us awake to this prospect. Let no Clergyman refrain from an appeal to his people. Let us all give; with God's blessing on our faithful zeal and liberality, this demand can be met. I made a special appeal, in March last, for this class of objects, which was so met as to relieve the Diocese from debt, and secure the printing of the Charge. Some few able Parishes do not correctly estimate their duty on these points. Some Parishes make the collections for Church objects, but apply the proceeds, in part or in whole, to the Parish. Some seem to think that if other Churches make the collections, they may be exempt. Some object to one class of objects, and do not collect for any. Some object to the canons, regulations, usages, prevailing views, tone of feeling, control and action of the Convention, and one or two deny the right of the Convention to recommend collections for any object outside of the Parish; which might be valid, if the collection were a tax, and the Wardens were sheriffs, and the Vestry could distrain upon the flock, and there was a court of justice before which the people could be arraigned, and the payment enforced; but which must appear as the objection of mere folly, when it is known that the appeal is not to coercion, but to *reason, judgment, conscience*, and a sense of duty. On these, the Diocese has relied since 1840,

when our present system of collections began. On them it has hitherto, under God, been more or less successful. On these it may continue to rely, in the humble hope, that hereafter, as heretofore, the Divine blessing will be vouchsafed to our efforts, and our system, aimed as it is to promote His glory, and the temporal, spiritual and eternal good of our brethren in the Church, and of our fellow sinners every where.

I can not better close this address, than in the earnest language of Laymen to Laymen, as supplied in the address of the Lay Committee of the General Convention, copies of which are here for distribution, comprising the names of some of the most prominent Churchmen throughout our Communion:

"Amid all the allurements and all the exactions of a wicked world, let us never forget the eternal obligations we owe to our divine Redeemer, nor grieve the spirit of God, by madly pursuing money merely to hoard it, or by idly lavishing it in empty vanities, selfish indulgences, and wasteful, if not sinful modes of living.

"We have desired to make the appeal to you so direct, that each one will carefully weigh the duties which he owes in the several relations in which he is placed, in the Parish, in the Diocese, and in the Church at large. We trust that each will consider in what manner he may do still more than he ever has done, to carry forward her divinely commanded work in all her fields of Christian effort; that, as far as possible, every individual layman will systematically aid such objects as shall seem most important, with a view to continuous and united action; that each will estimate his own ability, and give as God hath prospered him, whether it be the Christ-commended mite of the poor widow, or after the example of the munificence of the centurion, whose praise it was 'that he loveth our nation, and has built us a synagogue;' and especially that each will measure his action, not by the example of others, but by his sense of gratitude, his sense of responsibility, and his sense of the magnitude of the work to be accomplished.

"BRETHREN OF THE LAITY, let us, in conclusion, earnestly and affectionately entreat you always to look with a large and liberal eye upon the Church and the various duties you owe her, and never to allow her influence or just authority to be weakened, by needless differences in matters comparatively unimportant. The great work now committed to our care is much too large, to permit us to engage in any idle or trifling controversy. The blessed unity of the Church, the great secret and source of her power, is inestimably precious. Let it never be endangered by any fault of ours, but let us ever remember and carefully cherish that golden rule, so easy to observe, 'IN ESSENTIALS, UNITY; IN NON-ESSENTIALS, LIBERTY; IN ALL THINGS, CHARITY.'"

In the perils which hang over our country, the deep interest of our Protestant Episcopal Church is shown in furnishing statesmen for her Cabinet, generals for her army, and admirals for her navy, soldiers for her field and sailors for her ships. We have in this Diocese discountenanced party political discussions or State questions, in her pulpits and her conventions, as inappropriate to the true objects of the Sanctuary and the Synod. No political action is needed here. But in prayers for her safety, in contributions for her defence, in sacrifices for her rescue, in offerings of counsel, life and treasure for her preservation, we stand side by side with our fellow citizens of every name and faith, throughout the land; in the deep conviction that no form of government has ever been framed by man so favorable to the security, labors and expansion of the Church of God, as the government established by the Constitution of these United States: which without a profession of faith, or any avowal of infidelity, in dating its adoption "IN THE YEAR OF OUR LORD," and in exacting *oaths* of allegiance, of office, and testimony in courts of justice, in repudiating an atheist as a witness, and in punishing perjury, has openly recognized the existence of ALMIGHTY GOD, and final rewards and punishments by Him; in which government the political and religious elements are kept distinct; which establishes no religion but admits and protects all; and which has given a freedom, opportunity and countenance to the rise and expansion of this Protestant Episcopal Church, amongst others, (on which God has been graciously pleased to shower abundant blessings,) thereby not only justifying but exacting in us, the zealous effort, the ready contribution, the cheerful sacrifice, and the fervent prayer, that the rebellion against its authority may be suppressed, the Union restored, and this REPUBLIC MAY EVER BE PRESERVED; to which petition there is heard in her one hundred and fifty congregations of the Diocese, in loud and hearty response, AMEN.

Let us now betake ourselves to the duties and deliberations for which we are assembled; and may Christ, by his holy spirit, enable us all, so to think, speak and act, that our sayings and proceedings may redound to his glory, our good, and the true welfare of his Holy Church.

he Rev. Dr. Shelton, in behalf of the Standing Committee on
Admission of Churches into Union with this Convention,
.e the following

George Heathcote Hills, son of the Rev. George Morgan Hills.

REPORT:

The Committee on the Admission of New Churches into union with this Convention, respectfully report:

That four applications have been referred to them, viz:

St. George's Church, Utica, Oneida county; Calvary Church, Northville, Cayuga county; St. Matthias' Church, Horseheads, Chemung county; St. John's Church, Big Flatts, Chemung county.

The preliminary proceedings in all these cases appear to have been correct, and the papers are drawn in the legal form.

The Committee, therefore, recommend that they be severally admitted into union with the Convention.

Respectfully submitted,

WILLIAM SHELTON,
W. HUNT,
ISAAC A. VERPLANCK.

The question in the case of these Churches, recommended by the Committee, being taken separately,

On motion,

Resolved, That St. George's Church, Utica, Oneida county, be admitted into union with this Convention.

Resolved, That Calvary Church, Northville, Cayuga county, be admitted into union with this Convention.

Resolved, That St. Matthias' Church, Horseheads, Chemung county, be admitted into union with this Convention.

Resolved, That St. John's Church, Big Flatts, Chemung county, be admitted into union with this Convention.

Whereupon, Messrs. Stephen Thorn and Henry McKay, Lay Deputies, from St. George's Church, Utica, presented their certificates and took their seats.

Mr. W. H. Walker, in behalf of the Standing Committee on the Report of Trustees of the Christmas Fund for Disabled Clergymen, presented the following

REPORT:

The Standing Committee on the Report of the Trustees of the Christmas Fund for Disabled Clergymen, beg leave to report: That they have examined the statement of receipts and payments for the year ending August 1st, 1862, and that the same seems to be correct.

The Committee would suggest, that in future, the vouchers for payments made should accompany the report.

The principal of the Fund now amounts to $7,613 50—seven thousand dollars of which is reported as loaned on bond and mortgage, on farming lands, and the balance, $613 50 is in the hands of the Treasurer.

A satisfactory report on the character of the securities held by the Trustees by S. H. Ver Planck, Esq., is herewith submitted.

ie Committee deem it to be their duty to call the attention of the Convention ie fact, that the number of those asking the aid of this noble charity is con- tly increasing. Thus far the income of the Fund has been sufficient to meet lemands made upon it, and to add a small amount to its principal annually. at this desirable result can not long be maintained, without a substantial ease in the contributions of the Parishes.

All of which is respectfully submitted,

W. H. WALKER,
SIDNEY WARNER,
JNO. R. CLARKE.

The Committee beg to remind the Rectors, Wardens of Churches and other parties, remitting moneys to the Treasurer, to see that it is properly and duly acknowledged in the *Gospel Messenger*, which is the only check upon that officer for the various receipts into the Treasury, his published reports being the only evidence of the receipts of moneys furnished to the Convention.

Mr. George H. Mumford, in behalf of the Standing Committee on the Report of the Trustees of the Fund for the Support of the Episcopate, made the following

REPORT:

The Standing Committee, to which was referred the Report of the Trustees of the Fund for the Support of the Episcopate, beg leave to report: That they have carefully examined the Report of the said Trustees, and find that the Fund in their charge, at the present time amounts to $49,525 53, and consists of the following items:

Loans secured by Bond and Mortgage,	$44,015 00	
Rail Road Bonds,	2,300 00	
Pledges of Vestries,	1,000 00	
Unpaid Notes,	410 00	
Cash not invested,	1,800 53	
		$49,525 53

This aggregate is something less than the amount reported last year, and the difference arises from the fact that Notes to the amount of $440, heretofore reported as belonging to the Fund, have been ascertained to be unavailable and worthless, and together with the share of Watertown Woolen Company Stock, of the nominal value of $100, reported last year to be of no value, have been struck off from the list of assets belonging to the Fund.

From the report of E. A. Graham, Esq., (accompanying the Report of the Trustees,) who, at the request of the Bishop, has examined all the foregoing Securities, your Committee is satisfied that the moneys belonging to the Fund, are safely and securely invested.

The income of the Fund for the last year has been $3,611 49,* being an increase upon the income of the year preceding, and has all been duly paid over to the Diocesan.

J. Watson Williams, Esq, of Utica, and Thomas H. Rochester, Esq., of Rochester, having tendered their resignation as Trustees of the Episcopate Fund, the Committee would suggest to the Convention the names of Edmund A. Graham, Esq., of Utica, and Joseph Juliand, Esq., of Greene, to supply these vacancies.

All of which is respectfully submitted,

The Trustees for the care and management of the Fund for the Support of the Episcopate of the Diocese of Western New York, respectfully report:

That during the last year they have received from payments on account of the principal of the Fund, Mortgages satisfied and Notes discharged, the sum of $3,430 00
Contributions to increase the Fund, ... 19 00
Cash on hand as per last report, ... 21 44

(*See Schedule B. hereto attached) $3,470 00

The sum of $1,670, has been invested on Bond and Mortgage during the year, leaving cash on hand, as per Schedule C., $1,800 53.

The statement A., appended to this Report, is an account of the Receipts and Disbursements of the Income of the Fund during the year, amounting to $3,611 49 which has been paid to the Diocesan, as appears by his receipt hereto annexed.

Upon investigation, we find that Notes heretofore reported as part of the Fund to the amount of $440, are unavailable; and the $100 share of Watertown Woolen Manufacturing Stock, also being valueless, raises the sum of loss to $540, which being deducted from the Securities, leave the Principal of the Fund to consist of the following items:

Bonds and Mortgages,	$44,015 00
Rail Road Bonds,	2,300 00
Pledges of Vestries,	1,000 00
Notes unpaid to increase Fund,	410 00
Cash not invested,	1,800 53
(†As appears in detail in Schedule D.)	$49,525 53

J. WATSON WILLIAMS.

August 20, 1862.

To the Convention of the Diocese of Western New York:

At the request of Bishop De Lancey, I have examined the Securities held by the Trustees of the Fund for the Support of the Episcopate of said Diocese, and beg leave to report to the Convention that, last year I very thoroughly examined the securities, with the certificates of appraisal, etc., of the property covered by

*This includes arrears.
†The Schedules referred to in this Report, are on file, with the Report, among the papers of the Standing Committee of this Diocese.

the Mortgages, and would refer the Convention to my report, dated August 20th, 1861, in relation thereto. The securities remain the same as at the date of that report, except as hereinafter mentioned, viz:

The Bond, etc, of H. A. Foster, has been paid and cancelled, principal,	$1,600 00
Also that of G. Langford, principal,	1,200 00
Also that of G. R. Jones, principal,	600 00
And a Note of T. A. Johnson, principal,	30 00
Making,	$3,430 00
Balance in hand reported *last* year,	21 44
Contributions to the Fund this year,	19 09
	$3,470 53
Of this amount, $3,470 53, there have been re-invested on Bond and Mortgage,	1,670 00
Having cash in hands of Trustees, not invested,	$1,800 53

There has been and will be, much difficulty in loaning the funds at seven per cent. on the security required by the resolution of the Convention, and it is probable that either the rate of interest will have to be lessened, or a less stringent rule as to security, will have to be adopted for a time.

It has been thought best to strike from the list of the Notes (of $880,) reported last year, a number amounting to $440, as they are undoubtedly worthless.

Also $100 of Woolen Company Stock, then reported worthless, making together, $540 striken out of the list.

The Fund, after making this deduction, amounts to the sum of $49,525 53, viz:

Bonds and Mortgages,	$44,015 00
Rail Road Bonds,	2 300 00
Pledges of two Churches in Rochester,	1,000 00
Notes, to increase the Fund, given long since and not reliable,	410 00
Cash as above,	1,800 53
	$49,525 53

The interest has been paid on $2,100 of the Rail Road Bonds, on one note of $100, and on the Bonds and Mortgages up to the last semi-annual day, excepting on one Mortgage, on which there remains unpaid $210. This, it is expected, will be paid soon.

The income from the Fund for the past year has been $3,611 49, as will appear by the report of the Trustees.

Respectfully submitted,

UTICA, August 18, 1862. EDMUND A. GRAHAM.

Rev. Ferdinand Rogers, in behalf of the Standing Committee on Unfinished Business, presented the following

REPORT:

The Standing Committee on Unfinished Business begs leave to report: That upon an examination of the last Journal, it will be found that the Committee on Manuscript Sermons was continued, as will be seen by reference to page 66th: and on page 65th, the Committee, in certain matters referred by the late General Convention to the Dioceses, was continued. Also on page 67 we find a Committee appointed, who with the Secretaries, shall revise and amend the form for making Parochial Reports, and on the same page we find that the Wardens of such Parishes in the Diocese, as have permanent endowment funds, are to report to this Convention, the amount of such funds, the terms on which they have been

given, and are now held, the management of the funds, and their investment, with a view to the security of endowments.

Respectfully submitted,

FERDINAND ROGERS.
DAVID S. HALL,
JOSEPH OSBORN.

The Secretary of the Convention made the following

REPORT:

The Secretary of the Convention would respectfully report: That by the action of the Convention, from time to time, (see Journal of 1860, p. 73; also Journal of 1861, p. 25,) the *fifth* Rule of Order has been rescinded, and the *second*, *sixth*, and *eighteenth*, Rules altered. He would therefore suggest that in the Journal of the present Convention, the Rules of Order be numbered anew and amended accordingly.

WM. A. MATSON, *Secretary.*

Dated August 21, 1862.

Whereupon, on motion, the Secretary was directed to number and amend the Rules of Order, accordingly.

The Rev. Dr. Beach, on behalf of the Committee appointed at the Convention of 1860, in reference to certain matters referred to the Diocese, by the General Convention, read the following

REPORT:

The Committee to whom it was referred to report on the Canons of the General Convention relating to the Dioceses, respectfully report: That Canon 12, Title I., p. 27, on "General Regulations of Ministers and their Duties," and Canon 5, Title III. of "Congregations and Parishes," (p. 92,) relate to Diocesan matters. The provisions of said Canons are *now* obligatory on every Diocese, as Canons of the General Convention. The Committee do not see the necessity of transferring these Canons to our Diocesen Code at present. It is of great importance that the Clergy, Vestry and Congregations, as well as the Convention, should be familiar with them, before such a transfer be made. They, therefore, recommend the adoption of the following resolution, and that the Committee be discharged.

Resolved, That the Secretary of the Convention is directed to publish, as an Appendix* to the Journal of this Convention, Canon 12 of Title I. and Canon 5 of Title III. of the Digest, and that the Committee be discharged.

Respectfully submitted,

W. H. DE LANCEY, *Chairman.*

The Resolution was, on motion, adopted.

The Rev. Henry A. Neely, on behalf of the Committee on Manuscript Sermons of deceased Clergy, made the following

REPORT:

The Committe to whom was assigned the duty of collecting the Manuscript Sermons of the deceased Clergy of the Diocese, respectfully report: That in addition to the Sermons reported at the last Convention, they have at their

*See Appendix No. V.

disposal those of the late Rev. Alanson Wheeler Welton. They would also state that in the discharge of the duties assigned them, they are enabled to obtain interesting facts with regard to the personal labors of the deceased Clergy, and the history of this Diocese, which, in their opinion, ought to be put upon record.

In the present state of the country, they do not deem it advisable to recommend the publication of any portion of the Manuscripts in their possession. But they trust that whenever the position of financial affairs will permit, such publication will be thought proper by the Convention. They would, therefore respectfully ask to be continued, with the addition of a new member to their number, to supply the place of the Rev. G. D. Gillespie, removed from the Diocese. They would also recommend that their powers be enlarged so as to authorize them to collect and place on record, for the future disposal of the Convention, such facts with regard to the lives and labors of the deceased Clergy as may be of interest to the Diocese.

They, therefore, submit to the Convention the following Resolutions:

Resolved, That the Rev. Ferdinand Rogers be added to the Committee in the place of the Rev. G. D. Gillespie.

Resolved, That the Committee be empowered and instructed to collect and place on record, for the future disposal of the Convention, such facts with regard to the lives and labors of the deceased Clergy of the Diocese, as may be deemed of interest.

W. H. DE LANCEY,
H. A. NEELY,
W. A. MATSON.

The Resolutions were, on motion, adopted.

The Rev. W. Paret, on behalf of the Committee appointed at the last Convention, to revise the Form of Parochial Reports, made the following

REPORT:

The Committee on Forms for Parochial Reports, beg leave to report: That they have caused to be printed the form which they propose to substitute for the one hitherto in use. Copies of it have been distributed among members of the Convention, for their examination.

In the amendments which they suggest, they propose to accomplish two things: 1st, to put the items in a clearer and more regular order, for the convenience of the Clergyman in preparing it, and of the Secretaries in transferring it to the Journal. A glance at the Blanks distributed, will show how they have tried to accomplish this.

The second object was so to choose and arrange the items to be reported, as to present a fair and full view of the actual position of each Parish, and to remove all doubt as to the *meaning* of the items.

In these respects our old forms were defective. Each Parish was called upon to report its Canonical Collections and some others, but not required to state, as by the plan we propose, the whole amount of contributions for the year.

Again, there was much disagreement among the Clergy, as to their interpretation of several of the items; some reporting only Collections made in Church, and others including, also, such individual gifts and offerings as came within their knowledge. We have tried to remove all such ambiguity.

The chief changes proposed may be easily noted. In the left hand column, there will be noticed as new items, under the heading, "Communicants," "The No. last Reported," and the distinction of *male and female* in the present No.

Under the heading of Sunday Schools, the number of Schools has been omitted.

The heading of Parish School has been added.

In the Report of Contributions, will be noticed the divisions: For Objects within the Parish, Within the Diocese, and Exterior of the Diocese. And after the Summing up, the specification of the proportion received at the Offertory.

This report of the business and work of the Parish would, however, be incomplete without the items which follow—The Value of Church Property, and The Parish Indebtedness.

No doubt many other items may be suggested as desirable; but the Committee believe those they have presented to be all that are really necessary. A longer form would defeat its own purpose.

The Committee have given careful and repeated study to their task, and trusting the result may be approved, they leave it with the Convention.

WILLIAM A. MATSON,
CHARLES W. HAYES,
WILLIAM PARET,
HERMON G. WOOD.

Whereupon, on motion, the form proposed* was adopted by the Convention.

Mr. George W. Cuyler, Warden of an Endowed Parish, in pursuance of the Resolution passed at the last Convention, (see Journal of 1861, page 67,) made the following

REPORT:

To the Convention of the Diocese of Western New York:

In pursuance of the resolution on the subject, the following is the report of the amount and the investment of the Gillespie, or Parish Fund of Zion Church, Palmyra, as it stood August 1st, 1862:

Committee.

The Rev. W. A. Johnson also made the following

REPORT:

In behalf of John Russell and Harrison R. Caswell, Wardens of St. Ann's Church, Afton, Chenango county, I would respectfully report: That the permanent Fund of the Parish amounts to $137, and is to be invested on Bond and

Mortgage on real estate of at least twice its value. For present convenience, it is put out on reliable notes at 7 per cent. interest.

W. A. JOHNSON,
Rector of St. Ann's Church, Afton.

The Rev. C. W. Hayes also made the following

REPORT:

The Wardens of St. Stephen's Church, New Hartford, respectfully report: That this Parish was endowed in 1829, by the Will of the late Hon. Jedediah Sanger, with an Annuity of $250, payable annually in one sum. The Principal Fund for the payment of this Annuity, amounting to $4,500, was placed, in 1834, in the hands of Charles P. Kirkland, of New York, as Trustee, and the annual payment is secured to the Parish, first, by his Trust Deed, and second, as collateral security, by a Mortgage on the Eames' Farm, in the village of New Hartford, of 100 acres. The securities are regarded as unquestionable.

The conditions of this Endowment are, first, that the Annuity shall be applied to the support of the Rector, and to no other purpose:

And second, that it shall be wholly forfeited by a vacancy which shall leave the Parish without the services of a settled Minister for more than six months at any one time. This Annuity has been regularly paid since 1830.

JAMES CUNNINGHAM,
MORGAN BUTLER,

New Hartford, August 1, 1862. *Wardens.*

On motion of the Rev. W. Paret, the vote on the adoption of the revised form for Parochial Reports, was reconsidered.

After discussion, it was, on motion,

Resolved, That the Form recommended by the Committee be adopted for one year.

The Committee on Admission of Churches into Union with the Convention, made the following

REPORT:

The Committee on the Application of New Parishes to be admitted into union with this Diocese, respectfully report:

That in addition to the cases specified in the former report of the Committee, they have considered the application of St. James' Church, Clinton, Oneida county, and that they find that the proceedings appear to have been regular, and the papers are in due legal form.

The Committee therefore, recommend that said Church be received into union with this Convention.

WILLIAM SHELTON,
W. HUNT,
August 21, 1862. ISAAC A. VERPLANCK.

Whereupon, on motion, St. James' Church, Clinton, was admitted into union with the Convention.

It appearing that Mr. William L. Carthers, had been elected

a Deputy from that Parish, but had no certificate of such election, he was, on motion, admitted as a member of this Convention.

The Bishop, in behalf of the Committee on the subject of the Diocesan Training School, made the following

REPORT:

The Board, which consists of the Bishop and Standing Committee, respectfully reports: That during the past Conventional year, the Rector, the Rev. James Rankine, has continued in charge,

1. Of the students preparing for Holy Orders,
2. Of the Chapel, and the congregation worshipping therein.

Five Candidates have been guided and trained in their studies. Of these two have been ordained, three are expected to be ready for ordination in September. Three others are looking to the school for preparation. The whole number ordained from the school since it opened, is five.

The salary appropriated to Rector, $1,200, has been paid quarterly. The funds have enabled the Board also to apply means for house rent for the Rector, at the rate of $200 per annum.

From the appended Report of the Lay Trustees and Treasurer, it is shown that the income of the bonds, notes and promises, with the amount collected and paid from the Chapel, over and above its expenses, viz., $140, has been sufficient to pay all demands.

The funds consist at present of

Bonds and mortgages on farming lands,	$ 6,300 00
Rail Road Bonds	4,100 00
United States 7 3-10 Treasury notes,	1,800 00
Sundry promissory notes with semi-annual interest,	725 00

Verbal promises* of principal,	1,100 00
Chapel and Lot, estimated at $2,800, which has paid 5 per cent. on	2,800 00
	$22,189 50

In last year's account of the funds some $365 82 were included by mistake in the principal, which should have been stated as interest, as the Treasurer now states.

No applications to enlarge the fund have been made, on account of the state of the times; but the promise of D. C. Weed, $100, and the gift of D. L. Clarkson, of Utica, $100, and a further gift of $75, from Buffalo, have been received. The enlargement of the Fund will be essayed when a favorable opportunity arrives.

GENEVA, Aug. 9th, 18

Rt. Rev. W. H. DeLancey, President of the Convention of W. N. Y.:

DEAR SIR—In accordance with your request of 6th inst., I have examine account of A. L. Chew, Esq., Treasurer of the Training School Fund, and al securities held by him, and I find them to correspond with the statement vouchers herewith enclosed.

Very Respectfully,

S. H. VER PLAN

The Bishop, on behalf of the Education and Missionary B made the following

REPORT:

The Education and Missionary Board, respectfully report as follows:

During the past Conventional year the Board has had 64 Missionaries la in the Diocese, 43 for the whole year, and 21 for longer or shorter perio

majority of them for more than six months. The present number is 55. The Parochial Reports will present the results of their labors. They labored in 75 congregations. Five beneficiaries have received aid during their theological studies.

The Permanent Missionary Fund has received from the Executors of the late Mrs. Silas D. Mumford, the balance of $2,000 with interest on the same, making the whole sum received from this source, $5,000. It has also received, in June of this year, a bequest from Mrs. Louise B. Wright, amounting to $852. So that the Permanent Missionary Fund is now the sum of $17,472. It has paid during the year an interest of $1,019 25 towards the support of our Missions. The securities are reported by the Treasurer and attested by the Examining Committee.

To our Missionaries, we rejoice to state that all the stipends have been paid every quarter with regularity. Three of them have been called to other Dioceses, and four have been received into this Diocese in their stead.

The report of the Trustees of the Van Wagenen Missionary Fund, for Chenango, is appended. The income has been added to the principal, the whole of which is now $2,182.

Providence only knows what is to be the effect of prevailing distractions and uncertainties upon our Missionary collections for the coming year. Hitherto God has been pleased eminently to bless us in this behalf. Let us confide in him for the future, and pray that his grace may open the hearts and strengthen the hands of all of us in his holy service.

Our appointments at present run only from quarter to quarter. During the past year several of our congregations have failed to make or forward the collections. We earnestly invoke the renewal of their zeal and liberality.

All which is respectfully submitted,

WILLIAM H. DE LANCEY,
Chairman.

To the Rt. Rev. William H. De Lancey, Chairman of the Education and Missionary Board of the Diocese of Western New York:

The undersigned, Trustee of the Van Wagenen Missionary Fund, for the county of Chenango, would respectfully report: That the amount of the capital of said Fund at the date of my last annual report, as will appear on page 64 of the Journal of the Convention for the year 1861, was $2,040

Interest for the current Conventional year, on amount invested on bond and mortgage, ... 140

Interest on balance of principal not invested, ... 2

The present amount of said Fund is, ... $2,182

All of which is respectfully submitted,

ENEVA, August 5, 1862. EDGAR H. HURD, *Trustee.*

GENEVA, August 11, 1862.

Rev. William H. De Lancey, D. D., President of the Convention of the Diocese:

DEAR SIR: In pursuance with your appointment, I have examined the accounts d securities of the Trustees of the Permanent Missionary Fund, and find them correspond with the accompanying statements.

W. B. DOUGLAS.

The Bishop in behalf of the Trustees of DeVeaux College, ade the following

REPORT:

the Convention of the Protestant Episcopal Church of the Diocese of W. N. Y.:

The Trustees of the DeVeaux College for Orphan and Destitute Children, in nuance of the terms of their Charter, respectfully submit their annual report:

The funds of the Institution amount to $162,334 49, yielding income. The al Estate, exclusive of the Domain, is estimated at $23,500 00. The Domain which the buildings are erected consists of 330 acres of land, a portion of ich is cultivated and used by the Institution, and a portion is under rent.

The income received during the last fiscal year was $10,857 20, and the ex-nditures were $11,533 28.

Many of the securities held by the College were taken upon sales of Real tate. Those sales were made from 1853 to 1858, at the highest prices then vailing, with small down payments. In the subsequent derangement and quation of business, and the depression of prices of Real Estate, some of the rchasers are unable to meet their engagements. The income is thus diminished; d as the land can not at present be resold at the former prices, the *principal* ll most probably suffer some diminution.

From the inability to collect the income, the sum of $676 08 of principal was ed in paying the expenses. It is anticipated, however, that this amount will be mbursed from the income which was overdue.

The Real Estate now unsold, exclusive of the Domain, is reported the same as imated in previous reports, although in the present depressed condition of real operty it could not be sold at the estimated amount.

Thirty-two boys were trained and instructed in the Institution during the past ar, and wholly supported by it.

Four of the pupils having received the benefits of the College for over four ars, have been returned to their friends, or put out to occupy positions of self-pport and usefulness.

One boy who was conditionally received, has been returned to his mother, for reason that he was not a proper boy for the Institution.

Five additional boys were admitted into the Institution.

The course of instruction presented in former reports is still pursued, modified only by the advanced condition of the boys.

All which is respectfully submitted,

WILLIAM H. DE LANCEY,

President.

ELIJAH FORD, *Secretary.*

August 20, 1862.

On motion,

Resolved, That a Committee of three be appointed to recommend to this Convention the names of persons to be nominated Trustees of the General Theological Seminary.

Resolved, That the thanks of this House be presented to the Rev. William A. Matson, the Secretary, and his Assistant, the

The Public Services herewith reported include those which I have performed near "Great Valley Station;" viz., one service on each alternate Sunday for the past year. Several of the families and individuals also, above reported, reside at Great Valley and in the vicinity.

There will probably be a discrepancy between the collections above reported and the record of the Treasurer. By a mistake of the person with whom a part of the collections were entrusted, they were not forwarded to the Treasurer in proper time, and I discovered the mistake only a few days before the meeting of the Convention. The six dollars sent to the Treasurer "for Domestic Missions," should have been, and were intended for "Diocesan Missions." The Parish has suffered much pecuniarily from the war, and from removals and other causes.

Besides the Services in St. Paul's, I have had regular afternoon Service each Lord's day, at Five Corners, and also on two occasions at Springport. The newly organized Parish at Northville are erecting a Church, and we hope to have it completed about the middle of November. I find that the Church needs only to be known in order to be loved, and I see so many favorable openings around me, that I deeply deplore my inability to answer the urgent calls made upon me to officiate in the adjacent villages and hamlets. I do trust that some one may be found

to lend me a helping hand in establishing the Church in this portion of the county, where so many are famishing through lack of true and spiritual food.

In making this first report of this Parish, your Missionary finds much ground for encouragement. The field is very small, and was already occupied by three religious organizations when Church services were regularly commenced in the Fall of 1858. Yet the Church has grown steadily, though slowly.

As the sittings of the Chapel, where services are held, are free, we have many more in attendance than the above figures indicate, although we cannot fairly class them as of ourselves.

There has been procured for the Parish an appropriate Service of Silver, for celebration of the Holy Communion. It was made by Cooper & Fisher, of New York, after appropriate designs, and is richly ornamented, and beautifully finished, at a cost of $260. This was the only amount raised by subscription through the year; all other sums being contributed by offerings at the altar. In carrying out the voluntary system in the Parish, (it may not be amiss to remark,) there is no collection taken at any time, at any other service than the regular morning worship, in the Ante-Communion service, with the Prayer for the Church Militant.

I officiated in two Funeral Services, and baptized four soldiers, sick at the time with typhoid fever.

During the year that has passed, "the Lord has blessed us and poured His benefits upon us." There has been a renewed interest manifested for the prosperity of the Church—more full and punctual attendance on the Public Services—and larger co-operation for the success and usefulness of the Parish than heretofore. The indebtedness resting on the Church has been removed. The "Ladies' Sewing Society" have forwarded to the Hospital at St. Louis, a Large box of Clothing for the sick and wounded soldiers. And a number of other similar "good works," indicates the prosperous condition of the Parish.

Three of these Sunday Schools are under the charge of Mrs. Samuel L. Fuller, a communicant of the Church at Geneseo, and her two daughters, in Conesus Centre, comprising 3 teachers and 114 Scholars. In these Schools the Prayer Book is in constant use; 250 copies of it have been distributed. In the two larger Schools Lay Services are held every Sunday. In the three Schools 35 Scholars are in Bible Classes. Connected with the Schools is a large and well read library. These efforts are among a people very many of whom attend no other religious services.

As the business of this little village is nearly extinct, the prospects of the Church are not encouraging. Only a few of the families which made up the congregation twenty-five years ago, are now remaining; and of the young persons, who have been confirmed and admitted to the Communion, the greater part have emigrated. The few who remain are truly "worthy of double honor" for their undying zeal. Several of the families reported are not whole families.

Public Services have been held on all Sundays and Holy Days of the Church's year, as in the Calendar; also on the Ember Days and the Rogation Days, together with every Wednesday and Friday during Lent. Also Thanksgiving Day.

In addition to my labors in this Parish, I have supplied the Parish of St. Stephen's, Perryville, on several occasions, and have attended four funerals there. The attendance there is always good, but the Parish has suffered much in the loss of its members, and still suffers in the severe lack of an interest in Parochial affairs. There are some 6 or 7 Communicants in the Parish. Its contributions for objects either within or without the Diocese, are "none."

This Parish, for the greater part of the past year, has been under the charge of Rev. George W. Southwell, and is indebted, under God, to his zeal, ability and fidelity for its signs of prosperity and good condition.

I resumed the charge of the Parish on the first of July last, and intend to officiate once on every Sunday, henceforth. The attendance is good, and there are many signs of interest in its prosperity. Its Sunday School is admirably managed, and promises largely of usefulness. The talk about building a Church edifice is getting to be earnest.

The Rev. Frederic N. Luson was the Assistant Minister until January 1st, 1862. Since March 1st, the Rev. DeWitt C. Loop, has filled that office. The Vestry has decided it to be inexpedient, in view of the state of the times, to enter on the work of erecting our proposed Mission Chapel this Fall. The funds for this purpose are accumulating, and the Rector hopes that the coming Spring will witness the zealous prosecution of an enterprise in which he feels so deep an interest.

This Parish was organized on the 19th day of May last, the Canonical consent of the Bishop of the Diocese having been given on the 13th of January last. Public Services were commenced on Sunday, the 11th of May, being the 3d Sunday after Easter, in the Moravian Chapel, on the corner of Cooper and Cornelia streets, which was hired for the purpose; the hours of Service being fixed at 9 A. M., and 4 P. M., the only hours when the building is not in use by the Moravians. The attendance has been encouraging, and the Sunday School is rapidly increasing. On the 5th day of May last, the Bishop laid the Corner Stone of a Church edifice for this Parish, and the building is now enclosed and will be ready for occupancy within a few weeks. We trust, by the blessing of God, to have it consecrated at some time in the ensuing Autumn or Winter. A Ladies' Mite Society has raised upwards of $400 for the purpose of furnishing the Church; a fine Organ has been built and rented for it, and the windows are to be filled with stained glass, the gift of Mr. Charles P. Davis, stained glass manufacturer of this city. There being no other Episcopal Church in either of the three Wards that lie on the west side of Genesee street, in this city, it is confidently trusted that

this new Parish may, under the Divine blessing, become a means of Church extension in Utica, and of great spiritual good to a large population.

The Rector of this Parish continued his services to Grace Church, until the 1st of May last. Since the first of January, he has also officiated six times at Clinton.

The amount of $17 50, credited to this Parish by the Treasurer of the Diocese, over and above the amount here reported for Foreign Missions, was collected at the close of the last Conventional year, and by me reported *for* that year; but it did not reach the Treasurer in time for his last year's report. The amount reported for Mr. Breck's Mission, was from the Sunday School. Our Church has been repainted during the year; the Congregation has increased; and I record it with humble gratitude, that we are surrounded with the marks of external and spiritual prosperity.

In addition to the services mentioned, I have preached four times at Salina, and taken part in Service six times at St. Paul's, and twice at Trinity Church, and delivered twenty lectures on weekday evenings.

The Parish has freed itself from debt since its last report. Two gentlemen assumed half of the entire debt ($2.400,) on condition that the rest of the congregation should raise and pay the remainder ($1.200.) This was done, and the Parish was left free.

The Rev. L. Ward Smith, resigned his position on the 1st of July, at which time the present Rector took charge of the Parish. This change of Rectors renders it impossible to present an accurate report of sums raised for Parochial objects. Among other things, however, a Bishop's chair has been purchased, at an expense of about $60; the balance of Church debt, $500, has been paid, and the Parish is *free from debt.*

The Services of the Rector, while Chaplain of the 24th Regiment N. Y. S. Volunteers, were few and irregular, owing to the weather, marchings and other

causes. The Communion list has been revised, and the names of a large number of Germans who have united with the Evangelical Lutheran Church, where preaching is had in their own tongue, have been erased.

Thus has passed another Conventional year, and it has not been without its blessings, both temporal and spiritual, to the little flock in this place. The above report does not show *all* the work during the past year. I have celebrated Divine Service and preached twice in the village of Port Ontario, once in Sandy Creek, and twice in Pineville. In Kasoag, I buried one person and preached upon the occasion. In all these places there are residing some ten or twelve Communicants of the Church, whom I have endeavored to gather together, and administer consolation. These persons reside too far from the Parish Church to attend its Services, but if God gives me strength and health I shall continue to visit them, and shall hereafter enroll their names upon the Parish Register. During the past year I have been visited with severe sickness, from which I have, through God's blessing, nearly recovered.

I took charge of this Parish as Missionary on the 1st of November 1861. For two or three years previously it had been almost entirely destitute of Church Services, and was badly broken up. A lot has been purchased upon which to erect a Church. We have occupied the Methodist Chapel, which we hire, every Sunday afternoon. The attendance is generally good, and the Parish appears to be increasing and strengthening.

He preaches at Sodus Point and at Williamson every alternate Sunday, in the ternoon.

The Mission School of St. John's Church still continues under the superintend-ce of Mr. W. S. Hayward, who tells me the work meets with much opposition. My duties on Sunday have absolately prevented me from taking any part in ther of the Schools. Until recently, I have taken a Bible Class. Mr. Hayward refore continues to be Superintendent of both Schools.

The Services in St. Paul's Church are included in the report of the Rector. In addition, he has officiated in Trinity Church, Syracuse, (there being no Rector,) nine times; in St. Peter's Church, New York, twice; in St. Peter's Church, Redwood, once, and in Christ Church, Cooperstown, three times; he has also married two couples, and assisted in the Holy Communion four times. The general condition of the College has been satisfactory. The standard of scholarship has been raised; the requirements for study as well as conduct have been strictly enforced. The effort for the further endowment of the College has been nearly closed up; only about $1,500 still remaining in the form of subscription.

As the fruits of this effort, the following may be noted: A separate Professorship of Greek; a Professorship of Natural Philosophy on a separate foundation; a Professorship of Rhetoric and Elocution; a Chaplaincy (endowed;) a Chapel (now in process of erection;) $10,600 for Scholarships; $500 for a Prize for English Literature; and the payment of the entire debt of the College, amounting to $6,753 70.

The College is yet to receive from the estate of the late ALLEN AYRAULT, its steadfast and generous friend, $20,000, to endow a Professorship of Agriculture in connection with Chemistry, &c.; and also *two-fifths* of *one-third* of his residuary estate, for founding Scholarships in aid of young men studying for the Holy Ministry. Of this residuary legacy, $3,300 have been paid into the treasury of the College.

The Rev. JOSEPH KIDDER, in the vicinity of Boston, reports as follows: After making my last report, I remained in charge of the Church of the Evangelists, in Oswego, until the 1st of February. Services rendered there will be included in the report from that Parish. After leaving Oswego, I visited friends in Massachusetts, officiating as opportunity offered until the 1st of June. I was then requested to take charge of a Parish just organized in the vicinity of Boston. I have taken temporary charge of the Parish, and if at the expiration of six months I should conclude to remain there, I will apply for letters dimissory.

I had to suspend my visits to Mills' Mills for nearly three months, on account of ill health. I am now endeavoring to supply them with weekly Service. The attendance and interest of the congregation have improved somewhat since I resumed Services, and if the enterprise of making the place a manufacturing one, succeeds, there is a fair prospect that the Church may be established there, and take a fair rank in all respects with our country village Churches. But whether the enterprise will succeed under the present aspect of our National affairs, is very difficult to determine. Our trust must be in the Lord, of whom alone cometh our help.

The House then proceeded to the election of a Secretary, when, on motion, the election by ballot was dispensed with, and the Rev. William A. Matson was chosen.

The Chair announced to the House that the Secretary had appointed the Rev. Charles W. Hayes his Assistant.

It appearing that the certificate from the Church of the Redeemer, Addison, was defective, Mr. Josiah Curtiss was admitted by courtesy to a seat in the Convention, but without the privilege of voting.

Whereupon, on motion, the invitation was accepted.

In the concluding services of the Convention on the 17th, after the reading of the Pastoral Letter, by the Bishop of Ohio, at the administration of the Holy Communion, I consecrated the elements, and began the administration of the same to the Bishops.

The published proceedings of the General Convention will enable every reader of them to decide on the wisdom and value of its proceedings.

I insert here, as expressive of my views, an article I addressed to the Gospel Messenger, and which was published in that paper November 13, 1862.*

*In these United States there is no established religion. Christianity, Judaism, Paganism, Infidelity, Mormonism, Buddhism, all exist within the United States. All are admitted—all are protected—no one is avowed to be true, taught as necessary, or maintained as of authority by the government of this country. No religion is excluded. No religion is maintained. No religion is avowed as the religion of the land.

In these United States no form of Christianity is established or maintained as of authority. All forms of Christianity are admitted and protected. Roman Catholic, Protestant Episcopal, Reformed Dutch, Congregational, Methodist, Universalist, Quaker, Unitarian, Independent, and all others. None is excluded—none is adopted—none is supported. All stand on the same foundation as to tolerance, protection, and freedom of worship, teaching, self-government and self-support.

For its purposes the United States government introduces what principles it may elect from any one of them, what ministrations it may choose from any one

On Sunday, the 19th, I officiated in Grace Church, South Oyster Bay, Long Island, which I had consecrated in 1847, and preached.

---

of them, what official or ministerial acts it may need from any one of them. The government is so constructed that no religion shall be excluded—that no religion shall be supported, that no religion and no form of any religion, shall control or interfere with its executive, its legislature, or its judiciary.

Under this government the Protestant Episcopal Church exists in the United States. It has no rights, privileges, immunities, or advantages above other forms or organizations of Christianity. It has never claimed any. The government, when it chose, has employed the services of its ministers, as it has the services of the ministers of other religious bodies. As an organized Christian body the Protestant Episcopal Church exists under the ministry of Bishops, Priests and Deacons, constituted into Parishes, Diocesan Conventions and a General Convention, in which Clergy and Laity are represented.

As a spiritual or ecclesiastical body it is separate, distinct and independent as regards the State, existing within it, and protected by it, but in no way amenable to it for its doctrine, discipline or worship.

For eighty years it has existed in this country in freedom, safety and prosperity, maintaining its principles, usages, doctrine, discipline and worship under the broad wing of the government of the United States of which its members are citizens, and as such, have borne their part in its maintenance, support, prosperity and defence. Churchmen thus hold *two* relations to the United States.

1. They are citizens of the United States.

2. They are citizens organized as a Protestant Episcopal Church under the tolerance and protection of the United States government.

In this latter sense, the United States government cannot, and does not, interfere with them, nor they with it, as regards legislative, executive or judicial action.

But as a Church, enjoying toleration, protection and freedom in its teaching, government and discipline, in its labors for its own good, and the benefit of others, its members can feel, evince and express an interest in the welfare of this beneficent government, gratitude for its protection, thankfulness for its safety, sympathy in its trials, if assaulted a condemnation for its assailants, and if endangered the assurance of prayers, and the approval of efforts, and contributions, and sacrifices, for its rescue, preservation and defence.

In the State, questions and political controversies which have prevailed under the government, since its formation, this Church has taken no part. Such topics have been usually, and on principle, kept from her pulpits and her Conventions as inappropriate to the sanctuary and the synod. On these points its members have thought, spoken and acted as *citizens*, not as Churchmen.

Suddenly there starts up a resistance to the authority of the government among its citizens, with an avowed determination on the part of many, to break away from it, and set up a new government for the seceding States which claim a right to secede not accorded by the Constitution, and incompatible with its existence. Without absolute necessity, without sufficient provocation, without thorough efforts to remove the difficulties complained of, with predetermined minds on the part of leaders, sundry States secede from the United States, and begin a war which threatens the seizure of the Capital and the overthrow of the government.

The war prevails with various fortunes for more than a year. Our Church brethren in the seceding States, Bishops, Priests and Deacons, Clergy and Laity take part in this movement, and unite, willingly or coercively, in the formation of a new government, and, as they avow, the establishment as a necessity, of a new independent Church organization—change the Prayer Book to suit their circumstances, and fill a vacant Episcopate, without reference to their Northern brethren.

In the midst of this war and these proceedings, occurs the meeting of the Triennial Convention of the Protestant Episcopal Church, in the city of New York.

On the 17th, Mr. George R. Hewlings, late a Congregational minister, officiating in the Reformed Dutch Church, was admitted a Candidate for Holy Orders in this Diocese, to which he had removed, and began his preparation in the Training School.

A clear majority of the Bishops of the P. E. Church in the United States are present.

A clear majority of the Dioceses in the United States are represented.

A minority of the Bishops are absent.

A minority of the Dioceses are not represented.

The House of Clerical and Lay Deputies, besides transacting its usual business, discuss at will, and at large, the troubles of the country and of the Church, and adopt several conservative and judicious resolutions in relation to the same.

The Bishops meet, appoint and observe a day of prayer and fasting with the Deputies, transact customary business, and issue a Pastoral Letter, which touches calmly, faithfully, and without irritation, on these troubles, in the State, and in the Church, having preferred not to adopt a Pastoral Letter which ignored these troubles in the State, as political and inappropriate topics for such a letter. One of the House of Bishops protests against the Pastoral adopted, on account of its political aspect, and his protest is respectfully, as usual, put on file. He absents himself when the Letter is publicly read before the Convention, as he had a right to do.

At least once before, in the General Convention of 1789, not only the Bishops, but with them the members of the House of Clerical and Lay Deputies, made an address, under their signatures, to the President of the United States, George Washington, expressing their cordial joy on his election to the Chief Magistracy of the United States, and congratulating him, with unfeigned satisfaction, on the establishment of the new Constitution and government of the United States, and devoutly imploring the Supreme Ruler of the Universe to preserve him long in health and prosperity, an animating example of all public and private virtues, and the friend and guardian of a free and enlightened people.* This was done before the Eastern Dioceses were received into union, and the present action is had when some of the Southern Dioceses are not present by their representatives; and when that new Constitution is in danger of being destroyed.

The government of the United States did not need, and did not ask, for any expression of opinion from the Bishops.

The Bishops did not seek from the government any dictation of sentiments, or sanction of their views.

What they said and did, was their own: and was said and done as matter of their own judgment and their own sense of Christian duty. The whole proceedings and discussions were characterized by the absence of excitement, and by the influence of Christian and fraternal forbearance and amenity.

They acted under no outside pressure, they have lost no prestige, they have abjured no rights, they have yielded to no improper influence, they have been assailed by no exterior power. They have sought no shield for their opinions and proceedings.

They have acted and spoken on their own responsibility, as Christian men, as Christian Bishops, as loyal citizens, as faithful and forbearing brethren, still hopeful of a reunion of hearts and hands in the sustentation and advancement of the Church of Christ, under a civil government restored to integrity, unity, prosperity, and peace, in answer to the fervent and importunate prayers daily urged at the throne of the great and gracious Being who ruleth in heaven above, and on the earth beneath.

**To the Clergy and Congregations of Western New York.*

BRETHREN:—Let me remind you of the several collections which, at the approaching season, are needed to meet the obligations of the Diocese.

On the *second Sunday* in December, which will be December 14th, will occur the regular Quarterly Advent Collection for the Missions of Western New York, which most urgently invokes the liberal contributions of the Diocese to enable the Treasurer to pay the Missionaries on the 1st of January, 1863.

The Collection for Domestic Missions is made in this Diocese at the Epiphany season, on *January*, the eleventh.

The Collection for Foreign Missions will be on the second Sunday in July.

On Christmas Day, December 25th, our aged and disabled brethren appeal to us for aid. Eight are on the list to make this touching solicitation on the approaching Christmas.

In Western New York we have *sixty* missionaries.

The Domestic Committee have, in the United States, *eighty-six* missionaries, and 103 stations.

The Foreign Committee have *eighteen* missionaries, with 29 male and female assistants, in China, Africa and Greece.

The needs of all these are pressing. The demands of the Diocese are primary. More than eighty stations, mostly struggling parishes, are under the charge of our missionaries. There will be needed, on the 1st of January next, at least *sixteen hundred* dollars. The Treasurer writes to me to-day, Nov. 5th, 1862, "*I will now state that there is on hand sixteen* 41-100 *dollars for Diocesan Missions.*" It is an awakening statement. These alarming italics (I put it in italics to arrest attention) should arouse us all. Urgent appeals from the Clergy to their flocks, and most liberal gifts and contributions from the laity to our own Diocesan Missions, are needed, yea demanded, by our present and impending necessities. I earnestly appeal to both on this occasion. Let the former speak in behalf of their missionary brethren. Let the latter open both heart and hand to their aid. I have never

In the afternoon of December 2d, I attended a meeting of the Board of Trustees of Hobart College, who decided hereafter to elect its Professors for five years, they to be reëligible.

felt the pressure of the responsibility under which I address you in their behalf so strongly as I do in these times and in this emergency. But, brethren, I address you in faith, hope and prayer; in faith, that all of you will do what God empowers you to do in His behalf; in hope, that the result will show our willingness corresponds with our ability to give; and with prayer, that the Holy Spirit may incline us all to meet this demand, and so largely to contribute, through the Church collections and individual donations, that the requisite sum to meet our obligations shall be raised. Faithfully, your Bishop,

WILLIAM H. DELANCEY.

*A CHRISTMAS GIFT FOR THE BISHOP.

While on his visitation at Buffalo, in Christmas week, Bishop DeLancey received the present of a beautiful Photographic Album, containing likenesses of a large number of the Clergy.

The Album is from the establishment of Appleton & Co., New York. It is of quarto size and designed to contain two hundred portraits. It is neatly bound in Turkey morocco, and is ornamented with sold silver clasps. On the first cover is the Bishop's coat-of-arms in gilt. On the reverse is the same, but not in gilt. The label on the back reads, "The Clergy of the Diocese of Western New York." The inscription is beautifully executed in church text, and reads, "Presented to the Right Reverend Father in God, William Heathcote DeLancey, D. D., LL. D., D. C. L., Bishop of Western New York, on Christmas Day, 1862, as a token of affection from the Clergy of his Diocese."

The Bishop, in reply to the letter accompanying the Album, thus expresses his gratification:

"The Photographic Album presented to me through you, as a Christmas gift by the Clergy of the Diocese, in token of affectionate regard, is received by me with heartfelt satisfaction. Their kindly feelings are warmly and cordially reciprocated. And I earnestly pray that through the grace and merits of our Lord, we may all be moulded into the image of Christ, be in the full likeness of His character and example here, and in the likeness of His resurrection hereafter.

Church, Geneva, and at the desire of Bishop Potter, of New York, admitted Mr. John White Chickering Baker to the Diaconate. The sermon was preached by the Rev. E. Folsom Baker, of the Diocese of New York.

January 1, 1863, Holy Innocent's Day, I attended prayers in Trinity Church, Geneva, and also on Friday morning, the 2d.

Sunday, January 4th, in St. Peter's Chapel, Geneva, I delivered a lecture and administered the Holy Communion, and attended Trinity Church in the afternoon.

On the 5th of January, I issued a brief Pastoral,* as published below, asking a collection throughout the Diocese in behalf of the English operatives, greatly suffering.

It amounted to $1,164 74, and was forwarded by the Treasurer to A. A. Low, Esq., New York, to be so applied.

On January 6th, Epiphany Day, I attended morning service at Trinity Church, Geneva.

On the 7th, at Trinity Church, Geneva, I held a special confirmation, and confirmed *one* person of that Parish.

**To the Clergy and Congregations in Western New York:*

BRETHREN: Fully approving of the benevolent movement begun in the city of New York, and sustained by the Bishop of that Diocese, to send relief to the suffering population in England; remembering the obligations of the Gospel to do good to all men; appreciating the fact that our national collisions are the undesigned and incidental fountain of their distresses; knowing how many amongst us, of English descent, sympathize with them in their sufferings and wants, regarding them in the light of friends and favorers of our Constitutional struggle to sustain the Republic, and mindful of their patience and forbearance under this trial which have forbidden the expression of animosity to us on its account, I appeal to our clergy and congregations, that in addition to their great liberality to our own soldiers and their families, they would give their humble aid to this movement, by a general collection in the churches of the Diocese, to be made on the last Sunday of this month. *January the twenty-fifth*, the amount collected to be sent to the Treasurer of the Diocese, Fletcher Williams, Newark, who will transmit it to the proper authority in New York, to be forwarded in provisions to England.

I would suggest also that in such places as Buffalo, Rochester, Geneva, Auburn Syracuse, and Utica, such articles as pork, flour, &c., &c., might be sent to the Railroad Freight Agents, to be forwarded to New York, as I understand is done free of charge, to the committee in that city, who are preparing to forward such articles to England for this benevolent purpose.

"To do good and to distribute forget not, for with such sacrifices God is well pleased." Faithfully, your friend and Bishop,

WILLIAM H. DeLANCEY.

GENEVA, Western New York, January 5, 1863.

Sunday, the 11th, I preached and read service both morning and evening in St. Peter's Chapel, Geneva.

On the 13th, I attended the Consecration in New York, of the Church Du St. Esprit by Bishop Potter, partook in the services, and made a brief address to the congregation; this being the "French Protestant Church," in the erection of whose original house of worship, in Pine street, my ancestor, Ettienne DeLancey, a French Huguenot, was concerned. I place the record of it in the appendix.*

On the 15th I returned to Geneva.

On the 20th, I attended the meeting of the Trustees of Hobart College.

January 22d, at Pierrepont Manor, I united in holy wedlock, William Mansfield White, and Anna Maria Pierrepont, at the residence of William C. Pierrepont, Esq.

I attended prayers in Trinity Church, Geneva, on the 24th, in the afternoon.

On Sunday, the 25th, I attended St. Peter's Chapel, Geneva, in the morning, Trinity Church in the afternoon, and the College Chapel in the evening.

I was at prayers at Trinity Church, Geneva, on the 28th, on the 30th, and on the 31st.

Sunday, February 1st, I preached in Trinity Church, Geneva, and administered the Holy Communion, and attended service in the same church in the afternoon.

On Tuesday, the 3d, I met with the Standing Committee as a Board of Missions, and was deputed to represent the views of the Standing Committee on the proposed amendment of the act of incorporation in relation to our Protestant Episcopal Church. This act was prepared for, and submitted to the Convention of the Diocese of New York, and by it adopted and directed to be submitted to the Bishop and Standing Committee of this Diocese,

*See Appendix No. V.

and on their concurrence in it, the passage of the act, as amended, to be sought from the Legislature. The Bishop and Standing Committee of this Diocese did not concur in all the proposed amendments, but suggested some alterations. The Committee of the other Diocese were, by an obviously undesigned omission, not empowered to adopt any suggestions from this Diocese. An amended act was prepared, embodying the Western New York suggestions, and submitted to the Legislature and to the Bishop, and Committee of the other Diocese. The Bishop and Committee of the other Diocese were understood to concur in the suggestions, but without assuming any responsibility for presenting and urging the proposed act. It was brought before the Senate and referred to the Committee on Religious Societies. The Committee assented to our suggestions, and inserted them in the bill they reported. That bill as reported, however, deprived the Church in this State, of a provision it had enjoyed ever since the State itself existed—about eighty years. It was effected by a simple change of the word "and" to "or" in the act of 1813, and was introduced without my concurrence or even knowledge.

The act of 1813 read thus: "And no such Board shall be competent to transact any business, unless the Rector, if there be one, *and at least one* of the Church Wardens, and not less than a majority of the Vestrymen be present."

The new act as reported by the Committe reads thus: "Unless the Rector, if there be one, OR one of the Church Wardens, &c., &c., be present."

This being a fundamental change, unasked by the Bishops, the Clergy or Laity, as soon as known to me, I sought to have it corrected and the terms of the act of 1813 restored.

The Chairman of the Committee—Senator Tobey,—was inexorable, and urged that his conscience would not allow him to insert the old clause. It was equally unexpected and surprising that he was sustained in this refusal by the authority of Senators Pruyn and Cook, and ultimately of Senator Hardin, whose opinions, as being connected with our Church, would possess great weight in the Senate, adverse to the bill as desired by the two Dioceses, though they had voted for the bill granting to our Roman Catholic brethren a clerical power of three Clergymen to two Laymen,

while we sought only to preserve our old grant of one Clergymen to ten Laymen. Senators Folger, Ganson, Murphy, and others, sustained the clause, as for eighty years the Church had had it.*

I decided to aim at defeating the bill, with this obnoxious change, unasked, undesired, and irritating, to which neither the Clergy nor Laity, the Bishops, nor Convention, had given their consent. In this step of defeating the bill, the Bishop of New York concurred. The bill died in the Senate.

My advice and opinion had been uniformly against applications to the Legislature to change the act of 1813. I admit that it needs the alterations proposed, which would greatly advance the expansion of the Church. But we had better endure the existing inconveniences than subject our Charter to alterations not desired. When such men as a distinguished counsellor, a Chancellor of the Board of Regents, and a former Canal Commissioner, the founder of a College, concur in taking from our Charter, without consent, or consultation, or reference to constituents, a provision of such long standing as the one named, it appears to me unwise and unsafe, to seek a remedy for temporary evils at the risk of fundamental, unsought, and hazardous alterations. Every religious body, every Christian denomination, is concerned; for if, unasked, without our knowledge or consent, and against our declared wishes, the Legislature will take away, as the Senate Committee reported a bill to do, part of the act of incorporation for our Church, when they get that act before them for alterations asked for, then they may do the same thing to other religious bodies; and no religious denomination in the State is safe from encroachment in seeking Legislative remedies for existing evils. I am slow to believe that the Senate, fully understanding the subject, would have concurred with its Committee, or that anything but Legislative dexterity would have secured its passage through either House; and if it had, that the Governor would have given his sanction to the act, before the constituency—the Conventions of the two Dioceses—had approved and authorized the change.

On the 6th, I visited Albany in connection with the application for the incorporation of the Trustees of the Parochial Fund, which was adopted by the Legislature and signed by the Gov-

*The Governor also favored the retention of the clause.

ernor, a copy of which is herewith submitted to the Convention.*

On the 8th, I attended St. Peter's Church, Albany.

On the 12th, I opened the session of the Senate with prayer.

On the 11th, I received into this Diocese the Rev. William

†DIOCESAN MISSIONS—QUARTERLY COLLECTION.

To the Clergy and Congregations of Western New York:

DEAR BRETHREN: Our Quarterly Collection for the Missions of this Diocese will occur very early in March, on Sunday, March 8th, being the second Sunday in the month. We shall need *fifteen hundred dollars* to meet the demands upon the treasury for our fifty-five missionaries, on the first day of April next.

With most thankful hearts we acknowledge the overflowing mercy of God in prompting the steady liberality of the Diocese to sustain our missionaries hitherto, and to enable the treasurer to pay the missionaries punctually. The calls upon the Diocese, for the Disabled Clergy at Christmas, for Domestic Missions at Epiphany, and for the suffering workmen in England, have been liberally met. Let the same liberal spirit actuate us all on this appeal in behalf of the missionaries of the Diocese. And may the same gracious Spirit again open our hearts and hands in the cause of God and His Church. To His Grace I commend you all.

Faithfully your friend and Bishop.

Sunday afternoon I confirmed *twenty-nine* persons in Calvary Church, Utica, and delivered an address.

Sunday evening, in St. George's Church, Utica, I preached and confirmed *twenty-four* persons for that new Parish.

On the 8th of June, I received into this Diocese from Connecticut, the Rev. George D. Johnson, called to the charge of St. Paul's Church, Owego.

On the same day, I received into this Diocese from Indiana, the Rev. Almon Gregory, now serving in an army hospital of the West.

On the 9th of June, I laid the corner stone of the new St. Paul's Church, Waterloo, and made a brief address. The Rev. Dr. Gibson, of Utica, delivered an address on the occasion.

On Thursday, the 11th of June, in Trinity Church, Geneva, I united in the bonds of holy matrimony, John Peter DeLancey and Wilhelmina Verveer Clarke.

On Sunday, the 14th, for St. John's Church, Dunkirk, I held services in the Methodist house of worship, read prayers and preached.

In the afternoon, in Trinity Church, Fredonia, I preached and confirmed *eight* persons.

On the 15th, I preached and confirmed *one* person of Trinity Church, Fredonia, in the old Baptist Church, at Leona.

On the 16th, I preached and confirmed *six* persons in St. Peter's Church, Westfield.

In St. Paul's Church, Mayville, on the 17th, I preached, confirmed *one* person, and administered the Holy Communion.

On the 18th, I visited St. Luke's Church, Jamestown, now worshipping in a Church Room, their Church edifice having been burnt since my last visit. I preached and confirmed *seventeen* persons, and after the service, laid with appropriate ceremonies, the corner stone of the new Church, which they are zealously erecting on the site of the former one, and delivered an address.

Being detained at Salamance on that night, I preached in the evening in the school house in that new and growing village.

I proceeded to New York, and attended the adjourned meeting of the Russo-Greek Committee at 12 o'clock, on the 23d. Myself as Chairman, and the Secretary, the Rev. Mr. Young, alone attended. We adjourned to the evening of the 25th.

On the morning of the 24th, I met with the Alumni of the General Seminary in St. Paul's Chapel, where the Litany was read, and the Holy Communion administered, I consecrating the elements.

I also attended the public breakfast of the Alumni, enlivened by sundry interesting speeches, evincing a deep and lively interest in this valuable institution of the Church.

In the evening of the same day I presided at the meeting of the Trustees of the Seminary.

I presided also at the Commencement on the 25th, which was held in St. Peter's Church, where, after a sermon by the Bishop of New York, the Honors of the Seminary were conferred on twenty graduates, and I administered the Holy Communion in conjunction with my brethren; after which, the Board of Trustees met again and completed its business.

The Standing Committee were empowered and instructed to sell and rent such portions of the property as could be sold and rented. Zeal and earnestness in behalf of the Seminary were evinced by the Board of Trustees.

By empowering the sale and rental of the property whenever, and as soon as it can advantageously be done, by instructing the Standing Committee to address the Church in its behalf, by authorizing the appointment of agents, by constituting the Trustees in each Diocese a Committee to raise means in its behalf, by evincing a determination to relieve the Seminary of its embarrassments, and to continue its operations in the great cause of ministerial education, it was indicated that with God's help, an effectual relief would be afforded, and the Institution which has furnished nearly one-quarter of the entire ministry in our Church, would not be suffered to expire, or even to close its halls.

I read to you the appeal to the Church, which has been issued.*

I suggest that a meeting of the Diocesan Trustees, and others, be held, to confer upon the best mode of aiding, as a Diocese, this Institution of the Church. The collection made in its behalf in May is reported by the Treasurer at $467.56.

I returned to the Diocese on the 26th, and on the 27th gave my canonical consent to the organization of a Church at Empeyville, Oneida county.

I attended the Trustee meeting of Hobart College, Geneva, on the 14th, and the Commencement on the 16th. The Chapel, erected by individual beneficence, of a high and attractive order of architecture, not being thoroughly completed, its consecration was deferred to the opening session. The College is in a flourishing condition.

On Commencement Day the sad intelligence reached us, of the death at Newburyport, of its former President, the Rev. Dr. Benjamin Hale, D. D., to whose talents, suavity, faith, perseverance and activity it had been for years so much indebted. I insert in a note below* the resolutions adopted by the Clergy and Alumni in relation to this sad event, in a meeting on the 16th of August.

---

*At a meeting of Trustees, members of the Faculty, and Alumni of Hobart College, and divers Clergy of the Diocese of Western New York, in attendance at the Annual Commencement exercises of said Institution, assembled at the house of President Jackson, on the evening of Commencement Day, Bishop DeLancey having been called to the Chair, and Rev. L. S. Stevens, of Buffalo, appointed Secretary, the following preamble and resolutions, presented and read by Rev. Dr. Gibson, of Utica, were unanimously adopted:

of the Rector, one adult and two children, preached, and confirmed *thirteen* persons, (one of them in private.)

In the afternoon of the same day, I preached at the Church Room in Horseheads, and confirmed *four* persons.

On the morning of the 31st, I preached in the Church Room at Big Flats, confirmed *one* person belonging to the Church at Horseheads, and administered the Holy Communion. There is a fair prospect of the erection of a Church edifice in this village. The Rev. Henry M. Brown, Deacon, has been laboring as Missionary in these two places since October of last year.

In the afternoon of the 31st, I visited Christ Church, Corning, preached, and confirmed *nine* persons. This Church, I learn, has paid off its floating debt, and is free from incumbrance.

On the 8th, I admitted Mr. W. Marvin Jones, Candidate for Holy Orders.

On the morning of the same day, I laid the corner stone of the new St. James' Church, a brick edifice to be erected at Watkins, Schuyler county.

I read prayers in Trinity Church, Geneva, on Friday morning, the 14th.

And on Sunday morning, the 16th, I preached in Trinity Church,

Geneva, and united in the funeral services of Anna Lawler Stacey at the same in the afternoon.

This, with the services this morning, in the administration of the Holy Communion to the Clergy and Laity, completes the record of my labors since the last Convention, and I meet you again for the duties and deliberations of this important, beloved and influential body.

Two Deacons, viz: Rev. Robert Dobyns and Rev. Robert C. Wall have been ordained Priests.

Nine Clergymen have been transferred to other Dioceses.

Nine Clergymen have been received into this Diocese.

One Clergyman is residing in the Diocese from Tennessee, but has not yet been transferred, and another from Pennsylvania, and a third from New York.

Four Clergymen have died, viz: Rev. Edward Kennedy, January 5, 1863, in New York; Rev. Charles E. Beardsly, January 11, 1863, in Moravia; Rev. Joseph W. Pierson, May 14, 1863, in Auburn; Rev. George N. Cheney, June 12, 1863, in Branchport.

The whole number of Clergymen in the Diocese, including those not yet transferred, is 153, viz: 1 Bishop, 144 Presbyters, 8 Deacons, with 17 Candidates for Holy Orders.

Of the Clergy, 7 are exclusively occupied in Schools and Colleges in the Diocese.

Five are Chaplains in the Army or Navy.

Six are on the list of Disabled Clergy, aided by the Christmas Fund.

Six are prevented by age or illness from full clerical duty, but sustain themselves.

The residue, 129, are engaged, or seeking to be engaged, in Parochial or Missionary, or other appropriate work.

The following Church edifices, certified to me as free from debt incurred in their erection, have been duly consecrated, as heretofore stated:

Zion Church,....Windsor, Broome county, May 29, 1863
Calvary Church,..Northville, Cayuga county, July 24, 1863
Christ Church,...Binghamton, Broome county, Aug. 11, 1863

I have laid the corner stones of,

St. James' Church,.....Clinton,.....June 6th.
St. Mark's Church,.... ...Clark's Mills,.....June 6th.
St. Paul's Church,.....Waterloo,.....June 9th.
St. Luke's Church,.....Jamestown,.....June 18th.
St. James' Church,.....Watkins,.....Aug. 11th.

At all these places new Church edifices are in progress of erection, and also at Lowville, Lewis county. Thirteen Church edifices are not yet consecrated, though regularly used. An awakened sense of duty and liberality will, I trust, lead at an early day to this result.

The Permanent Missionary Fund has been increased by the receipt of *seven hundred and fifty dollars* from the late New York Central Bible and Prayer Book Society, realized from the estate of J. Watson Williams, Esq., the former Treasurer of that Society. It was deemed wiser by the Standing Committee and myself to take that amount for the sum due, say $1,500 principal and considerable interest, than await a settlement likely to be years before completion, and without much more profitable result, it being understood that the Board would receive the balance whenever offered. It now amounts to $18,223 00.

It has paid to our Missionaries $1,117 61 of interest.

The Van Waganen Missionary Fund amounts to $2,331.

Two of the disabled Clergy having died, the demands upon the Christmas Fund have lessened. There are but six annuitants. During the last year $1,400 have been applied to such. The amount collected has been $1,626 95. The delay in forwarding to the Treasurer the sums collected at Christmas is calculated to increase his troubles and embarrass his accounts. The Clergy and Wardens are requested to be punctual in transmitting the collections. The invested funds amount to $8,000.

The Annual Report of the De Veaux College, for destitute and orphan children was laid before me. From it I learn that the property stands thus:

Whole amount of principal invested in bond, mortgages, contracts, notes and stocks, yielding an income,	$166,539 31
Estimated value of real estate liable to sale,	23,100 00
Cost of buildings and improvements,	21,332 50
Cost of furniture, house and barn,	5,743 31

The inalienable farm lands are at rent.

The amount of income recceived has been,	$11,535 03
Expenditures,	$11,530 90

The barn and wood-house of the establishment was burned. A new one is in the course of erection.

A number of pupils have completed their education and been returned to their friends or put out to positions for self-support and usefulness.

Six have been received into their places.

The number in the College is slightly diminished by the change.

The Report of the College will be laid before the Convention, as required by the charter.

The Training School for Candidates continues to be successful. The Report of the Board and of the Trustees will show the condition of its funds, securities and promises. Its engagements for the salary and house rent of the Rector have been punctually fulfilled.

Of the eight Candidates who have prosecuted their studies under its guidance, four have been ordained. One has relinquished his candidateship. Five are now under the guidance and instruction of the Rector. Two, who are from the Methodist ministry, are expected to take Orders in the fall.

The collections at the Chapel have met the expenses of the Chapel, and paid about $200 towards the income of the school, being full seven per cent on its estimated value.

No formal applications to fill up the $30,000 in its behalf have been made, but a gift of $100, and $50 on the promise of St. James' Church, Skaneateles, have been paid and added to the capital.

Besides these sums, there has been sent to the Bishop or Rector as donations,* to meet the boarding and other expenses of the students at Geneva, the sum of $179 50, which, with the balance on hand last year, has been so applied.

Funds continue to be needed to supply the students with text books for study, to be used by them, but to belong to the Training School for successive classes. Books given for the object, or money sent to the Bishop or Rector to purchase them, will be most usefully applied.

The Report of the Rector will present the Parochial statistics of the Chapel.

The contributions of the Diocese during the past year to the recognized objects of the Church, exclusive of Parochial objects, Hobart College and the Permanent Missionary Fund, may be stated as follows, viz:

For the Christmas Fund for Disabled Clergymen, collections and donations,	$ 1,626 95
Monthly collections and donations,	11,030 40
Sums sent directly to objects, without passing through the Diocesan Treasury,	3,000 00

I most earnestly urge upon the Diocese continued and augmented liberality to our *Diocesan* Missions, as the great agency for the strength and growth of this portion of the vineyard, and through it of the expanding Church in the West. Fifteen Parishes, while their Clergy have had the benefit of the Missionary Fund, made no collection last year for Diocesan Missions. There are, I think, nearly ten Churches that could easily contribute each to the support of two Missionaries $250. I name among them, St. Paul's, Buffalo; Trinity Church, Buffalo; St. Luke's Church, Rochester; Trinity Church, Geneva; St. Paul's, Syracuse; Grace Church, Utica; St. Paul's Church, Oxford At times these Parishes have reached that amount of annual contribution to our Diocesan Missions, and even in some cases exceeded. I earnestly exhort these congregations to the effort. Taking all the communicants in these seven Parishes, (2,204,) it would be asking but *seventy-seven* cents for each communicant. These facts, stated and urged by the Clergy on their respective flocks, would doubtless secure this result.

There are some fifteen other Parishes that could raise each a full stipend ($125) for a Missionary, for most of them in times past have done so much, and some of them even more, as St, John's, Buffalo; Zion, Pierrepont Manor; St. James', Batavia; Grace Church, Rochester; St. Paul's, Waterloo; Trinity Church, Utica; St. Peter's Chapel, Geneva; St. John's, Canandaigua; St. Thomas', Bath; Christ Church, Oswego; St. James', Skeneateles; Christ Church, Binghamton; Christ Church, Rochester; Grace Church, Lockport; Zion Church, Greene, and others.

I invoke the brethren to set up this standard of contribution for their respective flocks, and I confidently believe that the liberality of the Laity will more than meet it.

With warm hearts and open hands, let us all, Clergy and Laity, in all the Parishes, large and small, meet our responsibilities in this matter of sustaining the Missions and Institutions of the Diocese and of the Church at large; and confide for the future, as we have been favored in the past, in the blessing of God our Saviour.

It has been suggested, that in transmitting the sum collected to the Treasurer, the Wardens should procure a draft on the city of New York in all cases where it may be obtained, and where it cannot be procured, which may be the case in some few instances, that the amount be sent in bills. If the Treasurer shall transmit his payments to the Missionaries in drafts on New York city, less trouble and loss, and greater regularity and promptness, will be secured.

Since the 1st of January of this year, *four* of our Clerical brethren, as already stated, have been struck down by the unerring hand of death. They had been connected with the Diocese as Clergymen for different periods, from about two years to ten. All but one had come from other Dioceses in weakened health; but all, with earnest and zealous hearts devoted to the Master's work, had labored, according to their strength, in fidelity to their Lord, and are now, we confidently trust, each of them, sharing in that highest eulogy to which Clergyman or Layman can aspire: "Well done, good and faithful servant: enter thou into the joy of thy Lord." The solemn lesson thus taught to all of us of the uncertainty and the possible approaching sudden termination of

the ministerial career, is impressed emphatically upon your Bishop, when I call to mind the fact, that of the seventy-four Clergy in the Diocese when I was chosen Bishop, but eighteen are now living *in this Diocese.* Of these, only eight are engaged in ministerial or parochial work in this field, and only one (the venerable and cherished Rector of St. Paul's Church, Buffalo,) is Rector of the same Parish he then held. I pray the admonition may not be lost to me, or to any of us.

There is one more subject to which I call your thoughts.

Of the recent draft of citizens to increase the army, as a political measure, of its necessity, its expediency, its mode, its preliminaries, I express no opinion; it belongs to politics, to statesmen, to legislators, to Congress, to the Government. But of its bearing on the Church and Clergy, I am required to speak, and can properly do so.

The draft is a selection by lot of citizens to bear arms for our country.

All citizens are subject to draft for such an object. The Clergy are citizens, and, of course, are themselves and their sons subject to draft.

My own son has been drafted, but he comes under the clause of exemption.

In making the draft, the law has provided:

1. That there may be exemption from service in certain cases.

2. That a substitute for the drafted person will be accepted.

3. That a sum of $300 paid to the Government will be accepted in lieu of a person drafted.

The Clergy are not, therefore, *forced* by the law to take up arms. But the Clergy, if drafted, being generally poor, are unable to procure a substitute or to pay the $300 for exemption. What, then, is to be done?

To prevent the Clergy being taken from their proper calling, and turned into secular soldiers, the amount requisite for their relief must be raised by themselves and friends, or by the Parish, if they have one, or by the Diocese, or by all combined.

This obviously requires action by the Diocese, through its Convention.

Thus far, in this Diocese, so far as known to me, eight Clergymen have been drafted, viz: the Rev. Messrs. Leffingwell, H. M. Brown, W. H. Van Antwerp, M. Fowler, H. G. Wood, A. C. Lewis, L. S. Stevens, and W. H. Lord. Some of these will come under the exemption clauses; but some will not, and other Clergymen may be drafted, as more than thirty of our Clergy are subject to this draft.

I suggest, that, as soon as known how many of the Clergy of the Diocese are drafted, a collection be made, throughout the Diocese in all the Churches on a day named, to raise the needed sum for their relief, in whole or in part; for which purpose I will address a Pastoral Letter to the Diocese. In this way the requisite sum can, I think, be raised without any heavy burden upon any, and in that fraternal and affectionate spirit which ought to characterize us all, and in compliance with the command to bear one another's burdens.

Some other mode may occur to others, and I suggest, that the subject be referred to a Committee of the Laity, to report to this Convention on the mode of relief to the drafted Clergy of the Diocese.

I have thus presented to you the record of the year, and the topics which claim your attention and interest.

Let us apply ourselves to the duties and deliberations which the occasion exacts, in humble reliance upon the grace and guidance of the Holy Spirit, who puts into the mind good desires, and enables us to bring the same to good effect. May His blessed influence so control and guide us, that all we may say and do may tend to His glory, the promotion of our good, and the welfare and expansion of His Holy Church.

WILLIAM H. DELANCEY, *Bishop.*

ROCHESTER, August 19, 1866.

On motion of Rev. Dr. Van Rensselaer,

Resolved, That so much of the Bishop's Address as relates to the Clergy of the Diocese who have been drafted into the military

service of the United States, be referred to a Committee of three Laymen to report thereupon to this Convention to-morrow.

Whereupon, the Chair appointed Messrs. Washington Hunt, John Stryker and John L. Gardner, to constitute that Committee.

The hour designated by the XXth Rule of Order having arrived, the House adjourned to 9 o'clock, on Thursday morning.

THURSDAY MORNING, August 20, 1863.

The Convention met. Morning Prayer was read by the Rev. Duncan C. Mann, assisted by the Rev. Albert Wood, who read the First Lesson, the Rev. D. E. Loveridge, who read the Second Lesson, and the Rev. A. Jackson, D. D., who read the Creed and Collects; the Rt. Rev. the President then took the Chair.

The minutes of yesterday's session were read, and, on motion, approved.

On calling the absent members, the following Clergy, not present yesterday, appeared and took their seats:

Rev. A. B. Beach, D. D.,	Rev. Fayette Royce,
" T. M. Bishop,	" O. F. Starkey,
" G. W. Dunbar,	" Mason Gallagher.
" H. H. Loring,	

Also, the following Lay Deputies:

COUNTIES.	CHURCHES.	DEPUTIES.
Chautauqua,	Trinity, Fredonia,	Elias Forbes.
Chemung,	St. John's, Big Flats,	Lawrence A. Tuttle.
Erie,	Trinity, Buffalo,	Henry Daw.
Genesee,	St. Mark's, LeRoy,	T. P. Clark.
Livingston,	Zion, Avon,	Thomas N. Gerrey.
	Grace, Nunda,	Thomas C. Bennett.
Niagara,	St. Peter's, Niagara Falls,	Dexter R. Jerauld.
Oneida,	St. George's, Utica,	Luke Wilkins.
Yates,	St. Mark's, Penn Yan,	James D. Morgan, Jr.
		George H. Lapham.

Reports from Standing Committees were then called for in the order named in the VIth Rule of Order.

The Rev. Dr. Jackson, in behalf of the Standing Committee on the Admission of Churches into Union with this Convention, stated that the Committee had no report to make.

Mr. J. W. Clarke, in behalf of the Standing Committee on the Report of the Trustees of the Christmas Fund for Disabled Clergymen, presented the following

REPORT:

The Standing Committee to which was referred the report of the Trustees of the Christmas Fund for Disabled Clergymen, beg leave to report: That they have examined the accounts submitted to them, and believe them to be correct.

On the 5th day of August, 1862, there was reported seven thousand dollars ($7,000) invested in securities, and $613 50 in the hands of the Treasurer. There is now invested in securities (certified to be good by S. H. Ver Planck, Esq.,) the sum of eight thousand dollars, ($8,000,) and in the hands of the Treasurer $325 51, showing an increase of the principal of the fund during the year past of $701 44.

The Committee would call attention to the complaint of the Trustees of this fund of the want of promptness of some Parishes in remitting their collections to the Treasurer within a reasonable time. They state: "That while most Parishes have been very prompt, some have been dilatory, and a few have retained them as long as *seven* months."

Respectfully submitted,

JAMES W. CLARKE,
CHAS. ANDREWS,
JOHN C. WORTHINGTON.

To the Rt. Rev. W. H. DeLancey, President, &c.:

The Trustees of the Fund for Disabled Clergymen beg leave to report: That during the last year they have received from contributions $1,626 95; for interest on moneys invested, $490. Eight disabled Clergymen have been relieved by this Fund during the year. The amount of the fund now invested is $8,000. Cash in the hands of the Treasurer, $325 51, as will appear by his report herewith submitted. The Trustees of this Fund desire to call attention to the fact, that while most of the Parishes have been very prompt, some have been dilatory in remitting their contributions, and a few have detained them as long as seven months after collection. In the opinion of the Trustees, this practice not only jeopardizes the funds themselves, but by preventing an early acknowledgment of contributions, tends to impair confidence in the management of the trust, and may, in certain contingencies, occasion the withholding the relief intended in times of extreme necessity.

GENEVA, Aug. 5, 1863. EDGAR H. HURD, *Treasurer.*

GENEVA, August 18, 1863.

Rt. Rev. W. H. DeLancey:

DEAR SIR:—In accordance with your request, I have examined the account of the Treasurer of the Christmas Fund for the relief of Disabled Clergymen for the past year. I find the account and vouchers to be correct with the exception of one voucher missing, owing, as the Treasurer informs me, to neglect on the part of the beneficiary, the Rev. Thomas Morris. I find that the Fund consists of $8,325 51, of which $7,000 is invested in bonds and mortgages on real estate, and $1,000 in United States 6 per cent. stock, and $325 51 in cash in the hands of the Treasurer. The securities I have personally examined, and find them to be as stated in the Treasurer's report.

With great respect, I am your obedient servant,

S. H. VER PLANCK.

Mr. George W. Cuyler, in behalf of the Standing Committee on the accounts of the Treasurer of the Convention, presented the following

REPORT:

The Committee to whom it was referred to examine the accounts of the Treasurer of the Convention for the last fiscal year, respectfully report: That they have discharged that duty, and find the account correct, and accompanied by proper vouchers for the various payments and disbursements charged.

The Committee deem it but justice to add, that in receiving, collecting, and disbursing the various funds which come to the hands of the Treasurer, is entailed an extensive correspondence and not a little labor of love for the Church, which our Treasurer has met and rendered in a business-like manner, creditable to himself, and entitling him to the thanks of the Convention.

The Committee, therefore, beg leave to report the following resolution, and recommend its passage:

Resolved, That the thanks of the Convention and the Church of this Diocese are justly due, and are hereby expressed, to Fletcher Williams, Esq., the Treasurer of the Convention, for his faithful discharge of the duties of that responsible office during all the time he has held the same.

GEO. W. CUYLER,
ABRM. VOUGHT,
THOS. FARRINGTON.

To the Rt. Rev. W. H. DeLancey, President of the Convention of W. N. Y.:

RT. REV. AND DEAR SIR:—I submit herewith to the Convention my Annual Account as Treasurer of the Diocese, up to August 1st, 1863, together with the vouchers accompanying the same.

Very respectfully and truly your obedient servant,

FLETCHER WILLIAMS, *Treasurer.*

On motion, the resolution appended was adopted:

Mr. George H. Mumford, in behalf of the Standing Committee on the Report of the Trustees of the Fund for the Support of the Episcopate, made the following

REPORT:

To the Diocesan Convention of Western New York:

The Standing Committee on the Report of the Trustees of the Episcopate Fund beg leave to report: That the principal of the Fund under the management and control of the Trustees is very nearly the same in amount, and is in substantially the same condition, as at the date of the last Annual Report, and consists of

1. Loans secured by Bond and Mortgage,.....	$41,015 00	
2. Railroad Bonds and other Securities,.....	3,710 00	
3. Moneys collected and not yet invested, ...	4,823 98	
		$49,548 98

But two investments, amounting in the aggregate to $1,200, have been made during the past year, and all the other securities have passed the examination, and met with the approval of previous Committees. In accordance, however, with the usual practice, the whole of the securities have again been submitted to the careful examination and scrutiny of a Special Committee, (Ward Hunt, Esq.,) and are reported by him to be in a satisfactory condition. The report of Mr. Hunt accompanies the report of the Trustees.

The sum of three thousand one hundred and seventy-six forty-eight one-hundredth dollars ($3,176 48) has been collected on account of income of the Fund for the last year, and paid over to the Bishop, leaving a balance of two hundred and seventy-three dollars due, but not yet received, and which it is expected will be shortly paid.

All of which is respectfully submitted,

G. H. MUMFORD,
WASHINGTON HUNT,
W. B. DOUGLAS.

August 19, 1863.

To the Diocesan Convention of Western New York:

The undersigned, appointed by the Bishop to examine the securities in the hands of the Trustees for the support of the Episcopate, respectfully reports:

That he has discharged the duty committed to him, and finds the state of the fund to be as follows, viz:

Bonds and Mortgages,	$41,015 00
Rail Road Stocks, Rail Road Bonds, Gifts, Notes, and other securities considered good, and which pay interest,	3,710 00
Cash in the hands of the Treasurer, Mr. Hopper, awaiting investment,	4,823 98
	$49,548 98

All the above securities were produced and exhibited to the undersigned, except one mortgage of $2,000, which is in the hands of Bartow & Olmstead, Attorneys, for collection, and a mortgage of W. M. Gile, of $1,000, of which the Treasurer has the certificate of record, but not the mortgage itself. He has also the original bond accompanying the mortgage.

The accounts appear to be kept with great accuracy, the money appears to be well invested, and the affairs of the Fund generally, are in a satisfactory condition.

WARD HUNT.

August 18, 1863.

Rev. Ferdinand Rogers, in behalf of the Standing Committee on Unfinished Business, presented the following

REPORT:

The Standing Committee on Unfinished Business would respectfully report that the Committee on Manuscript Sermons was continued, as may be seen by

*The Schedules referred to in this Report are on file with the Report among the papers of the Standing Committees of this Diocese.

reference to page 65 of the last Journal. The Committee would also call the attention of the Convention to the fact that the Form for Parochial Reports was adopted by the last Convention for *but one* year.

Attention is also directed to the Report of the Trustees of the Episcopate Fund, in which it is stated that two Trustees had resigned, and asking that two more persons be selected to fill the vacancy. At no place in the Journal of last year can mention be found of such election.

Respectfully submitted,

FERDINAND ROGERS,
DAVID S. HALL,
JOSEPH OSBORNE.

Whereupon, on motion, the Secretary was directed to insert upon the record the fact that at the last Convention, Messrs. Edmund A. Graham, of Utica, and Joseph Juliand, of Greene, were elected Trustees of the Episcopate Fund.

On motion,

Resolved, That the Parochial Report, adopted at the last Convention, be continued as the form to be used in this Diocese, until otherwise ordered.

The Secretary of the Convention made the following

REPORT:

The Secretary of the Convention would respectfully Report: That at the last Convention, (Journal 1862, p. 74,) the following resolution was passed:

Resolved, That 1000 copies of the Constitution and Canons, with Instructions and Forms, be printed under the direction of the Secretary, for the use of the Convention.

That upon entering upon the work of preparing the same for publication, he found that the Constitution and Canons of the General Convention having been revised and issued in the form of a Digest, all references to the same in the present edition of the "Constitution and Canons of the Diocese of Western New York" are inaccurate. That he did not feel at liberty, without the special authority of the Convention, to make the necessary alterations, which involve such modifications of the Constitution and Canons as will require the unanimous consent of this House. He would therefore offer for the consideration of the Convention the following Resolution:

Resolved, Unanimously, That the Constitution and Canons of the Diocese of Western New York be so changed as to make all references in them to the Constitution and Canons of the General Convention conform to the Digest of the same "passed and adopted in the General Convention in Richmond, Va., October, 1859," and amended at the General Convention of 1862.

Respectfully submitted,

WILLIAM A. MATSON,
Secretary of the Convention.

The resolution was adopted unanimously.

On motion,

Resolved, unanimously, That section 7, of Canon V, be transferred to Canon II.

On motion, the Committee on the Manuscript Sermons of Deceased Clergy of the Diocese, was continued another year.

Hon. Washington Hunt, in behalf of the Committee appointed to take into consideration so much of the Bishop's Address as refers to the subject of Clergy of the Diocese drafted into the military service of the United States, made the following

REPORT:

The Committee to whom was referred so much of the Bishop's Address as relates to the relief of Clergymen in the Diocese, who have been drafted for the military service of the United States, respectfully report:

That after due consideration of the subject, the Committee are of opinion that the several Parishes of the Diocese ought promptly to contribute a sufficient sum to pay the commutation permitted by the law, and thus exonerate the Clergymen, whose names have been drawn, from a service incompatible with their high and sacred calling. Excepting such as may be dismissed, for legal causes of exemption, we can perceive no other practicable method of securing their release from active military duty. We deem it scarcely necessary to advert to the various considerations which forbid that the ministers of the Church should become engaged, as armed soldiers, in the conflicts of war. It would be a spectacle dishonorable to the Church, derogatory to the ministerial office, and detrimental to the cause of true religion. It is not to be doubted that the Laity of the Diocese will cheerfully and promptly respond to a call for such pecuniary aid as the emergency seems to require. The Committee recommended the adoption of the following Resolution:

Resolved, That the Bishop be requested to call, by Pastoral Letter, on the several Parishes of the Diocese for a special contribution, for the purpose of securing a sufficient Commutation Fund to exonerate from military service the Clergymen of the Diocese, whose names have been or may be drafted and held for service, under the recent act of Congress; and that all disbursements from said Commutation Fund shall be paid by the Treasurer upon the written order of the Bishop. If any surplus shall remain after effecting the object of this Resolution, it shall be carried to the Fund for the Relief of Disabled Clergymen.

WASHINGTON HUNT,
JOHN STRYKER,
THOS. L. GARDNER.

August 20, 1863.

A motion made to amend the resolution by erasing the word "commutation" wherever it occurs, and after the words "upon the written order of the Bishop," insert the words "equally to each Clergyman drafted and held to military duty, not exceeding $300 to each," was lost, and the resolution as reported by the Committee, was adopted.

The hour having arrived for the Order of the Day, (see Rules of Order, §XVII,) the House proceeded to the election of the Standing Committee of the Diocese, and the Deputies of the General Convention, by one ballot, as directed by Section 2 of Canon XII, the Rev. Dr. Gibson, and Mr. G. C. McWhorter,

being appointed by the Rt. Rev. the President, to receive, as tellers, the votes of the Clergy, and the Rev. T. Babcock and D. S. Hall, to receive the votes of the Laity.

On motion, the vote by ballot was dispensed with, and Mr. G. W. Cuyler was elected Trustee and Treasurer of the Christmas Fund for Disabled Clergymen, in place of Mr. Edgar H. Hurd.

On motion, the vote by ballot was dispensed with, and Mr. Fletcher Williams was unanimously elected Treasurer of the Convention.

The Bishop, in behalf of the Committee on the subject of the Diocesan Training School, made the following

REPORT:

The Board of Education, consisting of the Bishop and Standing Committee, having charge of the Training School, respectfully reports:

That since the last Convention, the Rev. Dr. James Rankine has continued in charge of the same as Rector, combining with it the Pastoral care of the Chapel, with its increased congregation.

Eight Candidates for Holy Orders have been guided and trained in their theological studies, of whom four, viz: Willian Martin Beauchamp, Edwin Coan, Henry Martin Brown and Fayette Royce, have been admitted to the Diaconate, and are now laboring as Missionaries in the Diocese. One has relinquished his Candidateship. Five are now under the guidance and instruction of the Rector. The whole number ordained from the School since it opened, on the first of February, 1861, is nine. All of whom (except one from the Methodist Ministry, Candidate for eight months) had been Candidates for more than a year, three for about two years, one for more than three years, and one for more than five years. The salary appropriated to the Rector is $1,200, and has been regularly paid. The funds of the Board, derived from the Chapel, have enabled them to pay $200 for house rent.

The appended Report of the Lay Trustees and Treasurer, exhibits the income to have been sufficient to pay all demands upon it. The capital has been slightly increased by a donation of W. R. GENEVA, August 10, 1863.

Rt. Rev. W. H. DeLancey:

DEAR SIR: I have, as requested by you, examined the account and vouchers of the Treasurer of the Training School Fund, for the year ending on 6th inst. I find the account and vouchers correct, and that there is in the hands of the Treasurer a balance of $299 31; viz. uninvested principal, $166 50; unexpended income, $132 81.

I have also examined the securities in which the principal of said fund is invested, and find them correctly set forth in the statement of the Treasurer, which is herewith inclosed. They are:

Railroad Bonds,	$4,200 00	
Bonds and mortgages on real estate,	8,400 00	
Notes,	575 00	
Cash,	166 50	
		$13,341 50

And notes for payment of interest producing annually $171 50.

With great respect, yours truly,

S. H. VER PLANCK.

The Bishop, as Chairman of the Trustees of the Parochial Fund of the Diocese of Western New York, made the following

REPORT:

The Trustees of the Parochial Fund of the Diocese of Western New York, incorporated by the Legislature March 26, 1863, respectfully report: That they herewith present a copy of the Act of Incorporation.

Under this act the Trustees appointed thereby were divided by lot into three classes, of two Trustees each.

The first class, whose term of office will expire on the 1st day of September, 1863, are William B. Douglas and Edgar H. Hurd.

The second class, whose term of office will expire on the 1st day of September, 1864, are Alexander L. Chew and Russell Haywood.

The third class, whose term of office will expire on the 1st day of September, 1865, are George H. Mumford and Ward Hunt.

It becomes the duty of the Convention to elect at its present session two Trustees, in the place of the two mentioned in the first class, whose term of service expires on the 1st of September, 1863; the two Trustees so elected to hold the office for three years. The present Trustees are re-eligible.

And as Mr. Russell Haywood, of the second class, on account of prospective detention by business from the Diocese, declines to serve as Trustee, it will be necessary to elect a Trustee in his place.

The Trustees have organized under the act. They have appointed the Bishop of the Diocese the President, Edgar H. Hurd the Secretary, and Alexander L. Chew the Treasurer.

They have adopted By-Laws, a copy of which is appended.

The several objects of the Fund may be stated as follows:

1. Clerical Support.
2. Parsonage Aid.
3. Parochial Schools.
4. Theological Schools in the Diocese.
5. Missions in the Diocese.

For any of these objects the Trustees are empowered to receive and manage funds or lands.

In cases where the Bishop of the Diocese has or shall become the testamentary trustee for any of these purposes, he may transfer the trust to this body, and it shall so enure upon his death.

As yet the Trustees have not received any moneys or lands for any of these objects. They are now prepared, under this charter, to act for the Diocese in these respects.

All which is respectfully submitted, by order of the Trustees,

WILLIAM H. DE LANCEY, *Chairman.*

CHAPTER 59.—An Act for the incorporation of the Trustees of the Parochial Fund of the Protestant Episcopal Church, in the Diocese of Western New York. Passed March 26, 1863.

The People of the State of New York represented in Senate and Assembly do enact as follows:

SECTION 1. Ward Hunt, George H. Mumford, William B. Douglas, Alexander L. Chew, Edgar H. Hurd, Russell H. Haywood, and their successors, are hereby constituted a body corporate, under the title of "Trustees of the Parochial Fund of the Protestant Episcopal Church, in the Diocese of Western New York."

§ 2. The affairs of the said corporation shall be managed by a board of six Trustees, and the persons named in the first section of this act shall be the first Trustees of the said corporation.

§ 3. The said Trustees shall be divided by lot into three classes. The term of the first class shall expire on the first day of September, eighteen hundred and sixty-three; the term of the second class shall expire on the first day of September following; the term of the third class shall expire on the first day of September then ensuing. The vacancies in said classes shall be filled as they occur, by two Laymen, who shall be elected by ballot by the Convention of said Diocese, at its regular annual meeting in each year; the Trustees so to be elected shall hold the said office for three years from the expiration of the term of their predecessors. The acting Bishop of the Diocese shall be *ex-officio* a member of the Board of Trustees.

§ 4. The said Trustees are authorized to receive and hold, by deed, conveyance, or last will and testament, for the accumulation of said fund, real and personal estate, to such an amount that the annual income accruing therefrom shall not exceed thirty thousand dollars. The said fund shall be devoted in part to the assistance and support of officiating ministers of the said Church, engaged in parochial duty within the said Diocese, and this portion of the fund shall be called—"Fund for Clerical Support;" and in part to the purchase of glebes and the erection of parsonages within the limits of organized Parishes in the said Diocese, in communion with the said Church, and which shall be called—"Fund for Parsonage Aid." All real or personal property conveyed, devised or given to the Trustees, without specification as to the appropriation thereof, shall be devoted equally to the two purposes; but all donors to the fund, by gift or devise, may specify whether the same is to be appropriated for "Clerical Support" or for "Parsonage Aid," and a separate account shall be kept of the portion of the fund devoted to those purposes.

§ 5. In the distribution of these funds, regard shall be had by the Trustees, in the exercise of a sound discretion, to the equal necessities of the Ministers of the Parishes applying for them, without prejudice or favor.

§ 6. For the purpose of distributing such funds, the said Trustees shall meet on the first Monday of August of each year, or at such other time as they may appoint, and after determining the amounts of money to be distributed for the ensuing year, they shall consider the applications for assistance which may then have been received; such applications shall be in writing, signed either by the Minister or by order of the Vestry of the Parish, and shall state the facts necessary to a full understanding of the necessity of the case, and particularly the amounts

already contributed or secured toward the support of the Minister, or for the erection of a parsonage, as the case may be. The said application shall be separately considered by the Trustees, and a minute made of their decision thereon, together with a statement of the reasons for refusing the same, if the application be rejected. In no case shall the amount awarded from the funds be more than one-half of the funds already contributed and secured, as may satisfactorily appear by the written application; and in making grants from the fund in aid of parsonages, in no case shall any moneys be paid from the same fund, except on assurances satisfactory to the Trustees that all the remaining moneys necessary to the purchase of a glebe or erection of a parsonage, are secured, and that no debt or incumbrance will remain thereon.

§ 7. The Trustees shall make an annual report to the Diocesan Convention, at their regular meeting, of the state of the fund; of all applications for assistance therefrom, of the grants made, with the conditions, if any, attached thereto, and of the applications which have been refused, and the reasons for the refusal thereof; and a duplicate copy of such report shall also be rendered annually to the Controller of the State.

§ 8. The said Trustees are further authorized to receive, by donations or devise, moneys and land, devoted by the giver to the purposes of clerical support, parsonage aid in particular Parishes, and Parochial and Theological Schools and Missions, within the said Diocese, and they shall hold and apply the same in strict accordance with the condition attached in any such donation or devise, if not incompatible with the laws of this State; and in cases where the Bishop of the Diocese has been heretofore, or shall be hereafter, made a testamentary Trustee for any of the purposes contemplated by this act, he shall have the right to surrender the said trust to the Trustees of this fund at will, and in case of his not doing so before his death, the said testamentary trust shall inure, on his death, to the Trustees of this fund, subject to all the conditions prescribed by the donor; but the annual income accruing from the property said Trustees are allowed to hold by virtue of this section, and of section four, shall not exceed thirty thousand dollars in the aggregate.

§ 9. This act shall take effect immediately.

By-Laws of the Trustees of the Parochial Fund of the Protestant Episcopal Church in the Diocese of Western New York.

They shall hold their offices for the period of their term as Trustees, respectively, under the third section of the Act of Incorporation. Vacancies in the offices of Secretary or Treasurer may be filled at any meeting of the Board of Trustees.

II.

Four members shall constitute a quorum for the transaction of business, but not less than two members may adjourn a meeting with a view to a quorum.

III.

The Bishop or acting Bishop of the Diocese shall preside at all meetings of the Board. In his absence, one of the Trustees present, chosen for the purpose,

shall preside. In addition to his powers as presiding officer, the President may, whenever he shall deem it expedient, call special meetings of the Trustees, and shall direct the Secretary to give notice of the time and place thereof.

IV.

THE SECRETARY.

The duty of the Secretary shall be to conduct the correspondence of the Board; to prepare and transmit all letters in connection with its business; to keep in proper books copies of all letters written by himself, or by direction of the Board, and also copies of all letters or communications on the business of the Board, which may be brought before it; to keep the minutes of the Board and its proceedings; to have charge of all its documents; to execute all papers, conveyances and instruments in writing required to be executed by the corporation under seal and acknowledged, when authorized by the Board; to give due notice of the time and place of the meetings of the Board, stated or special. In case of the death or inability of the President, to call special meetings of the Board on the written requisition of any two members; and to unite with the Treasurer in the disposition, or investment, or place of deposit, of the funds of the corporation.

V.

THE TREASURER.

The Treasurer shall collect, receive, and keep the funds and securities of the Board of Trustees. He shall open and keep regular accounts of such funds and securities, showing the amount, nature, investment, and deposit of the same, having special reference to the distribution made under Section 4; and, also, to the donations and devises, appropriations and testamentary trusts under Section 8 thereof, showing in distinct separate accounts the funds, money, or lands, devoted to the purposes respectively mentioned therein. By and with the advice and consent of the Secretary, he shall deposit, invest, and manage the funds and moneys belonging to the Board; and may let or demise any real estate given or devised for the purpose of the act, for a period not exceeding three years; and shall make and present to the Board a written statement of the disposition or investment of all such funds or property of the Board, at every annual meeting.

He shall, in conjunction with the President and Secretary, prepare and submit to the Board the annual report to the Diocesan Convention, required by Section 7 of the Act of Incorporation.

VI.

SPECIAL MEETINGS.

Special meetings may be called by the President or Secretary, as before provided, upon the written requisition of any two Trustees.

VII.

ALTERATION OF BY-LAWS.

The By-Laws may be altered at any meeting by a unanimous vote of all the Trustees, or the same may be altered by a majority of all the Trustees upon notice given at the next preceding meeting of the intended alteration.

The Convention then proceeded to the election of two Trustees to supply the place of Messrs. Wm. B. Douglas and Edgar H. Hurd, whose term of office expires on the first of September, and one Trustee to fill the vacancy occasioned by the resignation of Mr. Russell Haywood.

Mr. John Stryker and Rev. Morelle Fowler were appointed Tellers to receive the votes of the Convention.

On counting the ballots, Messrs. William B. Douglas and Edgar H. Hurd were declared reëlected, and Mr. A. P. Nichols was elected in place of Mr. Haywood.

The Bishop, in behalf the Education and Missionary Board, made the following

REPORT:

The Board respectfully reports the number of Missionaries laboring in the Diocese, during the year just closed, under its appointment, to be 62, of whom for the whole year 36, and for longer or shorter periods less than a year, 26—the majority of them at least six months; 6 have removed to other Dioceses, to Vermont, Ontario, (Canada,) Ohio, New York, the Northwest, Wisconsin, and 4 have entered the Diocese from New York, Wisconsin and Michigan, and 4 are Deacons from the Training School. The present number is 45. Several stations are vacant, and expecting soon to be supplied.

The Permanent Missionary Fund has been lately increased by a payment from the estate of the Treasurer of the late New York Central Bible and Prayer Book Society, of $750, being one-half of the principal due, the whole claim presented being of principal about $1,600, for which the Bishop and Standing Committee thought it wisest to accept this sum, which might at once be put at interest, rather than wait for years for a final settlement not likely to bring more. The interest of this sum is to be spent in prayer books for the Depository at Utica, which the Board have hitherto kept up. The present amount of the Permanent Missionary Fund is $18,223. To our Diocesan Missions it has paid in interest $1,107 80. The securities are reported by the Treasurer and attested by the Examining Committee.

The Missionaries have received their stipends regularly every quarter, as we are humbly thankful to God to be able to say. Let us confide in our blessed Lord to open the hearts and hands of his people in the Diocese to the faithful sustentation of this most important agency of the Church.

The report of the Trustees of the Van Wagenen Missionary Fund for Chenango County, shows that it has been increased by the addition of the interest $149, and now amounts to $2,331. The report is appended.

The appointments of our Missionaries run only for the quarter, relying upon the monthly collections to secure the payments of the stipends.

We earnestly appeal to the Clergy in behalf of our Missions, and urge attention to the stated collections, and especially the *quarterly* collections, in their behalf, in April, June, September, and December. The results of these labors appear in their Parochial Reports, and need no repetition here. About seventy-five Parishes of the Diocese are under Missionary labor, and the need of regular and liberal collections for our Diocesan Missions is as urgent as ever. These Parishes select their Pastors as freely as those independent of all such aid. The stipend is appropriated, not to the Parish, but to the Missionary. By last year's report, it appears they contributed about $1,500, one-fifth of the $6,000 raised for Missions in the Diocese. Enlarged contributions from the abler Parishes, and regular and faithful monthly collections in all, will secure the continuance of our Missions, the discharge of our Diocesan obligations, the expansion of the Church, the glory of God, and the salvation of men.

All which is respectfully submitted, by order of the Board,

WILLIAM H. DE LANCEY, *Chairman.*

GENEVA, August 11, 1863. EDGAR H. HURD, *Trustee.*

GENEVA, August 11, 1863.

Rt. Rev. W. H. DeLancey, D. D., President of the Convention of the Diocese:

DEAR SIR: In pursuance with your appointment, I have examined the accounts of the Trustee of the Permanent Missionary Fund, and find the accompanying statements correct. W. B. DOUGLAS.

On motion of Mr. Washington Hunt, the resolution in reference to the provision to be made for the Clergy of the Diocese drafted into the military service of the United States, was reconsidered; and the same was then amended by erasing the word "commutation" wherever it occurs, and after the words "or may be drafted," inserting the words "and held for service."

So that the resolution as amended reads as follows:

Resolved, That the Bishop be requested to call by Pastoral Letter on the several Parishes of the Diocese for a special contribution, for the purpose of securing a sufficient fund to exonerate from military service the Clergymen of the Diocese whose names have been or may be drafted, and held for service under the recent Act of Congress; and that all disbursements from said fund shall be paid by the Treasurer upon the written order of the Bishop. If any surplus shall remain after effecting the object of this resolution, it shall be carried to the Fund for the Relief of Disabled Clergymen.

The Bishop, in behalf of the Trustees of DeVeaux College, ade the following

REPORT:

the Convention of the Protestant Episcopal Church of the Diocese of W. N. Y.:

The Trustees of the DeVeaux College for Orphan and Destitute Children, in ursuance of the terms of their Charter, respectfully submit their annual report:

The funds of the Institution consist of $160,644 21, yielding income. Three ntracts for the sale of land, amounting to $1,400, were forfeited for non-payent of interest. One mortgage given for purchase money for $1,515 28, was reclosed, and the real estate reverted to the College, thus diminishing the nount of the assets bearing interest, as heretofore reported, by those amounts.

Sales of real estate were made during the year amounting to $1,225.

The real estate, exclusive of the domain, is estimated at $23,100. The domain nsists of 330 acres—a part of which is rented, and the residue used and cul-vated by the Institution.

The income received during the last fiscal year was $11,535 03, and the penditures were $11,530 90.

The amount borrowed from the principal, and used in paying the expenses, as ated in the last annual report, has been reimbursed to the principal, and the nount thus reimbursed is embraced in the above item of expenditures.

Thirty-two boys were trained and instructed in the College during the past ar, and wholly supported by it. Seven boys were honorably discharged during e year, having acquired sufficient education for all practical business purposes, d completed their collegiate course. Five other boys were admitted to the ollege.

The course of instruction and government presented in former reports is still rsued.

All which is respectfully submitted,

W. H. DE LANCEY, *President.*

ELIJAH FORD, *Secretary.*
August 17, 1863.

Mr. Joseph Benedict introduced in writing the following mendment to the Constitution of the Diocese:

Strike out in the second line of Article I. the word "August," nd insert instead thereof the word "June."

Which, having been considered, was, on motion, approved; nd, according to Article VIII. of the Constitution, it lies over ntil the next Annual Convention.

On motion, the Convention took a recess until 4 o'clock.

THURSDAY AFTERNOON, 4 o'clock.

The Convention reassembled.

Resolved, That 2,000 copies of the Journal of the Convention e printed, and distributed, as usual, under the direction of the ecretary.

Resolved, That the Secretary be authorized to prepay the postage on those copies of the Journal directed by Canon to be transmitted by mail.

Resolved, That the thanks of this Convention be presented to the congregations of the several Churches, and the citizens of Rochester, for the hospitality so generously extended to its members during the present session, and that the Rev. the Rectors of said Churches, be requested to give publicity to this resolution in such a way as they may deem expedient.

The Clergy having been called upon for their Parochial Reports, as required by Canon XII. of the General Convention of 1853, the reading of the same was dispensed with.

The Tellers being called upon for their report, on counting the ballots, after the votings, it appeared that the following persons had received a majority of all the votes given, and were, therefore, declared duly elected:

STANDING COMMITTEE.

Rev. Wm. H. A. Bissell, D. D.,	Mr. David S. Hall,

Whereupon, after the reading of the minutes, and an address from the Rt. Rev. the President, the Convention united in singing the Gloria in Excelsis, and in appropriate prayers from the Liturgy, by the Bishop, and after his blessing, adjourned *sine die*.

The above report is from June 21st, 1863, on which day I first officiated here. Services had been previously held by Rev. Mr. Leech and others: how many I cannot tell. Public worship having been discontinued at Five Corners, and that Parish never having been admitted into union with the Convention, I have included in this report such persons as attend here. Everything being new, it is, of course, incomplete, and, to some extent, inaccurate; but there seems every prospect, with God's blessing, of our having a flourishing Parish. Our new and beautiful Church edifice was consecrated July 24th. The lot and about one-fourth of the cost were contributed by a former resident of this place. We still lack a Communion Service and some other things, but hope to have them in due time. The praise for the extension of the Church in this section, is due, under God, to the unwearied efforts of the Rev. John Leech. I have held one service in the vacant Church at Moravia, and propose to go there as often as circumstances will permit. Of the offerings reported, a considerable sum came from without the Parish.

This parish met with a most overwhelming loss in the destruction of its church edifice by fire, Dec. 21, 1862, the Sunday before Christmas. The fire seemed to have originated from some defect in the flue It was a sad day for us. I am glad to record that the vestry and congregation saw in this severe visitation, the call of God to renewed effort and greater sacrifices. They rested not in despair. They gave no time to discouragement. And our hearts have been cheered by many tokens of sympathy from the churches and individuals of this Diocese. Our church is under contract and fast revealing itself, and we hope to enter its gates with thanksgiving and fill its courts with praise, when another Christmas time shall come. There is yet room for the gifts of God's people to aid us in our work.

Value of Church Property, as estimated by Wardens: Of the Church, with Furniture, $3,600; Harmonium, 100; Communion Set, 150. Total, $3,850. Indebtedness, $500.

The parish has been vacant since last November, since which the church has been kept open for Lay Services, and the Sunday School regularly held. The Rev. Mr. Arey, of Fredonia, very kindly officiated on two Sundays, on one of which the Holy Communion was administered. On the day following he administered the same in private to two aged and infirm communicants at their residence. The services of the Rev. Sidney Wilbur, have been engaged. He enters upon his labors on the 1st August inst. The Vestry have been obliged to appeal to the liberality of their fellow churchmen, to enable them to discharge the debt upon their church edifice. This appeal was responded to so liberally, as to leave no doubt that the small amount remaining due will be raised, and by the blessing of God, the Church consecrated to His service the ensuing autumn.

The foregoing statistics indicate the state and condition of the Parish, in the general. It is about the same that it was last year; only there is an increase in the number of communicants. The congregations, though not materially larger, yet they are more uniform in their attendance, and church-like in their manners. Services are held here once every Sunday, sometimes twice, and the same on all Holy Days and Saints Days during the year The Sunday School continues to flourish, and is very well conducted by its faithful and diligent teachers.

On the whole, I consider the Parish in a good condition. Out of debt entirely, prompt in the payment of its salary, liberal in its gifts, and kind in its attentions to its Pastor. *Condition good, financially;* I wish it were *better ecclesiastically.*

The affairs of this Parish remain pretty much the same as they were last year. The prospect of building a Church is a little brighter than it was. We have, through the liberality of a gentleman, in the Parish, a very eligible lot for a Church edifice, and with this, we have in bank and on subscription about $1,000. We trust that another year will not pass without our seeing the ground occupied by a neat and comely Church.

I have held a service here every Sunday once a day, some Sundays twice a day, and on some of the Saints' and Holy Days during the year. The congregations are good and uniform in their attendance and numbers.

The Sunday School is well sustained by the ladies of the Parish.

We are out of debt and mean to continue so.

The above report is compiled mainly from the Parish Register, and may lack accuracy in some particulars. The Rev. G. Graves resigned the Parish and removed to Vermont in April last, and the present report, is intended to cover, mainly, the Parochial year from August 1st, 1862, to the time of his retirement, in the middle of April last, 1863. The present Rector assumed the charge of the Parish, on the 1st of July last, and hence at so recent a period, that he cannot report so fully of the Parish as he could desire. He enters upon his duties with much to encourage him, and with hopeful signs of success, by God's blessing in building it up.

This report dates only from the 1st of February last, at which time I took charge of this Parish. A lot has been purchased and the amount reported above subscribed toward a Church building. The corner-stone of the projected edifice was laid by the Bishop on the 4th of June last. Suitable plans have been fur-

nished by Diaper and Dudley of New York city, and the difficulty of procuring a builder has alone delayed its erection. It is still intended that the building shall be begun, and, if possible, completed this fall. There is nothing that need hinder the prosperous growth and permanance of this new Parish. A faithful coöperation of those already pledged to its interests will amply secure its future.

The Rector takes charge of this Parish on the 16th inst. It has been for many years a small and feeble congregation, but has greatly improved during the last

year, under the short but efficient ministry of the Rev. Alfred Louderback; and the earnest and devoted spirit shown by some of its members, gives much promise of better things for the future.

The annual collection for Domestic Missions was duly made, but by accident misapplied. That for Foreign Missions was omitted on account of the vacancy in the Rectorship, and want of services at the time. An effort will be made to remedy both deficiences.

The Christmas Fund collection (6 50) was by a mistake not transmitted until after August 1st.

By an order of the Supreme Court of the State of New York, Oct. 14th, 1862, the Trustee of the Endowment Fund reported last year was released from his trust, the securities held by the Vestry for the payment of the annuity of $250 00 were cancelled, and the Fund paid into Court, where it has remained without interest to this time. The income of the Parish from this source has therefore been greatly reduced. The deficiency has been made good for the present year, by a few members of the Parish, aided by a gift of $80 00, very kindly contributed by some friends in Buffalo.

The condition and location of the Parsonage rendered it advisable to effect a sale of the property, which was done in May last. A fund of about $900 00, as reported above, is held by the Vestry for the building or purchase of a new Rectory.

The Rector deeming it his duty to accept a call to the charge of St. Paul's Church, Holland Patent, resigns on the 30th inst. the charge of this Parish, after an incumbency of six years, (the longest in the history of the Parish,) marked throughout by the kindest and most endearing relations with its members. It may be worth while to record that in these six years *fifty-two* families and *seventy-nine* communicants have been added to the Parish, and *fifty-two* families and *seventy-nine* communicants have been lost by deaths and removals, leaving the present number of each precisely the same as in 1857, although the reports, owing to errors in the first one, do not exactly correspond. No communicants are included in the present report who have not received the Holy Communion during

the last six years. All but seven of the number reported have communed during the past year.

Of the number included in this report as communicants, 7 males and 5 females may be regarded practically as non-communicants; not having communed for several years.

During the year past, the Church has received from Mr. Frederick Hubbard, of New York, a handsome Pulpit-Cloth, with appropriate design and inscription in needle-work. The Church has also been presented with an an elegent Altar Cloth, designed by Mr. Hubbard, and beautifully executed in needle-work by Misses Bissell and Stryker. From Mrs. D. Utley, the Church has received a very acceptable present of shades for the gas-burners.

The mortgage which, since their purchase, has been an incumbrance on the parsonage property and part of the Church lot, is paid in full.

Our Church, originally large enough for the congregation, is now inadequate to the demands of the Parish and the population of the place. It has 68 pews; 63 of which are rented, of those unrented, 4 are ineligible. Of the families connected with the Parish, 72 have pews; 55 have none. The rented pews accommodate 198 adults and 85 children, in all 283; while 143 adults and 108 children, in all 251 are without sittings, except the few unrented ones, accommodating in all about 80 persons; leaving 220, nearly one-half of all unprovided for.

The want of pews must continue to prove an obstacle to the natural growth of the Church in her aggressive work. It is much to be desired that provision be made, very soon, to meet the needs of the Church, either by the opening of another place of worship, or by the enlargement of the present edifice.

The Parish during the past year has been steadily progressing in strength and efficiency. The amount of Church collections has very considerably increased; an unusually large class has been presented for Confirmation, and the attendance upon Divine Services was never better than at present. A systematic plan has been adopted, and is in successful operation with a view to the reduction and ultimate extinguishment of the Church debt. In all these favorable indications we are encouraged to new diligence and hope. The Rev. Mr. Harris has rendered most valuable and acceptable services to the Rector throughout the year.

The Church edifice for this new Parish was finished and occupied for the first time on the 1st of October last. The Church is complete in all respects, provided with an excellent organ, furnaces, gas fixtures, and all necessary furniture for Chancel, Lecture Room, Library, &c. A bell for the tower is promised by the liberality of an old parishioner of the Rector's, Wm. Osborn, Esq., now of St. Joseph, Missouri. The whole of the glass in the Church was donated by Mr. C. P. Ingalls, Stained Glass Manufacturer, of this city, and is of a very superior style. The Ladies' Aid Society have expended over six hundred dollars in carpeting and furnishing the Church, and they have on hand about two hundred dollars toward a fund for building a Sunday School Room, to be used also for a Parish School. The revenues for the last year have considerably exceeded the current expenses, and it is hoped the few outstanding bills against the Parish will soon be met, and the Church consecrated. The Congregation is made up in large proportion of those who have heretofore been strangers to the Church, a goodly number of whom have, under the Divine blessing, been brought to confirmation.

Of the amount reported for Dr. Breck's Mission, one-third was contributed by the Sunday School, one-third by an individual donation, and one-third by a collection in the Church. President Cole acknowledges about $100 contributed in Utica for Nashotah, through the agency of Rev. Sidney Corbett. He collected in Trinity Parish for this object, but I have not learned the precise amount.

A severe illness, beginning in November last, prevented me from attending to my duties for nearly three months. The Rev. J. J. Brandegee, D. D., of Grace Church, Utica, aided by his Assistant, the Rev. Wm. R. Harris, generously took upon himself the care of the Parish, and supplied it with the usual services during this period. The Parish has sustained a loss in the death of the Hon. Simon Newton Dexter, its first and only Senior Warden, to whose influence and liberality it was largely indebted, under God, for its organization, the erection of the Church, and the necessary provision for its services.

s Parish is suffering from the need of a new and commodious Church; and one is soon provided, our cause must lose ground in this place. A sum , if not quite, sufficient for the purpose could be raised in the Parish were the ers of the same thoroughly awake to the necessity; but I regret that ut those who are favored with means, there has long been a lamentable) of indifference in this regard. Willing to consider the Parish too poor to they seem content with an edifice too small for the accommodation of all arishioners, and so uninviting as to keep away from us many who would rise attend the services, and contribute their part. There is reason to e that were a new Church erected—say at a cost of $3,000 only—this would, in a short time, become self-supporting; and if an attempt to raise am should be made, much extra Parochial assistance would doubtless be ed. This Church has sixty-four Communicants, and *only eighteen slips.*

If this Church is hereafter to grow, a greater number of services must be given it. Twenty-nine *Evening Prayer* services in a year (and this is more than was originally agreed upon) never will build it up. Since the 1st of June, I have held services here oftener than before, but it is difficult to do more for this Parish so long as the full number of services are given to Trinity Church, Fayetteville. By referring to the report of that Parish, it will be seen that the number of services there held was 135, including 95 Sunday services. If this Parish could have a service every Sunday evening the greater part of the year—say nine months—it would soon materially improve.

The Rector has been unfitted for duty by illness during the last three months, which probably makes some difference in the report of the Parish; especially, the Missionary collections, which we take up at the evening service, have been, with that service, sometimes omitted. The services have been kept up partly by Lay reading, partly by the kindness of some of the Rector's brethren in the Ministry, for which he tenders them his sincerest thanks. By the blessing of God, he is able to resume his duties with the commencement of the new Conventional year. He has delivered fourteen lectures and eight sermons on week-day evenings, and assisted in union services five times at Trinity Church and seven times at St. Paul's.

This report, is for only a portion of the Diocesan year, ending May 3rd, 1863, at which time I resigned the charge of the Parish on account of continued ill-health. The report must be necessarily incomplete, as I write several hundred miles away from the Parish and cannot get the statistics. I have spent the season thus far without any special charge, but have not been idle. I have celebrated Divine service

myself, or assisted others, a number of times, viz: Public Services, performed 18 times, Holy Communion 6 times, children baptised 8, child buried 1. All these services out of the Diocese have been recorded in the Parishes where performed. My health, I believe to be almost entirely restored.

Services are held in this Parish only in the afternoon, as we occupy the Methodist Chapel and can have it at no other time. The Parish has commenced the erection of a substantial brick Church, which it is hoped will be done by the close of the present year. The prospect before the Church in this place is encouraging, and we hope, with God's blessing upon our efforts, to secure and maintain a firm foothold.

A careful revision of the names upon the list of Communicants has caused a diminuition in the number reported.

This small Parish with generous regard to the comfort of its Rector, has provided a pleasant parsonage, which is now his residence.

By the liberality of a member of the congregation an enlargement has been made in our Church, and in a manner that greatly contributes to its architectural effect, both externally and internally. A recess for the Organ and an extension in length have added to the sittings more than a quarter of their original number. The exterior has been repainted, and the interior is receiving modifications in arrangements and coloring that will increase the impressiveness of its character as a sacred temple. Correct in proportions as was the building formerly, these changes much improve the symmetry and beauty of the entire structure.

The services reported are less numerous than they would have been, owing to the occupation of the building by mechanics for several weeks.

I resigned the charge of the Missionary Station at Branchport, on the 1st of April last. Since then I have held service in this Church on Sundays, morning and evening, and at West Dresden once in two weeks in the afternoon. During the last four years the Parish has been steadily growing stronger, having doubled the number of its communicant members, and so added to its financial strength and disposition to support a Minister, that besides a very handsome donation, a larger amount is promised for the Rector's salary from one Parish than at any time from the two Parishes, since April 1st, 1860.

At West Dresden also there are many signs of encouragement. The large congregations which attend our services, and the cordial welcome which greets the Missionary, not only gladdens his heart, but under God's blessing, give good promise for the future.

OTHER CLERICAL REPORTS.

From Clergymen not holding Parochial Cures, the Bishop has received the following Reports, viz:

The Rev. WILLIAM BAKER, residing in Utica, reports: He has baptized one child and officiated at seven funerals in West Utica. Performed Divine Service and preached four Sundays in St. Peter's Church, Oriskany; also attended one funeral, the Rector being ill. One Sunday he officiated at St. Stephen's Church, New Hartford, in the absence of the Minister; one Sunday in Calvary Church; once in St. George's, during the affliction of the family of the Rector; assisted once in the Services in Trinity Church, and a number of times by reading prayers andassisting in the administration of the Holy Communion, in Grace Church.

In addition to the above, he has performed Divine Service and preached several times in the Diocese of New York, and assisted in the Communion at St. George's Church, Toronto, Canada West.

The Rev. JOHN A. BOWMAN, Chaplain in the Army of the United States, in the U. S. Hospital, No. 7, Louisville, Kentucky, reports at great length, comprising his report to the Adjutant General of the United States Army, and an address to the President of the United States from the Chaplains, with statements of Services performed, and of facts, views and suggestions, important as illustrating the labors of Chaplains, the difficulties of their position, their personal exertion for the soldiers, the moral condition of the hospitals, and other matters, as the deterioration of character produced by the service, the want of Tracts and Prayer Books, and improvements that might be effected; from all which it appears that from January 1st, 1862, to June 1st, 1863, the whole number of religious Services was 296; Scientific Lectures delivered, 27; Burials from Hospitals, Camps, &c., 267. To which are to be added, (to bring the report to the 1st of August,) as follows: Religious Services in Hospitals, Camps, Gunboats, &c., 26; Lectures 5; Funeral Services, 7. A summary of which would be, Religious Services, 322; Lectures, 32; Burials of Soldiers, 274. Total, 628.

The Rev. JOHN F. ERNST, residing at Buffalo and teaching a school, reports: That he has conducted morning and evening Services 20 times; assisted in such Services 6 times; administered the Holy Communion 4 times; taken part in its administration 6 times; preached 22 times; attended one funeral, and married one couple.

The Rev. R. I. GERMAIN, residing at Buffalo, reports: That his ministerial services for the past year, have been mainly in preaching at St. James' Church, in Buffalo, some eight weeks, in autumn, during the temporary indisposition of its Rector.

The Rev. ALMON GREGORY, Hospital Chaplain of the United States, at Covington, Kentucky, reports: That since his transfer to the jurisdiction of the Bishop of Western New York, in May last, he has been actively engaged in the duties of his office as Presbyter, and in the service of the United States as Hospital Chaplain. Besides his services in private, at the bedsides of the sick and dying, he has officiated publicly as follows, viz: read prayers 34 times; preached 25 times;

assisted in the administration of the Holy Communion 4 times; buried 10. He has also assisted in the Services at an ordination by the Bishop of Kentucky.

The Rev. JONATHAN H. HAVEN, residing at Lewiston, reports: That he resigned the Parish of Lewiston on the 13th of April last; that he has held Service and preached for the Parish 5 times; that he spent 2 Sundays in Ashtabula, Ohio, assisted in the service, and preached one Sunday; that he has held Service and preached 5 times in Lockport, once in Queenston, C. W., and assisted in the Communion; that he baptized in the Parish of Lewiston, reported by the Warden, 68; married 30; buried 15, and 18 have been confirmed.

The Rev. A. JACKSON, D. D., President of Hobart College, reports: That he has been engaged constantly during the past year in the discharge of the duties of his office. Besides the general duties of supervision and government he has given instruction in the departments of Christian Evidences, Rhetoric and Elocution, and English Literature. He has read Service, in whole or in part, nearly every Sunday, preached frequently, celebrated the Holy Communion on several occasions, baptized one infant, and officiated at one funeral.

Hobart College has a President, six Professors, and a Chaplain, who are supported wholly by the endowments of the Institution, and give their whole time to its service.

The College has no debts. Tuition and room-rent are given freely to all without charge. There is a contingent fee of $5 00 per term. There are 11 scholarships in aid of students preparing for the Holy Ministry, each yielding $100 00 a year; 3 scholarships, each yielding $140 00 a year; there are 2 scholarships, each worth $70 00 a year, which can be given to communicants, without the condition of studying for the Ministry.

The number of scholarships will be increased by further payments of the Ayrault legacy, but if the College had now fifty of such, instead of eleven, they would all be in use, and the Church would be vastly the gainer by the proportionate increase of thoroughly educated Clergymen. The number of students in attendance during the past year has been 74; on the College Register 94; Communicants 30; studying with a view to the Ministry 16.

A high standard of scholarship has been maintained, and the examinations have been very satisfactory, with rare exceptions.

The Chaplaincy, brought into operation near the begining of the past year, has worked well, and promises to realize, in a large degree, the happy results of pastoral care and watchfulness over the young separated from their homes, contemplated in its establishment.

A new and beautiful Chapel for the use of the College is now nearly completed, and an excellent Organ, built expressly for it, has been placed in it. These will materially aid in giving effectiveness to the daily service.

The Rev. DEWITT C. LOOP, Assistant Minister of St. Luke's Church, Rochester, N. He has conducted a Bible Class of adults for about 10 months, and on some Sundays has instructed two Bible Classes. During most of the year he has Cottage Lectures, once or twice a week, in remote parts of the city. He regrets that the contemplated Chapel is not yet commenced. The several baptisms, marriages, and funerals, are reported from the Parishes where performed.

The Rev. KENDRICK METCALF, D. D., Hobart Professor of Latin, &c., in Hobart College, Geneva, reports: That he has performed the usual labors in teaching, devolving upon the professorship; that he has also officiated for a considerable part of the year on Sundays, in St. John's Church, Phelps; the report of his ser-

vices there being given in the report of that Parish; that he has also buried one person, in the Parish of St. Mark's, Le Roy, and read Service and preached on several occasions elsewhere.

The Rev. WM. B. MUSGRAVE, residing at Sag Harbor, L. I., reports: That since his resignation of the Parish in Havana, Schuyler county, in March, 1862, he has officiated frequently in New York, Brooklyn, and elsewhere, by preaching, administrating the Holy Communion, and in other offices of the Church; and has also devoted a considerable part of his time to teaching; that in May last, he removed to Sag Harbor and opened a select school for young persons of both sexes; and that he has no intention at present, of resuming pastoral duties.

The Rev BEARDSLEY NORTHROP, residing at New Hartford, reports: That since the last Annual Convention, he has read prayers and preached 3 Sundays in Trinity Church, Boonville, and in Christ Church, Forestport; one Sunday in St. Paul's Church, Holland Patent; one Sunday in Grace, one Sunday in Calvary, and one in St. George's, Utica; that he has read prayers and preached 7 Sundays, in St. Stephen's Church, New Hartford; and also attended one funeral; has read prayers and preached one time in Norway, and once in Zion Church, Rome, where he baptized an infant; and that he has occasionally assisted in the Services in various places.

The Rev. MARCUS A. PERRY, residing at Utica, Oneida county, reports: That he has preached during the past year a number of Sundays, his labors extending to Hamilton, Herkimer, Holland Patent, Whitesboro, and St. George's Church in this city. He has assisted in prayers one Sunday at Syracuse and on Monday, being the Festival of St. Michael and all Angels; and one Sunday at Paris Hill. He has assisted also a number of times at Grace Church and Chapel, baptized one infant, and buried one adult and one infant.

The Rev. CHARLES H. PLATT, now residing at Lyons, reports: That he relinquished his Chaplaincy in the U. S. Volunteer Service, during the autumn of 1862; that he has since that time frequently assisted in Divine Service, and has for three months, discharged the duties of Chaplain, in the State Prison, at Auburn, in this Diocese, but has resigned that office, and is now without a charge.

The Rev. JAMES RANKINE, D. D., Geneva, respectfully reports: That as Professor of the Diocesan Theological Training School, Geneva, during the past Conventional year, he has had under his direction and instruction ten Candidates for Holy Orders. Four of these, Edwin Coan, William Martin Beauchamp, Henry M. Brown, and Fayette Royce, A. M., have been ordained Deacons. The Rev. George R. Hewlings has withdrawn. Five Candidates are at the present time connected with the school.

There are nine families, more or less of whom attend services and contribute to their support, beside individuals connected with the factory, some of whom are regular in attendance and contribute liberally. [From the New York Express.]

Consecration of the Protestant Church Du St. Esprit.

The new and beautiful Church Du Saint Esprit, in connection with the Episcopal Protestant ritual of the United States, was solemnly consecrated and dedicated to the Service of Almighty God, by the Rt. Rev. Horatio Potter, D. D., Bishop of the Diocese of New York. The Right Rev. Dr. DeLancey, Bishop of Western New York, and a large number of Clergymen, assisted in the Services of the day. The new edifice was crowded in every part by fashionable and elegantly dressed ladies, and long before the commencement of the consecration services there was no place to stand or sit.

The Church is a model of taste and beauty. It is built in the perpendicular gothic style, with nave, side aisles and splendidly illuminated windows. The interior is elaborately furnished, and the decorators cannot be too loudly praised for their ingenuity and industry.

The Chancel is especially attractive from the light being introduced through the ceiling ribs of the stained glass. The entire wood work and finish of the auditory and Chancel are of solid black walnut. The front is of Dorchester drab color stone, with centre tower, seventeen feet at the base, terminating with a spire one hundred and fifty feet high, all parts of the front being cut from solid stone. The Church is one hundred feet long and fifty feet wide. In the basement are the lecture room, Sunday School rooms, &c.

The architect is John Correga, Jr.; the decorators, Guille & Alles; the carpenters, Smith & Crane: the mason, W. W. Owens. The fine and powerful organ has been built and erected by Mr. Henry Erben, a very competent judge in matters of this kind. The new instrument has twenty-five stops, two sets of keys and two octaves of pedals. It contains over 1000 pipes.

The consecration service began at a quarter to eleven o'clock. Bishops Potter and DeLancey came in at the main entrance, accompanied by the whole body of Clergy. The officiating Bishop read the appropriate psalm, as he went up the aisle; the Clergy making the antiphonal responses.

The Bishops and Clergy then took up their places within the cammunion rails, many of them not being able to find accommodations, seating themselves immediately in the pews in front of the audience.

The various documents and deeds concerning the settlement of the Church, including the "instrument of donation and endowment," being the authority to the Bishop to consecrate, were then produced and read by the Rev. Dr. Tyng, of St. George's Church.

The Rt. Rev. Bishop Potter then delivered a rubrical address to the congregation, accompanying it with the prayers set apart for the occasion, and closing with the sentence of consecration.

The regular order of morning prayer was then proceeded with.

The Services of the Church. To the first lesson, (in French,) were read by the Rev. J W. Shackelford

The first and second lessons were read by the Rev. Dr. McVickar, (in French,) The prayers were read by Rev. Dr. Spencer (in French.) The Ante-Communion service (in French.) was read by Rev. Dr. Verren, the Rector of the Church. Then followed the reading of the Epistle by Rev. Dr. Morris (in French.) The reading of the Gospel by Mr. Gauthier (French.)

Among the Clergy present were the following

Revs. Drs. Price, Higbee and Johnson, of the Theological Seminary, Gallaudet, Vermillye, Gillette, Tuttle, Eaton, Weaver, and Stirling, and Rev. Messrs. Chapman, Jackson, Brooks, Judd, and many others dispersed among the congregation

The sermon of the day was preached by the Rev Antoine Verren, D. D. The text was taken from the book of Isaiah, fortieth chapter and sixth verse, and the discourse was eloquent and most appropriate. We regret that space and time prevent us from giving a full idea of its excellence.

We omitted to say that Dr Verren also conducted the Ante-Communion services

At the close of the sermon, the Right Rev. Bishop Potter said that he felt greatly pleased at the success which had attended the reverened Rector and his congregation, in rearing a temple to the Lord where the French Protestants of America could worship in their own language. Such a beautiful building was an honor and credit to all who had been engaged in its construction, and he and his reverened brethren felt proud, as no doubt would all the Episcopalians of New York on its admission into the fold of their common Protestant worship. The Bishop concluded by introducing the Bishop of Western New York.

Bishop DeLancey, of Western New York, then spoke of his regrets at not being able to address the congregation in the language of his ancestor—the soft and mellifluous language of France. He would, however, speak to them words of affection in the rougher and stiffer, but not less sincere language which he had always been accustomed to speak.

More than a century and a half has passed away since the exiled sons of France sought a refuge from as malignant and bloody a persecution as the page of history records, not only in Holland, England and Ireland, but on the shores of America Among other places on this continent they clustered in the city of New York then comparatively recently transferred by the treaty of 1664 from Holland to England. The holy religion which had forced them from their homes to maintain its purity constrained them to secure its public observances in a sanctuary Within a few years from their arrival, they erected, in 1704, as an organized religious body, a temple of God, the fifth Church edifice erected in the city, on *Pine street*, now, like so many other sacred edifices, surrendered to the encroachments of successful commerce

The zeal, means and influence of my own ancestor, himself a persecuted fugitive from Normandy to Holland, from Holland to England, from England to New York, in conjunction with his brethren, Huguenots, were given to the enterprise For one hundred and twenty-seven years (1704 to 1831) through the varied and uneven current of parochial history, that edifice was the sanctuary of prayer to successive generations. It has enrolled the names of many individuals prominent in city history, and the records of the government during that long period, as merchants and mechanics, in law and literature, as citizens and in politics

This State served as an asylum to a number of Huguenots even long before the revocation of the Edict of Natz. They formed, after the Dutch, the richest and most considerable portion of the population of the city, even before that province came under the rule of England. They were, in 1656, already so numerous and possessed so great influence, that public instruments were published in French, as well as in Dutch and English.*

* Wiese p. 312, quoting Bancroft, vol. ii, p. 202.

In the progress of its history, many of the flock were drawn to the services of the Church of England, my ancestor among the number, though he had held the office of an elder in the congregation.

In Massachusetts, in Virginia, in Maryland, and in the Carolinas, as well as in New York, the Huguenots, in many cases, took the same direction, and became connected with the Church of England and afterwards with the Protestant Episcopal Church.

The formal alliance of this congregation with the Protestant Episcopal Church was in 1803, since which date it has had its pastor on the diocesan list of Clergy, and in its Convention, with its deputies in that important body, acting and voting on all the questions that come before it, in full and fraternal communion with our Church.

I have myself worshipped in that venerable edifice. When the encroachments of business compelled the flock to substitute, in 1831, another edifice for the primary sanctuary, the new building in Franklin street, maintained but a comparatively brief conflict with the powers of darkness, ere a new position was needed by the flock for the undisturbed worship of God, and preaching of his Word.

This is the beautiful edifice substituted for it by the Rector, Wardens and Vestry, and now given to God by solemn consecration, in which we now stand, as the House of God.

Let me express to you, my brethren, my congratulations on the completion and consecration of this beautiful edifice, and to you my reverend brother, let me add, for the opportunity and invitation to unite with you in the services of the new sanctuary, and to address you on this occasion.

To the Protestantism, my brethren of this flock, which founded this Church—which expelled your and my ancestors from beautiful France—which made them sacrifice wealth, comfort and position for the truth of God, and to which you have clung for nearly two hundred years, I am an adherent of the fourth generation like yourselves.

God has been graciously pleased to bless us with that union of Church order polity, and doctrine, which was not allowed to our honored ancestors in the Continental Reformation, in which not the Bishops, as in England, but Priests, Deacons, and Laymen headed the movement.

And now, with Bible, Bishop and Liturgy, we may labor and suffer for God, as our fathers did before us without all these advantages.

May his blessing ever rest upon us here, until changing the sanctuary on earth for the great temple above, we shall, through the same blessed Saviour, in whom they trusted, join with them in the worship, which angels, principalities and powers, cherubim and mighty seraphim, and all the host of the elect, pour forth to HIM who sitteth upon the throne, and to the Lamb, *forever*

General Theological Seminary of the P. E. Church of the United States.

At a time the most critical in her history, the Trustees of the General Theological Seminary of the Protestant Episcopal Church of the United States address to you their

SOLEMN APPEAL FOR AID.

We would be brief. We would speak as men in earnest; and our words shall be few.

The General Seminary of the Church in the United States has been in existence, under her present organization, since the year 1821. Her halls are now fuller than they have been for many years. Twenty young men were sent forth into the field at her last Commencement. Seventy-four students were on the rolls that day. She is a living power in our midst; and untold interests hang on her maintenance.

But the aspect of her finances is alarming in no ordinary degree. It is believed that the evils with which we are now called to deal, and to deal promptly, are the direct results of our national affliction. The Seminary is bending under the common burden. We address you, in the conviction that the Great School of the Church is in imminent peril; that she may be saved; that she must be saved; and that every man must help who can.

A FEW WORDS AS TO THE SITUATION.

The real estate of the Seminary may be estimated as worth at least $400,000. *There is property to show for every dollar that has been received.*

The liabilities are as follows: Mortgage debts, $51,000; Floating debt, $10,701 05; Specific Endowments for Scholarships, etc., $82,925. Making a total of $144,026 03. In the floating debt are included arrears of taxes for the year 1862, amounting to $5,000; and these are chargeable with twelve per cent. interest.

The estimated expenses for 1863–4 are as follows: Charges on the real estate, (including the taxes for 1862 and interest, those for 1863, and the estimated expense of grading and paving 11th avenue and 21st street, grading vacant lots, etc.,) $18,800; cost of maintaining the Seminary, $6,200. Making a total of $25,000. To which must be added $6,500, if the Professors are to receive the full amount of their salaries, instead of the inadequate sum to which they were limited during the last two years.

To meet these expenses, the whole amount of the estimated income for 1863–4, including rents, donations, and contributions from Churches and individuals, is but $11,000. *Leaving an estimated deficiency of income for the ensuing year of* $14,000.

It will be observed that if the whole income from the real estate, donations, ect., as estimated, were applied solely to pay the charges on the property, there would still be a deficiency of $8,000, exclusive of the amounts of the Professors' salaries mentioned before. So far from being able to meet the expenses necessary to carry on the Institution, the Trustees will not have enough to preserve the property by paying the assessments, charges, and taxes thereon. They must look to the Church at large for means to pay the salaries of the Professors, the

stipends of the Scholars, and current expenses; and beyond this, they still must look to the Church for a considerable part of what is needed to meet the liabilities of the estate. It is not proposed to conceal these facts: on the contrary, we desire to place them as clearly as possible before you, because we are fully convinced that the present menacing position would never have been reached had not the country been plunged into the fearful convulsion in which it is now struggling; that the condition of things described before has come of "the present distress;" that they who now manage the affairs of the Seminary are not responsible for it; *and that it is a state which they were totally unable to prevent or modify*, and that there is no relief but out of the heart of the Church, is a fact full of promise, since we will believe that an appeal can be made to that heart in vain.

This property *must* become of immense value. We must not sacrifice it. We must hold it, if we can, for the sake of those who are to come after, and for the Church, and for the faith of the Lord Jesus Christ.

To rent our lots is at this time impossible. To sell, would involve a ruinous sacrifice. The Standing Committee were authorized, at the last meeting of the Board of Trustees, to sell or mortgage, if necessary, all the real estate. They will not sell, except as a last resort. They will not sell, unless the Church will turn a deaf ear to this appeal. The necessity can be averted by prompt action on the part of every one who has the interest of the Seminary at heart.

If we can hold on till it shall please God to give peace to our distracted country, all must be well; and that will have been saved, the loss of which would be all but irreparable.

We, therefore, ask your aid to the extent of your ability. There is needed, at once, the sum of $20,000. But it were better to raise $100,000. In Connecticut they have taken in hand to obtain that sum for Trinity College, Hartford, and are proceeding in the effort with success. They are doing the same thing in New Jersey, in behalf of the College at Princeton. If we can raise that amount for the General Theological Seminary, we shall have secured to the Church for ever an estate of which the benefit and blessing shall go down from generation to generation.

The men by whom the finances are now managed are persons in whom all confidence can be placed. To mention the name of the Treasurer, Mr. Henry E. Pierrepont, is enough to indicate in what way affairs will be conducted. All that men can do, will be done: and nothing will be wanting in which wisdom, prudence, zeal, and method can accomplish.

We, therefore, ask you to help us, and at once. You admit that to endow the Church, the College, the School, the Hospital, is a good and precious work. Why should it be less acceptable to Almighty God to help to preserve such gifts when in danger of loss?

We ask this *for Christ's sake*, that His name may be glorified the more.

We ask this *for the Church's sake*, that she may be saved from that shame which would follow if the Seminary were suffered to go down.

We ask this *for our Country's sake*. This is a General Institution, and not Diocesan. Its name and its existence symbolize and express a national idea. If it please God to restore to us unity, this Seminary may help to draw the fragments together, and to weld them close again.

We ask this *for the sake of perishing souls*. Infidelity spreads apace. One leading cause of this is, the defective training of the Clergy. The fact is admitted in England. The evil will increase, unless we meet it by promoting the highest culture among the Ministers of the Gospel. They who are to fight the awful battle of the hour, must be thoroughly trained and armed. In the name, then, of all that you hold dear and sacred, do not let this important Institution be broken up in the very face of the rising storm of unbelief.

The Seminary has been to the Church what West Point has been to the nation. She has sent forth more than six hundred of her sons, trained to combat with error and irreligion in every form, and to increase the knowledge of salvation in

every part of our land. They are now spread from Maine to California in each State and territory of our country

We call, then, upon *each Trustee* to exert himself to save this School of the Church from threatened ruin

We call upon *each Alumnus* to remember his Alma Mater, by whom he has been trained for his holy calling

We call upon *each friend of the Church* to do what he can to protect this important Institution.

Brethren, we speak earnestly, prayerfully, and in the name of God. Give heed. Do what you can. Do all that you can. The moment of the greatest danger is also that of the fairest opportunity Forget all else but the present peril, and lend a hand, as brothers, as Christians, and as men

By the Board of Trustees,

EDWARD N MEAD, *Secretary*

NEW YORK, August 1st, 1865

NOTE

At their last meeting, the Trustees adopted the following resolutions

Resolved, That in the present alarming condition of the funds of the Seminary, and the increasing demands upon it for the education and training of candidates for the Ministry, the duty of the Church to alleviate its embarrassments, and maintain its action unimpaired, is evident and imperative.

Resolved, That an appeal to the Churches be prepared, under the direction of the Standing Committee, stating its condition, and urging immediate collections for its relief.

Resolved, That the Trustees of the respective Dioceses, represented in this Board, be requested to act as sub-committees, for the purpose of increasing the subscriptions authorized by the Board for the pecuniary relief of the Seminary, and for that end to adopt such measures within their respective Dioceses for the interest of the Institution as in their wisdom they may deem best.

Whereas, A contribution of fifty dollars on the part of each Trustee and Alumnus would relieve the embarrassment resting upon the Seminary for the current year; it is, therefore,

Resolved, That each member of this Board, and each Alumnus, be earnestly requested to contribute, or provide for the contribution of, at least this amount and transmit the same to the Treasurer

The following are the names of those who, in answer to this request, have pledged themselves for the sum specified.

ADDRESS.

My Brethren of the Clergy and Laity:

The Convention of August, 1863, terminated in the afternoon of the 20th of that month.

From that date I was occupied for several weeks principally with matters connected with the printing of the Journal.

In conformity to the resolution of that Body I issued a Pastoral Letter, on the 13th September, invoking the aid of the Diocese to enable the drafted Clergy, held for service under the then recent act of Congress, to meet the disbursements to which they were thus subjected.

The statement of the Treasurer will evince that more than a sufficient sum was collected for the purpose.

The whole amount contributed was $1,456.96.

The whole amount paid on my order by the Treasurer was $1,090.

The balance left to be applied to the relief of the disabled Clergy was $366.96.

I place the Pastoral Letter issued in a note to this Address.*

---

*THE DRAFTED CLERGYMEN.

To the Clergy and Congregations of Western New York:

DEAR BRETHREN:—I appoint Sunday morning, the 27th of September, the last Sunday in this month, for the collection of funds to relieve the drafted Clergy and Candidates of this Diocese.

I learn that *ten* of the Clergy, being one-fourth of the whole number subject to this draft, and two of the Candidates for Holy Orders, being one-fifth of the whole number of our Candidates subject to this draft, have been drafted. Of these, four of the Clergy and one of the Candidates are exempt under the provisions of the law; leaving six Clergymen and one Candidate to be relieved by the contributions of the Diocese, in all seven persons. At the full demand of $300 for each, it will

require *twenty-one hundred dollars.* It is not meant, of course, that this money is to be paid to the Clergy for being drafted; but only such sum to those that are drafted and accepted into the service, as is necessary for their relief, and of course no exempted Clergyman or Candidate has a claim on this fund. No drafted Clergyman who has procured a substitute will be paid more than the substitute has cost him. No drafted Clergyman who has himself by arrangement with others provided for his relief will be paid more than it has actually cost him; the relief being provided for the Clergymen and not for others. Candidates for holy orders are included as being prospective Clergymen. If a parish have paid for the full relief of its drafted minister, such parish will not be expected to make this collection, and such Clergyman will not need nor expect a contribution from this fund.

The view to be taken of the subject I understand to be this. Under our Constitutional Government all citizens are bound to sustain and defend the Government when assailed from without or from within. Clergymen being citizens are bound by this obligation. The Government calls its citizens to its aid. It selects, by lot or draft, a portion of them to aid it in the army. The act provides that if drafted they may be exempt from service,

1. For causes specified by the act.

2. By procuring a substitute.

3. Or by paying three hundred dollars to the Government to provide a substitute. Thus no one is forced to go, himself, to the war against his conscience. The Government acts wisely, leniently, and liberally in thus seeking necessary aid from its citizens.

Now our brother Clergymen when drafted and accepted, may, by our aid, be exempted from the war, when conscience, duty, or necessity constrains them to decline taking up arms, and to repudiate blood-shed. Some of these brethren are in feeble parishes—some are Missionaries. Some are without a parish and seeking clerical employments. In their behalf I solicit your contributions. It is a large sum to raise at a single collection. But it is obviously within our means and our liberality. The Pulpit, the Desk, the Altar, Family, Parish and Diocese, all invoke you to give cheerfully, promptly and plentifully on this occasion, for God, our Church and our Country.

R. Company at Utica.

On the 14th, at Geneva, I received, in private, at the hands of the Rev. President Jackson, (Dr. Rankine and Dr. Bissell being absent from the village,) the Holy Sacrament of the Lord's Supper, together with my family, providentially assembled, by my sudden illness.

Since this date, I have abstained from active duty, under the advice of my physicians and friends, the Clergy and Laity of the Diocese cheerfully concurring in the suggestion, seeking to regain my health and power of action, to resume my duties, and abiding the will of Providence in this respect.

An application to the Bishops of New Jersey and Michigan for a brief visitation of some of our Parishes for the purpose of con-

firmation, and in some of consecration, has been most cordially received. Their visitation will be made in September and October. Notice of the appointments will be given in the GOSPEL MESSENGER as soon as arranged.

Eleven Clergymen have been transferred to other Dioceses.

Fifteen Clergymen have been received into this Diocese.

One Clergyman from Tennessee, one from Pennsylvania, and one from New York, are residing in the Diocese, but have not yet been transferred, and *two* have been called to other fields, but have not taken Letters Dimissory.

Three Clergymen have died, viz: Rev. Dennis Smith, Sept. 28, 1863, in Theresa; Rev. John J. Brandegee, April 6, 1864, in Utica; Rev. Samuel H. Norton, May 7, 1864, in Fredonia.

The whole number of Clergymen in the Diocese, including those not yet transferred to it, is: 1 Bishop, 146 Presbyters, 7 Deacons, with 19 Candidates for Holy Orders.

Nine are Chaplains in the Army or Navy of the United States.

Six are exclusively occupied in Colleges in the Diocese.

Six are on the list of Disabled Clergymen, aided by the Christmas Fund.

Five are prevented by age or illness from full clerical duty, but sustain themselves.

The residue, 127, are engaged, or seeking to be employed, in Parochial, Missionary, or other appropriate work.

The Permanent Missionary Fund remains the same as reported last year, $18,223.

It has paid to our Diocesan Missionaries $1,015 60.

The Van Waganen Missionary Fund for Chenango county amounts to $2,494 17. The interest, $163 17, has been added to the principal, as reported by the Trustee.

The Christmas Fund for Disabled Clergymen amounts, as invested, to $7,000, and uninvested, $2,920 15, in all, to $9,920 15. The last Christmas collection was $1,770 27. The amount paid to our six Disabled Clergymen was $1,200.

The Annual Report of De Veaux College, for destitute and orphan children, was duly laid before me. As I learn from it the property stood thus:

Principal in bond, mortgages, contracts, notes and stocks, yielding an income,.....	$162,011 80
Estimated value of real estate liable to sale,.....	22,500 00
Inalienable farm lands are at rent, 330 acres,.....	550 00
Amount of income received has been.....	12,053 21
Amount of expenditures,.....	12,052 83

Pupils had left for self-support was 13, and 11 admitted.

Present number was 23.

A report of the College to this date will be made to the Convention.

The Training School for Candidates continues in operation. The condition of its funds, securities and promises will appear in the report of the Board and Trustees.

The salary and house rent of the Rector have been punctually paid.

Two Candidates have been ordained.

Three are prosecuting their studies—one preparing to be a Candidate.

One has been transferred to the Diocese of Ontario, in Canada.

The collections and contributions at the Chapel have yielded $200 towards the income of the School; $143 25 to Diocesan Missions; and towards other Church objects, $232 46.

The principal of the fund has been increased by the amount of $1,200, as reported by the Treasurer.

Besides these contributions, there has been sent to the Bishop or Rector, donations to meet the boarding and other expenses of the students at Geneva, a portion of which has been applied, leaving a small balance on hand for board and books.*

For those objects funds continue to be needed; and books and money sent to the Bishop or the Rector for the purpose, will be usefully applied.

Formal applications to increase the capital, in these days of augmented taxes, and enlarged benevolence to the persons and families of soldiers, to freedmen, and to sufferers, have not been urged.

The Parochial Statistics of the Chapel will be presented, as usual, in the report of the Rector.

*DONATIONS.

April	30.	From Ellicottville,	$20.00
July	30.	" Ithaca,	66.50
"	17.	" Guilford,	1.85
			$88.35

The contributions of the Diocese during the past year to the recognized objects of the Church, exclusive of Parochial objects, and the Permanent Missionary Fund, may be stated as follows:

For the Christmas Fund for Disabled Clergymen, collections and donations,	$ 1,770 27
Monthly collections and donations,	14,488 43
Sent directly to objects, without passing through the Diocesan Treasury,	3,000 00
General Theological Seminary,	4.440 00
Amount raised for drafted Clergy was, as paid, $1,090; surplus voted to Christmas Fund, $366 96; in all,	1,456 96
Training School, for Principal,	1,200 00
For board and books,	88 35
A. Ayrault's and other bequests,	2,240 11
	$28,684 12

Of the seven congregations named last year, as capable from former exhibitions of liberality, of the suggested amount of contribution of $250, (two stipends,) each to our Diocesan Missions, it appears from the Treasurer's report to me, that five have exceeded that amount, as

St. Paul's, Buffalo,	$292 88
Trinity, Buffalo,	306 70
St. Luke's, Rochester,	40 00
Trinity, Geneva,	293 45
St. Paul's, Syracuse,	311 83
Grace, Utica,	139 43
St. Paul's, Oxford,	260 55

Of those estimated as capable of contributing each $125, (one stipend,) it appears from the Treasurer's statement that two, Zion Church, Pierrepont Manor, and St. Peter's Chapel, Geneva, have reached the amount; one, Grace Church, Rochester, has reached it within a few dollars, and all but two have exceeded the contribution of a half stipend, or nearly so, viz:

St. John's Church, Buffalo,	$ 60 00
Zion Church, Pierrepont Manor,	125 17
St. James' Church, Batavia,	93 39
Grace Church, Rochester,	120 78
St. Paul's Church, Waterloo,	101 10

Trinity Church, Utica,	83 74
St. Peter's Chapel, Geneva,	145 47
St. John's Church, Canandaigua,	46 31
St. Thomas' Church, Bath,	78 40
Christ Church, Oswego,	94 99
St. James' Church, Skaneateles,	62 51
Christ Church, Binghamton,	75 15
Christ Church, Rochester,	75 17
Grace Church, Lockport,	40 20
Zion Church, Greene,	83 18

A strenuous appeal on the part of the Clergy, and enlarged consideration of duty in the Laity, will soon bring them all to the estimated amount of contribution to this important object, which, in this Diocese of feeble flocks, and these days of increased demand upon our charities for Missions and benevolence, should never be forgotten.

From the Report of the Treasurer of the Convention, it appears that the Diocese, in answer to the appeal in behalf of the drafted Clergy, raised to meet the amount for their relief the sum of $1,456 96, which was so applied as needed, leaving a balance of $366 96, which has been paid to the Treasurer of the Christmas Fund. Another draft, to which the Clergy are supposed to be subjected, is impending. One half of the Clergy of the Diocese come within the draft. I have addressed a letter to Provost Marshal General Fry* to ascertain whether the Clergy, under the law, are subject to draft—if there is no exemption or commutation provisions—and whether, if any are drafted, they will be assigned to the charge of Hospitals, the duties of a Chaplain, or to any

---

*GENEVA, August 9, 1864.

PROVOST MARSHAL GENERAL FRY—MY DEAR SIR:—I am applied to as Bishop of the Diocese of Western New York, by the Clergymen of the Protestant Episcopal Church in the same. to know if they are, under the recent law of Congress, liable to be enrolled or drafted. or if they are exempted under the law; and if they are drafted. whether they will be assigned to the charge of Hospitals. or to the duties of Chaplains. or to any appropriate duties which will exempt them from bearing arms? The Annual Meeting of the Convention of the Diocese will be held on the 17th inst., and I beg the favor of a reply to enable me to give them an authorized statement on this subject. No copy of the law is accessible in this place. May I also ask the favor to know to whom I must apply for a copy of the law, or, if in your power, it may be sent to me.

Respectfully your friend and servant,

WILLIAM H. DELANCEY.

appropriate duties, which will exempt them from bearing arms. This afternoon, as I came into the Convention, I received the following answer.* I suggest a reference of the whole subject to a Committee of the Clergy and Laity.

I still cherish the conviction, and offer my earnest prayer, that peace, harmony and union may be restored to our distracted country, and that, upheld and guided by the Divine Power and blessing, this Republic may ever be preserved.

I suggest to the Convention the importance of some provision for the relief of the widows and children of deceased Clergymen, if in want, and an understanding of what are the existing provisions on this subject to which, in this Diocese, access may be had. In this Diocese, as part of the State of New York, the Clergy may subscribe to the incorporation which exists for the whole State, including both Dioceses, and it will be wise for the Convention to refer to a Committee this whole subject for a report, and for such action and mode of relief as may be necessary, and which almost every Clergyman can practically appreciate.

I have thus presented to the Convention the customary record of my official acts and proceedings, and of the position of the Diocese.

It does not cover as wide a field of labor as I have been accustomed to present annually for the last quarter of a century.

*War Department, Provost Marshal General's Office,
Washington, D. C., August 15.

Rev. William H. DeLancey, Geneva, N. Y.,—Sir:—In reply to your communication of the 9th inst., I am directed by the Provost Marshal General to inform you that section 17, of the Amendatory Enrollment Act, approved Feb. 24th, 1864, says:

"That members of religious denominations who shall, by oath or affirmation, declare that they are conscientiously opposed to the bearing of arms, and who are prohibited from doing so by the rules and articles of faith and practice of said religious denominations, shall, when drafted into the military service, be considered non-combatants, and shall be assigned by the Secretary of War to duty in the Hospitals, or to the care of freedmen, or shall pay the sum of three hundred dollars to such person as the Secretary of War shall designate to receive it, to be applied to the benefit of the sick and wounded soldiers. *Provided*, That no person shall be entitled to the benefit of the provisions of this section, unless his declaration of conscientious scruples against bearing arms shall be supported by satisfactory evidence that his deportment has been uniformly consistent with such declaration."

I am, Sir, very respectfully, your obedient servant,

CHARLES H. H. BROWN,
1st Lieut. 57th N. Y. V. and A. A. A. G.

Since the Convention of 1863, I have officiated in but forty congregations, and held both stated and special confirmations, confirming in all three hundred and sixty-six persons, making addresses to the Candidates in most cases of public confirmation.

I have preached in the Diocese 36 times, and read prayers on a few occasions.

I have married one couple.

I have admitted 9 new Candidates for Holy Orders.

I have ordained 5 Deacons and 5 Priests.

I have consecrated 4 new Churches.

I have given my canonical consent to the organization of a new congregation at Elmira.

I have administered the Holy Communion 8 times.

I have traveled not over 1,500 miles in the discharge of my sundry duties.

After the examination and opinion of my physicians, my own experience and observation, and the uncertain operation of the hazardous disease which is said to affect me, I deem it my duty, on reflection and prayer, after the frequent and long established practice of the Church in this country, to ask the aid of an Assistant in my office, to be appointed at this Convention, that thus, I trust, the career of prosperity with which our Divine Lord has heretofore blessed the Diocese may not be interrupted.'

For immediate pressure of duty, I have been enabled, by the prompt and kind offer of assistance by my Rt. Reverend brethren, to provide. But for permanent relief, after a faithful trial of my own strength, I yield to Providence and throw myself as a disabled brother upon the Convention for the required aid.

I commend you all to the Divine Grace and guidance in the deliberations and action to which you are now summoned by the overruling Providence of our Lord and Saviour Jesus Christ; and I earnestly pray that He may enable you to weigh your obligations and bring you to such a result as shall most conduce to His glory, the welfare of His Church, the growth of the Diocese, and the salvation of men, and that by His Holy Spirit we may

all, and ever, labor, give and pray, "*pro Deo, pro Ecclesia et pro hominum Salute.*"

FLETCHER WILLIAMS, *Treasurer.*

NEWARK, August 1, 1864.

The resolution accompanying the report of the Committee was adopted unanimously.

Mr. George H. Mumford, in behalf of the Standing Committee on the Report of the Trustees of the Fund for the Support of the Episcopate, made the following

REPORT:

To the Convention of the Diocese of Western New York:

This Committee has carefully examined the Report of the Trustees of the Episcopate Fund, with the schedules accompanying the same.

The capital of this Fund now amounts to $50,137 83, having been increased during the past year between five and six hundred dollars. Of this sum, $40,915 is loaned upon Bond and Mortgage: $3,625 is invested in Railroad Bonds and other securities; and the balance of $5,597 83 remains in cash in the hands of the Trustees, uninvested.

The income of the Fund for the present year amounts to $3,460 29, which has been duly paid over to the Diocesan.

All of which is respectfully submitted,

G. H. MUMFORD,
WASHINGTON HUNT,
W. B. DOUGLAS,
Committee.

UTICA, August 18, 1864.

To the President of the Convention of the Diocese of Western New York:

The Trustees for the care and management of the Fund for the Support of the Episcopate of the Diocese of Western New York, respectfully report: That during the last year they have received from payments on account of principal of the

Fund, Mortgages satisfied,	$5,200 00
Contributions to increase the Fund,	588 85
Payments on notes,	85 00
Cash on hand as per last report,	4,823 98
	$10,697 83

(*See schedule B, hereto attached.)

The sum of $5,100 has been invested in Bond and Mortgage during the year, leaving cash on hand, as per Schedule C.

The statement A, appended to this Report, is an account of the receipts and disbursements of the income of the Fund during the year, amounting to $3,460 29, which has been paid to the Diocesan, as appears by his receipt hereto attached.

The Principal of the Fund consists of the following items:

Bonds and Mortgages,	$40,915 00
Railroad Bonds,	2,300 00
Pledges of Vestries,	1,000 00
Notes unpaid to increase Fund,	325 00
Cash not invested,	5,597 83
	$50,137 83

(As appears in detail in Schedule D.)

Respectfully submitted,

THOS. HOPPER,
E. A. GRAHAM,
GEO. R. PERKINS.

August 17, 1864.

To the Convention of the Diocese of Western New York:

The undersigned, appointed by the Bishop, a Committee to examine the funds for the Support of the Episcopate, respectfully reports:

That he has made an examination of the securities in the hands of the Treasurer, and finds that there is invested:

On Bond and Mortgage, at 7 per cent.,	$40,915 00
In bonds, notes, pledges and other personal security considered good,	3,300 00
Cash on hand waiting investment,	5,597 83
	$49,812 83

There are among the items of personal security some $350 of doubtful value, not included in the above sum of $49,812 83.

The affairs of the Fund appear to be well managed, the accounts carefully kept, and good success is attained in making investments. The entire amount of interest on the mortgages has been paid except $70, which the Treasurer expects will be paid before the meeting of the Convention. Great praise is due to the Treasurer, Thos. Hopper, for his careful attention and good management of the Fund. The investments are believed to be entirely safe.

WARD HUNT.

Rev. Ferdinand Rogers, in behalf of the Standing Committee on Unfinished Business, presented the following

REPORT:

The Standing Committee on Unfinished Business would respectfully report that by a reference to page 71 of the last Journal, the Committee on the Manuscript Sermons of Deceased Clergymen of the Diocese was continued to this year.

The Rev. Mr. Neely, who was one of this Committee, being about to remove from the Diocese, there is a vacancy to be filled.

It will be noticed that on page 83 of the last Journal a motion was made by Mr. Joseph Benedict to amend the Constitution of the Diocese by striking out in the second line of Article 1st, the word "August," and inserting instead thereof the word June. The consideration of this proposed alteration comes before us for discussion at this Convention.

Respectfully submitted,

FERDINAND ROGERS,
SIDNEY WARNER,
WM. R. OSBORN.

Mr. Ward Hunt, in behalf of the Committee appointed to take into consideration so much of the Bishop's Address as refers to the subject of Clergy of the Diocese liable to be drafted into the military service of the United States, made the following

REPORT:

The Committee to which was referred that portion of the Bishop's Address on the subject of the exemption or relief of the Clergy who may be drafted under the enrollment act of 1864, respectfully report:

That by section tenth of the said act such persons as are physically or mentally unfit for the service, all persons actually in the service at the time of the draft, all persons who have served for two years and been honorably discharged, and none others, are exempt from enrollment and draft. The Clergy stand under this section in the same position as members of other pursuits and professions.

By section seventeenth, members of religious denominations who shall, by oath or affirmation, declare that they are conscientiously opposed to the bearing of arms, and who are prohibited from doing so by the rules and articles of faith and practice of said religious denominations, shall, when drafted, be considered non-combatants, and be assigned to duty in the hospitals or the care of freedmen, or shall pay $300 for the benefit of sick and wounded soldiers.

The Protestant Episcopal Church has long held her Clergy to be separate and set apart for the performance of sacred and holy duties, and that the actual bearing of arms in military service is incompatible with their office and duties. While the Committee cannot claim that such of the Clergy as may be drafted are entitled to a legal exemption, or to an absolute right, under the section seventeen above referred to, they think such cases should be favorably considered as within its spirit. They recommend the adoption of the following resolutions:

Resolved, That in the judgment of this Convention, the Clergy of this Church are bound, in conscience and by their ordination vows, to abstain from engaging as armed combatants in the military service.*

---

*This resolution was subsequently offered by the Rev. Dr. Metcalf, and accepted by the Committee as part of their report.

Resolved, That when any of the Clergy of this Diocese shall be drafted under the law of 1864, the President of the United States is respectfully requested not to insist upon their entering into the military service as actual bearers of arms, but that such Clergy may be assigned to special duties as Chaplains, or to do duty in hospitals or in the care of freedmen, or in such clerkships or other special duties as may be required by the public interests.

The hour having arrived for the Order of the Day, (see Rules of Order, §XVII,) the House proceeded to the election of the Standing Committee of the Diocese, and the Deputies of the General Convention, by one ballot, as directed by Section 2 of Canon XII, the Rev. Dr. Gibson and Mr. G. C. McWhorter, being appointed by the Rt. Rev. the President, to receive, as tellers, the votes of the Clergy, and the Rev. T. Babcock, D. D., and Mr. D. S. Hall, to receive the votes of the Laity.

The House then, on motion, took a recess until 3 o'clock.

THURSDAY AFTERNOON, 3 o'clock.

The Tellers being called upon for their report, on counting the ballots, after the votings, it appeared that the following persons had received a majority of all the votes given, and were, therefore, declared duly elected:

STANDING COMMITTEE.

Rev. Wm. H. A. Bissell, D. D.,	Mr. David S. Hall,
" Kendrick Metcalf, D. D.,	" William C. Pierrepont,
" Israel Foote, D. D.,	" Thomas D. Burrall,
" James Rankine, D. D.,	" William B. Douglas.

DEPUTIES TO THE GENERAL CONVENTION.

Rev. William Shelton, D. D.,	Mr. Horatio Seymour,
" Anthony Schuyler, D. D.,	" Washington Hunt,
" Theodore Babcock, D. D.,	" George C. McWhorter,
" George M. Hills,	" T. A. Johnson.

The Chair having presented an invitation from the Superintendent of the N. Y. State Lunatic Asylum, to the members of this Convention to visit that Institution, the invitation was, on motion, accepted.

The Rules of Order were then, on motion, suspended, to enable the Special Committee on the subject of an Assistant Bishop to make their report. The Rev. Dr. Shelton, on behalf of that Committee, then offered the following

REPORT:

Your Committee, appointed to take into consideration and report upon the subject contained in the Address of the Bishop of the Diocese in reference to the appointment of an Assistant Bishop, beg leave to state: That after expressing their very great grief at the necessity which has compelled the request made by our loved, honored, and venerated Diocesan, in his Address to this Convention, the substance of which request is, "that after the examinations and opinion of his physicians, and his own experience and observation of the uncertain operation of the hazardous disease which is said to affect him, he deems it his duty, on reflection and prayer, in conformity with the frequent and long-established practice of the Church in this country, to ask the aid of an Assistant in his office, to be appointed by this Convention, in order that thus (as he trusts) the career of prosperity with which our Divine Lord has heretofore blessed this Diocese, may not be interrupted:" and after a full comparison of ideas and a hearty discussion of all the subjects connected with the request contained in the Address, they have arrived at the following conclusions:

First—That it is expedient to elect an Assistant Bishop; Next—That it is expedient to proceed to said election at this Convention; and that the salary of the Assistant Bishop be not less than $3,500. Next—That the most simple and efficient mode of raising the salary for the Bishop to be elected, will be by quarterly collections in every Parish throughout the Diocese; and that in the event of the quarterly collections being insufficient to meet this obligation of the Convention, the Trustees of the Fund for the Support of the Episcopate be requested to communicate the fact of the deficiency, and to solicit an increased contribution.

The reasons for recommending an Assistant are contained in the Bishop's request. No other would be for a moment entertained by any member of your Committee. It was felt that the request of their beloved Bishop should be complied with, and that upon this subject, under the present state of his health, his wish should be their law.

With respect to the time of election, namely, at this Convention, your Committee believe that, in consideration of the lamented infirmities of body, which prevent both full mental and bodily exertion, and which demand immediate and complete repose, there should be no delay in rendering the requisite relief. The assistance which he has been offered with so much cordiality and kindness, from the Bishops of other Dioceses, is wholly inadequate, and cannot supply the services of an Assistant. It was deemed that the pressure of his daily cares is such as to threaten the most serious results. It was also apprehended that a longer delay—that is, a deferring of the day of election to any future period—would not promote the unity or harmony of the Diocese, or secure a more judicious choice, but on the contrary, might lead to disagreements, and that with all the expedition we can use, there will be a necessary delay of several months before the Bishop elect can enter upon the duties of his office.

With respect to the support of an Assistant Bishop, it was deemed essential that the Fund of the Diocese for the support of the Bishopric, should ever be held sacred to the purposes for which it was raised, and for which it has been hitherto used; and that there was no better method to be resorted to than the one of making a quarterly collection in each Parish of the Diocese for securing the sum designated.

The Committee beg leave to submit the subjoined resolutions:

Whereas, the Bishop is unable, by reason of bodily infirmity, to discharge the duties of his office,

Resolved, That this Convention do proceed to an election of an Assistant Bishop of this Diocese.

Resolved, That the annual salary of the Assistant Bishop be and the same is hereby fixed at $3,500; and that this sum be raised by quarterly collections in the several Parishes of the Diocese.

W. C. PIERREPONT,
W. B. DOUGLAS,
C. B. COVENTRY,
G. H. MUMFORD,
JAMES W. CLARKE,
THOS. C. MONTGOMERY.

The first of the above resolutions was, on motion, unanimously adopted.

Mr. H. W. Rogers moved to amend the second resolution by striking out all after the word "Dollars," and substituting therefor the following, viz., "and that a sum sufficient to insure such amount be raised by a quarterly assessment upon the several Parishes in the Diocese, to be made by the Standing Committee thereof in its discretion, and that any surplus that may annually remain, go to the General Fund for the Support of the Episcopate."

The amendment was adopted.

The Convention then, on motion took a recess until 8 o'clock.

THURSDAY EVENING, 8 o'clock.

The Convention reassembled. The Bishop having called the Rev. Dr. Jackson to the Chair,

The amendment offered by Mr. Rogers was reconsidered, and on motion, rejected.

The second resolution appended to the report of the Committee of Fourteen being then in order, motions to amend by substituting $5,000, $4,500, and $4,000, were severally made and lost.

The resolution as reported by the Committee was then, on motion, adopted.

A motion to suspend the rules in order to proceed to the election of an Assistant Bishop, was lost.

On motion, the election of an Assistant Bishop was made the order of the day for Friday, immediately after Morning Prayer.

The report of the Committee on so much of the Bishop's Address as refers to the subject of Clergy liable to draft, coming up for consideration, the resolutions appended to the same were, on motion adopted.

On motion of Mr. Washington Hunt,

Resolved, That in case the President shall decline to make the proposed discrimination, and any of the Clergy of this Diocese shall be drafted into the ranks of the Army, the Parish with which any such drafted Minister is officially connected, or in which he may reside, is hereby requested to procure a substitute on the best practicable terms, and that the expenditure thus incurred be refunded by a special collection, to be made in all the Parishes, and that the Bishop be requested to address the Diocese by Pastoral Letter in such manner as may seem to him necessary to give full effect to this resolution.

Mr. J. W. Clarke, in behalf of the Standing Committee on the Report of the Trustees of the Christmas Fund for Disabled Clergy, made the following

REPORT:

Seven thousand dollars ($7,000) is loaned on bond and mortgage, and the balance in the hands of the Treasurer.

Respectfully submitted,

JAMES W. CLARKE,

UTICA, August 18, 1864.

To the Rt. Rev. W. H. DeLancey, President of the Convention of W. N. Y.:

The Trustees of "The Christmas Fund for Disabled Clergymen," submit this as the report required of them by the Canon on that subject. During the past year the receipts have been: From contributions, $1,770 27; from the Treasurer of the Diocese, excess of moneys realized to pay commutations for drafted Clergymen, $366 96; for interest money, $667 70.

Six disabled Clergymen have been relieved by this Fund during the year.

The amount of the Fund now invested in bond and mortgage is $7,000. There has recently been paid in $2,500 of the principal, which is on hand, awaiting an opportunity for investment.

The Trustees are gratified to state that the contributions, with a few exceptions, have been forwarded to the Treasurer, with reasonable promptness from one hundred and two Parishes, all, save one, of which have been acknowledged in the GOSPEL MESSENGER, under dates of January 25th and April 28th. The remaining Parishes have not contributed.

The account of the Treasurer is herewith submitted.

PALMYRA, August, 1864.

Rt. Rev. W. H. DeLancey:

DEAR SIR:—Pursuant to your request, I have examined the account and vouchers of the Christmas Fund, as exhibited by the Treasurer, together with the securities held by him for the investment of said Fund. I find the account to be correct, with proper vouchers for the payments charged.

The Fund consists of the securities and cash, as specified at the foot of the Treasurer's account, amounting in the aggregate to $9,920 15.

I am very respectfully, &c., your obedient servant,

MARTIN BUTTERFIELD.

The Rev. Dr. Gibson, on behalf of the Committee on so much of the Bishop's Address as relates to the making provision for the families of deceased Clergymen, offered the following

REPORT:

The Committee to whom was referred that part of the Bishop's Address which relates to the relief of the families of deceased Clergymen, report: That they have been charged with the consideration of a deeply important subject—too important to be justly treated without more time for conference and deliberation than the session of this Convention will allow. They have examined the Charter and By-Laws of the Corporation for the Relief of Widows and Orphans of the Clergy for the State of New York, and find that the privileges of membership therein are open to the Clergy of this Diocese; that said Corporation, however, is not a charity such as is desired in this Diocese, but is characterized by the features of a Mutual Insurance Company—the relief afforded being only to families of its own members, and proportioned to the amount of money previously paid in by them. Our conclusion is that while that Corporation has privileges and advantages which it might be well for individual Clergy to secure, it is not available as an agency or a vehicle for calling out the liberality of the Diocese towards the object desired; nor can it be made at all available in the case of the families of Clergymen deceased without having become members thereof. The Committee would for the present leave the case of such families in this Diocese to the discretion of the Bishop, in addressing a Pastoral Letter to the Clergy and congregations for a collection on some day during the year to be named by him, and would ask to be continued for a further consideration and report upon the subject till the next Convention.

WM. T. GIBSON,
A. SCHUYLER,
T. BABCOCK,
GEO. C. McWHORTER.
THOS. FATZINGER.

On motion, the vote by ballot was dispensed with, and Mr. G. W. Cuyler was elected Trustee and Treasurer of the Christmas Fund for Disabled Clergymen.

On motion, the vote by ballot was dispensed with, and Mr. Fletcher Williams was unanimously elected Treasurer of the Convention.

The Rev. Dr. Metcalf proposed the following amendment to the Constitution:

Insert after the words "duly incorporated," in the last clause of the article, the words "or in the Diocesan Training School," so that the clause shall read, "and Clergymen engaged as Professors and Instructors of youth in any College, Academy, or other Seminary of learning duly incorporated, or in the Diocesan Training School, may be members of the Convention."

The proposition was, on motion, approved, to lie over to the next Convention.

The Convention then, on motion, adjourned to 9 o'clock Friday morning.

FRIDAY MORNING, 9 o'clock.

The Convention met. Morning Prayer was read by the Rev. A. Schuyler, D. D., assisted by the Rev. W. T. Gibson, D. D., who read the First Lesson; the Rev. W. R. Harris, who read the Second Lesson, and the Rev. M. Van Rensselaer, D. D., who read the Creed, Collects and Litany.

The Convention having been called to order by the Rt. Rev. the President, the minutes were read and approved.

The hour having arrived for the order of the day, viz: the election of an Assistant Bishop, the Secretary read § V. of Canon 13, Title I, of the General Convention, as follows:

"When a Bishop of a Diocese is unable, by reason of old age, or other permanent cause of infirmity, to discharge his Episcopal duties, one Assistant Bishop may be elected by and for the said Diocese, who shall, in all cases, succeed the Bishop in case of surviving him. The Assistant Bishop shall perform such Episcopal duties, and exercise such Episcopal authority in the Diocese as the Bishop shall assign to him; and, in case of the Bishop's inability to assign such duties, declared by the Convention of the Diocese, the Assistant Bishop shall, during such inability, perform all the duties, and exercise all the authorities which appertain to the office of a Bishop. No person shall be elected or consecrated a Suffragan Bishop, nor shall there be more than one Assistant Bishop in a Diocese at the same time."

After a brief address by the Bishop, the Convention engaged in silent prayer. Appropriate Collects were then read by the Bishop.

The Secretary then appointed as additional Assistant the Rev. Alfred B. Goodrich.

The Chair appointed the Rev. Dr. Shelton, the Rev. Dr. Bissell, and Mr. Wm. C. Pierrepont, as tellers to receive the votes of the Clergy, and Messrs. J. H. Martindale, C. B. Coventry and Rev. K. Metcalf, D. D., to receive the votes of the Laity.

The Clergy and Parishes having balloted separately as required by Article IX. of the Constitution, the Tellers retired to count the votes.

During the absence of the tellers, was read, on behalf of the Education and Missionary Board, the following

REPORT:

The Board reports the number of Missionaries at present laboring in the Diocese to be 52. Of these 45 have served the Diocese for the whole year, and 17 for a longer or shorter period. The present number is 52. Of the Missionaries, 6 have gone to Western Dioceses—to Michigan, the Northwest, 1 to New York, 1 to Canada, 1 is dead, and the others are seeking positions in the Diocese.

The Permanent Missionary Fund now amounts, as reported last year, to $18,223, and has yielded $1.155 80 to the support of the Missionaries.

The stipends to the Missionaries have been, with difficulty, but punctually paid.

The Missionary appointments run only for each quarter, relying upon the monthly collections and the contributions of the benevolent, and the promptings of Divine Grace, to secure the payment. With thankful hearts for the past benevolence received, we renew our appeal to the Clergy and congregations for enlarged collections, and especially on the quarter days of September, December, March and June. The Missionary Parishes collected in 1863 for Diocesan Missions $982 94 less than contributed, as reported last year, which was about $1,500.

Enlarged contributions for our Diocesan Missions are greatly needed to continue, and especially to expand our Missions in the Diocese. The Board earnestly commend the subject to the Clergy and Parishes.

The Treasurer of the Van Waganen Missionary Fund for Chenango County reports the Fund as yielding $163 17, which has been added, as suggested, to the principal, which now amounts to the sum of $2,494 17.

All which is respectfully submitted by order of the Board,

W. H. DE LANCEY, *Chairman.*

Rt. Rev. W. H. DeLancey, D. D., President of the Convention:

DEAR SIR:—In pursuance with your appointment, I have examined the accounts of the Trustee of the Permanent Missionary Fund, and the securities held by him, and find the accompanying statements correct.

GENEVA, August 1, 1864. W. B. DOUGLAS.

To the Rt. Rev. Wm. H. DeLancey, Chairman of the Education and Missionary Board of the Diocese of Western New York:

The undersigned, Trustee of the Van Waganen Missionary Fund for the County of Chenango, would respectfully report: That the amount of capital of said Fund at the date of my last annual report was, $2,331 00
Interest on the same, 163 17

Present amount of said Fund is, $2,494 17

All of which is respectfully submitted,

GREENE, August 1, 1864. JOSEPH JULIAND, *Trustee.*

On behalf of the Trustees of the Parochial Fund, was read the following

REPORT:

The Trustees of the Parochial Fund of the Diocese of Western New York respectfully report: That no funds or lands have been placed at their disposal, and that no applications for aid have been made to them.

The several objects of this Fund may be stated as follows: 1. Clerical support. 2. Parsonage aid. 3. Parochial Schools. 4. Theological Schools in the Diocese. 5. Missions in the Diocese. For any of these objects, the Trustees are empowered to receive and manage funds and lands.

By the terms of the trust the Convention is required to elect at this session two Trustees in the place of A. L. Chew and A. P. Nichols, whose term of office expires, and who are re-eligible. They submit an appropriate resolution.

Resolved, That the Convention will proceed to fill the vacancies in the Board by ballot, as required by the charter.

The Board also beg leave to submit to the Convention, for their consideration the expediency of transferring to the Trustees of the Parochial Fund of the Diocese the several Funds held by individuals in trust for the Diocese, viz: "The Permanent Missionary Fund," "The Christmas Fund for Disabled Clergymen," and "The Fund of the Diocesan Training School," and submit for the adoption of the Convention the following resolutions:

Resolved, That the several Trustees and Treasurers of "The Permanent Mission Fund," "The Fund for Disabled Clergymen," and "The Fund of the Diocesan Training School," be and are hereby directed to transfer, as soon as practicable, the Funds and Securities held by them, to the Trustees of the Parochial Fund of the Diocese of Western New York, for the purposes contemplated in the creation of these several trusts, so that the *title* to all the securities may be in this corporation.

Resolved, That in order to divide the labor of the management of the Funds, that the Trustees of the Parochial Fund be and are hereby requested to employ E. H. Hurd, Trustee of the Permanent Missionary Fund, A. L. Chew, Treasurer of the Diocesan Training School, and George W. Cuyler, Treasurer of the Christmas Fund, to keep the accounts of their several Funds as heretofore, and such other persons as shall hereafter be appointed by the Convention to discharge these duties.

All of which is respectfully submitted,

July 30, 1864. WILLIAM H. DE LANCEY, *Chairman.*

The resolutions appended to the above report were, on motion, adopted.

The Convention then proceeded to vote by ballot, and Messrs. A. L. Chew and A. P. Nichols were duly elected Trustees of the Parochial Fund.

The reading of the following Reports was, on motion, dispensed with, and they were ordered to be printed in the Journal:

The Board of Education, consisting of the Bishop and Standing Committee, having charge of the Training School, respectfully report: That the Rector, the Rev. James Rankine, D. D., continues, as heretofore, in charge of the same, combining with it the pastoral care of the Chapel and congregation. During the past

conventional year two Candidates have been ordained to the Diaconate, and four are now prosecuting their studies under the guidance and instruction of the Rector.

The report of the Lay Trustees evinces the sufficiency of the fund to meet the demands on it.

The capital has been increased $1,200, by $1,000 cash from W. C. Pierrepont, $100 from F. Tobey, and $100 from F. Williams, on account. Two hundred dollars have been received from St. Peter's Chapel for income to pay house rent, being the amount above its expenses, and its contributions to Church objects in the Diocese and beyond it, which were $364 18.

Sundry sums, in all $88.35, have been sent to the Bishop and the Rector to meet the expenses of students for board and books. But no formal applications have been made for the increase of the capital, which, doubtless, ought to be enlarged. At present the funds consist of

Bonds and mortgages,	$6,300 00
Railroad bonds,	4,200 00
United States 7-30 Treasury,	2,100 00
Notes of individuals,	375 00
United States 5-20 bonds,	1,300 00
Cash on hand,	266 50
Written promises to pay interest,	2,300 00
Verbal promises of principal,	1,050 00
Verbal promises of interest,	2,340 00
Chapel and lots, (estimated paying $200, which is 7½ per cent. on same,)	2,800 00
	$23,031 50
Of these verbal promises of interest $1,140 have ceased to be available,	1,140 00
Leaving a balance of	$21,891 50

The Chapel services by the Rector are reported by him. He reports 92 families, 130 communicants; confirmed, 36; burials, 16; baptisms, 30 adults, 32 children, in all, 62; Sunday Scholars, 80; teachers, 14.

The monthly collections and contributions in the Chapel have yielded for objects within the Diocese, $293; for objects without, $76 76.

By order of the Board,

GENEVA, July 29, 1864. W. H. DE LANCEY, *Chairman.*

To the Convention of the Protestant Episcopal Church of the Diocese of W. N. Y.:

The undersigned, Trustees for the management of the funds belonging to the Training School, respectfully report: That at this time we hold in trust the following securities:

Bonds and mortgages on farming lands, affording, in our judgment, ample security for the sums loaned,	$6,300 00
Railroad bonds, at par value, which is about $600 less than their market value,	4,200 00

A. L. CHEW, *Treasurer.*

Rt. Rev. W. H. De Lancey:

DEAR SIR:—I have examined the securities held by the Treasurer of the Training School Fund, as requested by you, and find them to correspond with the Treasurer's statement above.

Very respectfully,

GENEVA, July 20, 1864. S. H. VER PLANCK.

To the Convention of the Protestant Episcopal Church of the Diocese of W. N. Y.:

The Trustees of the De Veaux College for Orphan and Destitute Children, in pursuance of the terms of their Act of Incorporation, respectfully submit their Annual Report.

The amount of capital, as stated in their last Annual Report, was		$160,644 02
The amount was diminished by the forfeiture during the year of three land contracts for non-payment of interest, amounting to	957 85	
Leaving		$159,686 67
To this amount is added the proceeds of the sale of three village lots, of	1,000 00	
And also a balance of premiums received on the sale of the bonds of the New York Central Railroad Company, of	1,325 02	
Making the amount of principal, at the close of the fiscal year of 1863,		$162,011 69

During the year 1863 the stock and a portion of the bonds of the New York Central Railroad Company, held by the College, were sold and the principal invested in bonds and mortgages. On the sale a premium was realized, over and above the nominal amount of the stock and bonds, accrued interest and expenses, of $4,314 39.

A portion of the premiums thus realized was used in the erection of a brick barn, wood sheds, smoke house, ash house, hog house, cistern for the barn, barn yard fences, &c., amounting to $2,989 37, and leaving unexpended, and which was added to the principal as above stated, the sum of $1,325 02.

The Railroad Bonds thus converted produced but six per cent. interest, while the securities taken in their place are producing seven per cent. interest, thus increasing our revenue.

The real estate, exclusive of the domain, is estimated at $22,500.

The domain consists of 330 acres of land, a portion of which is cultivated by the College, and the residue has been rented. The lease has expired, and a farm house and out buildings must be erected in order to make the property available.

The income received during the year was	$12,053 21
And the expenditures were	12,052 83

Thirty-six boys were trained and instructed in the College during the year and wholly supported by it.

Thirteen boys were discharged from the College and eleven other boys were admitted.

The course of instruction presented in former reports is still pursued.

The Rev. William A. Matson of Lockport, and Stoughton Pettibone, Esq., of Niagara Falls, have been appointed Trustees of the College in the place of the Rev. Wm. O. Jarvis and Hon. Elias Ransom.

All of which is respectfully submitted,

ELIJAH FORD, *Secretary.* WILLIAM H. DE LANCEY, *President.*

The Rev. Dr. Shelton, on behalf of the Tellers to receive the Clerical votes, made the following

REPORT:

The Tellers for the Clergy beg leave to report: That they have counted all the votes cast, and find them to be 89, of which 45 is a majority. The Rev. Arthur Cleveland Coxe, D. D., has received 53 votes, making a majority over all others of 17 votes.

WILLIAM SHELTON, *Chairman.*

REPORT:

REPORT:

The Committee on the Admission of Churches would report: That they have examined the certificate of incorporation of St. Mark's Church, Clark's Mills, Oneida county, and find that the proceedings connected therewith appear to have been in accordance with the laws of the State and the Canons of this Church, and therefore recommend that the said St. Mark's Church be received into Union with the Protestant Episcopal Church in this Diocese, and append a resolution to that effect.

Resolved, That the Secretary be authorized to prepay the postage on those copies of the Journal directed by Canon to be transmitted by mail.

Resolved, That the thanks of this Convention be presented to the congregations of the several Churches, and the citizens of Utica, for the hospitality so generously extended to its members during the present session, and that the Rev. Clergy in charge of

said Churches, be requested to give publicity to this resolution in such a way as they may deem expedient.

The Clergy having been called upon for their Parochial Reports, as required by Canon XII. of the General Convention of 1853, the reading of the same was dispensed with.

The House then, on motion, resolved to adjourn after the usual exercises.

Whereupon, after the reading of the minutes, and an address from the Rt. Rev. the President, the Convention united in singing the Doxology, and in appropriate prayers from the Liturgy, by the Bishop, and after his blessing, adjourned *sine die*.

This report is necessarily very brief, the Parish having been vacant for about eighteen months, until the present Rector took charge, July 1st. The prospect for rapid growth and permanent settlement is very fair. The congregation is now larger than it has been for many years, and a general interest in the Church seems prevalent throughout the community. So far the people have well sustained their Minister in every effort, and he hopes, by God's blessing, to be instrumental in the doing much good.

We end the Diocesan year with a diminished debt, and with the means on hand of fencing our lot. The Church is also handsomely lighted, the Harmonium paid for, and we are indebted to some ladies of St. Peter's Church, Auburn, for a Communion Service and Baptismal Basin. On three Sundays in June, I held a third service at Moravia, that Parish being then vacant. An arrangement is likely to be made by which I can give the vacant Parish at Aurora a service every Sunday. At Springport there is a strong desire for the services of the Church, and it has been proposed to make missionary stations of that place and Cayuga. The two could give a moderate salary now, with the prospect of soon having a strong and important Parish in Springport.

During most of the winter this Parish was without any regular services. I was so situated that it was impossible for me to visit it with any regularity during the winter. I, however, gave them a few services in the months of February and March, and since the third Sunday in May I have given a service every other Sunday, after my services at Bainbridge. And during the fall of 1863 the Rev. Mr. Long, of Harpersville, officiated in the evening of every Sunday for two or three months.

The Parish was without the regular services of a Rector from the beginning of the Conventional year till the last Sunday in November. From that time till about the middle of May the present Rector officiated for the Parish on Sundays and principal Holy Days, while residing twelve or thirteen miles distant. It is, therefore, only since May that he has resided in and had full charge of the Parish. During the vacancy of the Parish, however, regular Lay services were maintained, and the Church was not closed for a single Sunday. These services are included

in the reported number. Still the absence of a Rector for a good portion of the year will account for the neglect of some of the collections which should have been made.

It ought also to be stated that about $700 of the money reported as raised for building a Rectory, were the accumulations of the Young Ladies' Society, made for the purpose.

In regard to Church Offerings I have to remark, that during the past year the efforts of the Parish have been directed toward the purchase of Church property to the amount of $5,000, which has been substantially accomplished. There is no indebtedness resting on the Church, and we are contemplating a new Church building. As a Parish, we have increased in numbers, interest and means, and have great cause for gratitude and renewed effort.

The present Rector took charge of this Parish in September last. In May last he accepted a Chaplaincy in the Army, having made temporary provision for the charge of the Parish, by which services have been regularly kept up. During this interval he has discharged his duties as Chaplain, preaching every Sunday, either to the soldiers in camp or at some of the Churches in Norfolk or Portsmouth, Va. Latterly much of his time has been occupied at the hospitals in the latter place, where are many sick and wounded, by whom his services have been gratefully acknowledged.

When I first took charge of this Parish the number regularly attending Divine Service was very small, but has so gradually and healthily increased that we have now a congregation, both morning and evening, far exceeding what we might have reasonably expected. There was no Sunday School in operation, but now we have one, as found in the tabular report. There was no Bible Class, but now we have one which meets every week, at private houses, and which is more than usually attended. Indeed, by the Divine blessing, the general prosperity of the Parish seems slowly but really advancing.

I hold services in this Parish once every Sunday, and for a portion of the year, twice. Services twice a day on all the Saints' and Holy Days, morning and evening; and it gives me pleasure to say that the attendance on those services is such as speaks well for the Parish; it being, on an average, as high as 18 or 20, which, for a Parish of its size, is good. And the same may be said in regard to the attendance at the Holy Communion. Last year the number of Communicants reported was 64. The average attendance on each Communion is, or has been, about 46. It has been as high as 59. It, indeed, often happens that much the largest portion of my congregation remains on Communion days, which is contrary to the general rule.

We are, as usual, in a good condition, financially; and I trust there is a growing attachment to the Church as the Body of Christ, and an increasing determination to live up to its requirements as such.

There are several of my parishioners, (adults—the children are all baptized,) who are not yet within the fold—not even sacramentally. For these I hope, and pray, and toil. I trust that the seed sown will yet take root downwards, in due time, and bear fruit upwards, to God's glory, in their salvation.

Our prospects for a Church edifice are brighter than they were. We are in hopes of building next summer. Certainly we shall if reverses do not befal us.

The condition of the Parish is good. I have not specified the number of families or individuals. In a Parish like this it is very difficult to do so with accuracy, and as we are required to be definite and specific in our statements, I prefer to be so by saying nothing about it.

The general attendance at service is about the same as heretofore—good. The attendance of the Communicants on Communion days is very good. The number of Communicants last year was 22; the average attendance on each occasion has been 15 and 16.

The Sunday School continues to be well attended. It is working zealously and earnestly "*for the Church*," and the members of it look forward to the time of its erection with emotions of pleasure and delight. I hope they will not be disappointed.

I hold services here once every Sunday, and now and then on weekdays, as on Good Friday, Christmas, and the like.

We have the weekly offering, or collection. The finances of the Parish are kept, more than ordinarily, on the square.

During the past year we were called upon to commit to the ground, earth to earth, ashes to ashes, dust to dust, the remains of the oldest member of the Parish, Mr. JOSEPH SAWYER, who, educated in early life a Congregationalist, at mid-age, and from conviction, became a member of the Church, and remained, to the end of his life, a firm and active member. With his dying breath, he bade his only surviving son and heir to pay to the Parish $600 for the erection of the Church, which, together with his previous subscription of $100, will materially aid us in our enterprise.

On Saturday, the 26th of September, 1863, the corner stone of an unpretending Mission Chapel, to be known as "The Chapel of the Good Shepherd," was laid by the Rector; the Assistant Minister of the Parish taking part in the services. On Sunday, July 31st, 1864, the building, having been completed according to contract, was opened for Divine service, the Rector and his Assistant officiating.

This House of Worship, a neat and tasteful brick building, 28 by 52 feet, with a front porch of 8 feet square, stands upon a lot 54 by 150, in the Eleventh Ward of the city, on Grape street, near Orange. The whole cost of the lot, building, and its furniture, will be about $3000, nearly one-half of which amount has been contributed by the Sunday Schools of St. Luke's Church, during the past four years, the Schools in the same period having also contributed to Foreign Missions $438 00, and to other benevolent objects $85 59. It is hoped that before many months all the payments on the Chapel will have been made, so that its consecration may be asked for.

In the report of the Sunday School teachers and scholars above given, there are included those in attendance at the opening of the Chapel, namely: 14 teachers and 60 scholars. A large number of scholars have been received since the first of August, but they are not now reported.

There has been no Episcopal Visitation of the Parish during the year.

During the past year the Church debt has been entirely liquidated, and the Church is now ready for Consecration. A handsome stone Font has been obtained, and an appropriate Credence Table placed in the Chancel. Some progress also has been made towards obtaining a bell, and we are on the point of purchasing a Melodeon or some other suitable instrument for the use of the Sunday School. To the friends of the Parish in New York and in the Diocese, who have generously aided us in effecting these happy results, we desire to express our heartfelt thanks. To the ladies of the Parish, who, by their faithful exertions, contributed so largely to the same end, having raised over $286, we feel that too much praise cannot be given. But, above all, we desire to return our humble expressions of gratitude to Almighty God for His great goodness to us, and without Whose blessing all our labors would have been in vain.

In addition to the services reported above, and for the Parish of Christ Church, Forestport, I have officiated eight times in St. Paul's Church, Constableville, which is without a Rector, have attended three funerals there and at Port Leyden, and have baptized one child at Hawkinsville, besides four or five occasional services in other places.

This Parish is erecting a very neat and suitable Church edifice, to be completed this season. They have a fine lot of nearly half an acre, most pleasantly located; and when the Church is finished, we look, with God's blessing, for

increased prosperity and the rapid growth of the Parish. It needs, just now, some *outside* assistance; but when the Church edifice is paid for, the Parish will take care of itself.

The Rector entered on his duties August 16, 1863. No Parish Register was found, and the list of Communicants is, therefore, made up of those only who have received the Holy Communion during the year.

A valuable Parish Library of 150 volumes, and 120 volumes for the Sunday School Library, have been added; also a bronze Bell of 820 pounds, (the gift of a Communicant,) a Silver Gilt Chalice and Paten, (the latter a Churching Offering,) an Oxford Bible, an Alms Basin, of rosewood, Altar Linen, and other lesser things. Several improvements have been made in the Church, and others are in progress; among them window tracery and stained glass throughout, now nearly ready, at a cost of about $300. All of the new windows are individunl gifts, and six of them memorials. It ought to be added that the main support of the Parish, and most of the offerings reported above, have been from five or six persons, several of whom have given a large proportion of their annual income, and one (a widow) has exceeded it.

After thirty years of adverse circumstances, (thirteen of vacancy or non-residence, and the remainder mostly of feeble or irregular ministrations,) in a rural population, surrounding a village of less than five hundred inhabitants, and with four other congregations, the progress of the last two years is certainly encouraging. But it must take a much longer time to fix the Church here upon a broad and secure basis.

A service has been given at the village of Trenton nearly every fortnight since October last. The attendance is variable, and generally small; but there is some reason to hope for good results in the future.

During the three-quarters of a year which the present Rector has had charge of the Parish, he has been kindly assisted in the administration of the Holy Communion by the Rev. Beardsley Northrop. It may also be proper to state that he has held service eight times at Washington Mills, and five times for St. James' Parish, Clinton.

The former Rector of this Parish, the Rev. N. Barrows, resigned his charge, on account of ill health, on Easter Sunday. The present Rector entered on his duties the 1st of May. Since that date four adults and three infants have been baptized, three marriages been celebrated, and four funerals attended; all of which are included in the report. The Holy Communion has been administered once in private. The continued ill health of the former Rector will account for the several omissions in this report.

The Parish continues to enjoy a healthy prosperity. Its numbers have considerably increased, so that another enlargement of the Church edifice is found necessary. A sum nearly sufficient for this purpose has been subscribed by the members of the Parish, and the contemplated improvements will soon be made. A liberal sum has also been raised, and a lot secured, for a Sunday School Room, which the Parish intend to erect next spring. The Sunday School is still in a most flourishing condition. The Industrial School has continued to prosecute its benevolent and successful labors. The contribution of money above reported, for this object, is but a small part of what has been done through this agency.

The Wardens and Vestry report, that this Parish has been painfully afflicted by the loss of its beloved and most estimable Rector, the Rev. Dr. Brandegee. He died, after a short illness, on Wednesday, April 6th, 1864. He had for some months been occupied with even more than his usual devotedness, in an effort with his people to raise the means of completing the payment of the debt which had weighed upon the Parish since the erection of its Church edifice. The commencement of that enterprise was mentioned in the last report; and he steadily persisted in the effort until Easter, when, pursuant to arrangements which he had perfected, the whole amount of the debt, in money and obligations, was laid upon the Altar, at the morning service. He was then suffering from the fever which finally proved fatal, and too ill to preach, though he consecrated and administered the Holy Communion to his flock. After the service he remained some time at the Church, being unable, from failure of strength, to proceed to his home. He never again left it to repair to that building, to the erection of which he had devoted so much of his strength, and the completion of which, and its relief from debt, had been so near his heart.

The mortgage was soon after wholly paid off with the funds thus obtained, and has been cancelled.

The Vestry invited the Rev. William R. Harris, who had been the Assistant of Dr. Brandegee, to assume the charge of the Parish until other arrangements should be made. He has since officiated with great fidelity, and in a manner entirely satisfactory to the Vestry and congregation.

St. George's Church, Utica; the Rev. WILLIAM THOMAS GIBSON, D. D., Rector.

Value of Church Property, as estimated by the Wardens: Of the Church, including Lot and Furniture, $6,000. Indebtedness, for Organ, $825.

The Church debt was paid off, including the balance due on the lot and the edifice, on the 1st of April last, and the Church was consecrated on the 7th of June by the Bishop of the Diocese, twenty-seven of the Clergy being present and assisting.

The above report includes only such sums as were raised and contributed in the Parish during the past year. The previous expenditure will make the total cost of the Church edifice, lot and furniture, exclusive of organ and bell, about $6,000. The Thanksgiving offering ($36 10) was devoted to the bell, and the proceeds of the Offertory at the Consecration ($25 39) were given for the use of the Rector. The first bell purchased for the Church was lost on the Steamer Isaac Newton, so that the congregation were obliged to raise an additional sum for another. The Parish has suffered from removals, and the Rector is prevented, by his engagements as editor of the Gospel Messenger, from giving it that degree of unremitting attention and labor which he would wish, and which its real interests and prosperity almost imperatively require.

During the past year, and the greater part of the preceding, I have superintended the Sunday School alone; and in connection with this office, have conducted a Bible Class of the more advanced scholars. I have now the promise of assistance, which I desire and welcome on behalf of the school. I wish I knew how to estimate and record the amount of good done in and by the congregation in various ways, for the relief of the sick and wounded soldiers of our Army, and their destitute families. I cannot give the figures, but it has been to me a source of unfeigned satisfaction to observe the zeal in this respect of some of the ladies, whose patriotic and Christian devotion has scarce known any bounds. Too much, it is true, cannot be done, and I wish that tenfold more might have been accomplished; still, it is gratifying to record that there has been much activity in the Parish during the year in this direction. I wish also to put on record for personal gratitude, an acknowledgment of receipt during the year of $267 from parishioners, over and above all stipulations, as a free-will offering to their Rector, and to name this instance as only one of many similar tokens of their kind consideration.

The past four years have been, by God's blessing, years of *marked* progress and prosperity in the history of this Parish. Our little Church is full to overflowing, every seat and pew being taken, back to the very door, and many of them are doubled. It is a pity that we have so small a Church, a greater, that we have not the means to enlarge or build anew. Further growth is impossible until we do. We are engaged at present in fitting up the basement, intending to use it for our Sunday School, and also for weekday services. It will cost us about three hundred dollars. The Parish has given, this year, a full *half stipend* for Diocesan Missions, and pledges itself not to fall short of that amount hereafter.

A class awaits confirmation. The want of sittings is almost a bar to the further numerical growth of the Parish. There are but *one hundred and thirteen* pews, and more than twice as many families connected with the congregation. If accessions to the Church are to keep pace with the increasing population of the city, a larger and more commodious Church edifice, or a colonization of a portion of the Parish is indispensable.

Since the last report the Church building has been altered and repaired, making it now a very neat and appropriate house. The expenses for repairs, &c., were about $700. Part of this amount was contributed by the parishioners, the churchmen of this city, and by friends residing in New York. The Church was closed about ten weeks, which accounts for the comparatively small number of services. Besides the usual services, the Rector has preached in New York, Haverstraw, &c., and assisted in services in St. Paul's and St. James' Churches, in this city.

On the fourth Sunday after Easter I was elected Rector of this Parish, succeeding to the faithful services of the Rev. Prof. Metcalf. The Rev. Dr. M. also committed to my charge the monthly ministrations of the Church in the Chapel of the Water Cure, Clifton Springs. The congregation, at this place, averages nearly a hundred persons, and there is every prospect of the success of the Mission. On the last Lord's day I administered the Holy Communion to 34 persons.

Two months of the past year were spent by the Rector in the cities of New York and Philadelphia, where he obtained, through the liberality of members of our Church, $3,000, to assist in the payment of the Church debt. Thus encouraged, the congregation has raised $4,000 in addition, by which effort the entire

debt has been cancelled, except a trifling amount. Thus, from a small beginning, with the blessing of God, in thirteen years the Parish has succeeded in erecting and paying for a handsome stone Church and a large and convenient Chapel, with organ and suitable furniture. For this we thank God and take courage.

The Parish is in a very prosperous condition. The congregation has, the past year, increased nearly two-fold. Pierrepont, Esq. And, also, through the kindness of a communicant, we have received about ten dollars ($10) in Prayer and Sunday School Books.

As regards Increase and Improvement of Church Property, Value of Church Property, &c., and Indebtedness of the Parish, it is not easy to give accurate statistics, for the reason that our Church is in process of erection, and is in such a state that we cannot accurately estimate the value of what has been done. Nor do we know whether or not there will be any indebtedness when it is completed. We expect to have it finished before the coming winter. It will be a substantial and convenient brick building, accommodating about two hundred people. Everything looks favorable to the growth and prosperity of the Church in this place.

OTHER CLERICAL REPORTS.

From Clergymen not holding Parochial Cures, the Bishop has received the following Reports:

The Rev. WILLIAM BAKER, residing in Utica, reports: That he has buried three adults and baptized four; officiated twice in St. John's Church, Oneida; twice in St. James' Church, Clinton; once in Calvary Church, once, during Lent, in Trinity Church; read prayers and assisted in the Communion several times in Grace Church, and once in St. George's Church, Utica. He has officiated in Massachusetts by preaching and reading prayers on Sunday, and attending a funeral; and also officiated several times in the Diocese of New York.

The Rev. JOHN A. BOWMAN, Hospital Chaplain U. S. A., residing at Louisville, Ky., reports: That the sum of his ecclesiastical duties, performed as Hospital Chaplain U. S. A., for the year ending July 31st, was as follows: Religious services, 271; Funeral Services, 214; Baptism, (infant,) 1; Marriages, (four of which were contrabands,) 5. He assisted in administering the Holy Communion twice, and wrote 3,650 letters for soldiers, averaging from four to thirty each day.

The Rev. J. T. CUSHING reports: That he resigned the Missionary Stations of Candor and Speedsville on the 1st of January, and removed to near Hammondsport, where he now resides; has preached four Sundays at Bradford for the Rev. Mr. Atwill; preached three Sundays at Hammondsport for the Rev. Mr. Loveridge, assisting him in the service and Holy Communion at other times; has had no parochial charge since January first.

The Rev. JOHN F. ERNST, residing at Buffalo, reports: That since his report in 1863, he has conducted the public services of the Church 50 times; has assisted in such services 15 times; has preached 50 times; has celebrated, or assisted in celebrating, the Holy Communion 14 times; has paid two visits to a sick person; has attended four funerals and baptized one infant. Since the 7th of May last he has been waiting and praying to be called to work in some portion of the Lord's vineyard, but no call having been made, he remains here, rendering to his brethren in Christ such services as they may need and he can render.

The Rev. R. I. GERMAIN, residing at Buffalo, reports: That during the vacancy in Grace Church, Black Rock, from the 29th of November to the 4th of March, he officiated in the services of the Church, holding services on the Lord's day, in the morning; likewise, on Christmas Day, Ash Wednesday, and on Wednesdays and Fridays during Lent. He officiated at the burial of a child in the Parish, and likewise, on the 28th of June, held a funeral service and preached on Grand Island. Of the occasional assistance to the Rector he makes no account.

The Rev. A. JACKSON, D. D., President of Hobart College, reports: That he has been engaged during the past year, without interruption, in the duties of his office. When present, he has always taken part in the Sunday services of the Chapel, and during nearly the whole of the last term he performed the duties of Chaplain, in the necessary absence of that officer. He has frequently officiated in

neighboring Parishes, and on several occasions administered the Holy Communion. During half the year he officiated once a month in the Chapel of the Water Cure at Clifton Springs. He has given instruction in the departments of the Christian Evidences, Rhetoric and Elocution, and English Literature.

The general condition of the College has been satisfactory. The number of students who have received instruction is sixty-four. In this respect the institution is feeling the effects of the war. The condition of the funds is not materially changed. The number of scholarships remains the same. They vary from $140 to $60 per annum—the greater number being $100. The Department of Rhetoric and Elocution has been very ably filled since the 1st of April by the Rev. Francis T. Russell.

The Chaplain has been obliged, by reason of the ill health of his wife, to resign his office—a necessity deeply regreted by the students, officers and friends of the College. The Chaplain's report will give a statement in regard to the moral religious condition of the College.

The beautiful Chapel of the College, which was the generous gift of a member of the Board of Trustees, and in which the daily services have been conducted during the past year, has proved its great value as a means of promoting interest, order and solemnity during the performance of Divine service. It was, by God's mercy, saved from being consumed by fire in the month of April last, and is now being painted anew, so as to render it more beautiful than ever.

The Rev. WILLIAM OSCAR JARVIS, residing at Buffalo, reports: That during the last Conventional year, until the 1st of June, he was engaged in missionary work in the gold regions of Colorado Territory. He went there for a year's residence, by the advice of his physician and the solicitation of the Missionary Bishop of the Northwest. His term of service there expired the 1st of June, when he left the country and returned to Western New York, arriving in Buffalo the 5th of July. He is now temporarily engaged at St. James' Church, Buffalo, in the absence of the Rector, and hopes soon to have a permanent parochial charge. He is happy to say that his health is considerably improved.

The Rev. DEWITT C. LOOP, Assistant Minister of St. Luke's Church, Rochester respectfully reports: That, besides aiding the Rector in visiting in his Parish, he has, since August, 1863, read service 52 times, and assisted in it 109 times, making number of services joined in, 161; preached 55 times; baptized 16 children, (one not elsewhere reported;) administered the Eucharist (privately) 6 times, and assisted in it publicly 13 times. He has attended, (elsewhere reported,) at least 44 funerals. He has conducted a Bible Class for adults in the Chapel region during most of the year, and has had a cottage lecture once a week in private houses.

The "Chapel of the Good Shepherd" was opened July 31st, 1864. It is a neat, comfortable, Church-like edifice, in a part of the city where one was much needed. It is well attended, and almost out of debt. His labors as a delegate of the Christian Commission, among sick and wounded soldiers, was very interesting, and he hopes blessed to the good of many.

The Rev. KENDRICK METCALF, D. D., Hobart Professor of Latin in Hobart College, Geneva, reports: That, in addition to the discharge of his regular duties in the College, he has officiated, for about eight months in the year, in St. John's Church, Phelps, Ontario county. His special official acts there will be found included in the parochial report of his successor, the Rev. Professor Russell. He has also preached several times during the year in St. John's Chapel of Hobart College, and elsewhere.

The Rev. HENRY A. NEELY reports: That during the first two terms of the collegiate year, he fulfilled his duties as Chaplain of Hobart College, officiating twice daily in the Chapel, preaching twice on Sundays, and hearing a weekly

recitation. He was compelled, by illness in his family, to ask leave of absence for the greater part of the third term, which was granted by the Board of Trustees, and his duties were kindly assumed by other officers of the Faculty. In the course of the summer, he received a call to be an Assistant Minister of Trinity Church, New York, in consequence of which, after much deliberation, he sent in, at Commencement time, his resignation of the Chaplaincy, to take effect on the 8th of September.

It is with much regret that he so soon gives up a position very agreeable to himself, and in which he had hoped to do some good work for the cause of Christ. But, for the health of his family, he must seek another climate, and the Providence of God seems to indicate plainly for him another field of labor.

He has not occupied this post long enough to fully test its value, and yet the experience of two years has been enough to assure him that it is one of no inferior importance. In estimating the effect of any moral influences upon the youth, the character of his manhood should be the principal witness. For the present, the teacher should be content to sow, in the confidence that in due time the good seed will, by God's blessing, bring forth its proper fruit. Yet results have already appeared from his labors here, more encouraging than are ordinarily vouchsafed to the Christian Minister within so short a period, and such as should satisfy reasonable expectations.

During the past year, the Holy Communion has been administered monthly, and on the principal Festivals, in the College Chapel. Average number of communicants, 40; Confirmations, 3.

A monthly collection has been made, the proceeds of which have been devoted chiefly to Diocesan objects.

The Rev. BRANDELEY NORTHROP, residing in New Hartford, Oneida county, reports: That since the last Convention he has officiated in St. Stephen's Church, New Hartford, most of the Sundays, after the Rev. Mr. Hayes resigned the Parish, until the Rev. Mr. Kern, the present incumbent, took charge of it, and also administered the Holy Communion twice in public and twice in private, to the sick. He has also officiated one Sunday in Trinity Church, Utica; one Sunday in Zion Church, Rome; one Sunday in Gethsemane Church, Westmoreland; and two Sundays in Grace Church, Waterville, besides assisting his Clerical brethren on various occasions.

The Rev. MARCUS A. PERRY, residing at Utica, Oneida county, reports: That during the year past he has assisted in Divine service on a number of Sundays, and also, in prayers on week days. One Sunday he officiated at Holland Patent; one Sunday at St. George's Church, Utica, the Rector being confined to his house by sickness; and he has buried one adult.

The Rev. JAMES RANKINE, D. D., Rector, of the Senior Department of the Diocesan Training School, Geneva, reports: That he has had under instruction and direction during the past year, *six* students looking forward to the sacred ministry; Mr. Darby, Mr. Spencer, Mr. Reeder, Mr. Brooks, Mr. Raymond, and Mr. Hayward. Mr. Darby, will be ready for ordination in September next. Mr. Spencer, having been transferred to Canada, has already been ordained and holds a cure. Mr. Reeder will enter the General Theological Seminary at the opening of the next term.

The Rev. FRANCIS T. RUSSELL, Professor of Rhetoric and Elocution in Hobart College, respectfully reports: That on the 10th of December last, he was elected to the above Professorship, and entered upon his duties on the first day of April. In addition to these, he has performed parochial and missionary labors, which will be found in his report of St. John's Church, Phelps, Ontario County.

Rev. J. V. VAN INGEN, D. D., reports: That he has resigned the office of Chaplain in the Army, but continues temporarily his labors in behalf of the sick and wounded in the Army, in connection with the Executive authority of this State.

The Rev. M. VAN RENSSELAER, D. D., President of De Veaux College, reports: That he has continued in the discharge of his duties as President of the De Veaux College for Orphan and Destitute Children, during the past Diocesan year. Divine service has been performed every day in the Chapel, with sermons on Sundays and special occasions; the Holy Communion has been celebrated 12 times in public, and twice in private; two have been confirmed; and the children have been catechised on Sundays, in addition to other religious instruction regularly given. He has baptized six children and one adult; performed two Marriages; and attended five Funerals. On Sunday afternoons he has officiated for the Church of the Epiphany, Niagara City.

The contributions at the Offertory in the College Chapel have been as follows:

Diocesan Missions, $14 40; Training School, 7 00; Aged and Infirm Clergy, 7 17; N. Y. Bible and Com. Prayer Book Society, 1 40; Domestic Missions, 5 00; Foreign Missions, (Africa,) 5 00; Alms for the Poor, 10 63; Sanitary Commission, 5 00; Aid for East Tennessee, (including $2 08 from Church of the Epiphany,) 31 45. Total, $87 05.

The Rev. GERSHOM P. WALDO, residing at Mills' Mills, Allegany County, reports: That he has again to report that, by reason of sickness he has been unable to officiate at his station at Mills' Mills but a part of the time for the past year, with a few Sundays at Nunda and vicinity. He has officiated on twenty-nine Sundays, attended the funeral of a communicant of the Church in the town of Granger, Allegany county, on a week day, had service and sermon. He has baptized one adult and one infant; administered the Holy Communion three times, besides once to a sick person in private; Married one couple, and prepared and presented three for confirmation at the last visitation. There are now at the Mills, eleven communicants, one male and ten female, three having been added, one received and one removed.

Collections for Diocesan Missions, made and transmitted to the Treasurer, amount to $4 60; for the N. Y. Bible and Prayer Book Society, $2 00; amount of collections $6 60.

The financial condition of the country has precluded all effort to build a church there this year. One of the principal families has removed, and some others ar restless. What is in store for us, time can alone develope. There is need of work, laborious work, in this region, that those sitting in the region and shadow of death may see light. He regrets that he has not been able to do more.

The Rev. WILLIAM D. WILSON, Professor of Moral and Intellectual Philosophy and History, Hobart College, Geneva, reports: That during the last Conventional year, besides his duties as Professor in Hobart College, he has married one couple, buried one person, and taken part in the public services of the Church on Sundays and other Holy Days, as occasion offered, or necessity required.

The Rev. FREDERICK P. WISSIE, Professor in De Veaux College, Suspension Bridge, reports: That during the past year, he has been engaged at De Veaux College, in teaching. He has also assisted in the services of the College Chapel, and in carrying on the service for the Church of the Epiphany, at Suspension Bridge, and has baptized four children, celebrated three marriages, and attended three funerals.
